Job Code:	<b>NC05</b>	Grade 38:	\$78,900 - \$131,600
FLSA status:	Exempt		

---

### Job Summary

Reporting to the Executive Director, University Housing, the Director, Property Management provides overall leadership and supervision of the comprehensive maintenance plan, custodial services, maintenance and mechanical services, building operations, materials procurement, renovations and new construction for University Housing. This includes 30 residence halls in nine neighborhoods and over 4,800 residents on and off campus. This position will work closely with other University areas such as Risk Management, Dining Services, Campus Safety and Security, Facilities Management, and other campus partners to meet the ever-changing facility demands of students while creating a learning environment that supports student success at Auburn University.

### Essential Functions

1. Directs the daily operations oversight of over 4,000 resident bed spaces, two million square feet of building space (University Housing and Dining Services), \$7 million operating budget, and a labor force of over 60 employees. Plans and directs the efficient work activities of supervisors, managers, trades, and other staff; assigning and monitoring work duties and responsibilities; establishes and modifies work methods, schedules and priorities.
2. Develops strong partnerships with other University offices and works collaboratively with a broad array of institutional stakeholders, partners, and colleagues.
3. Oversees outside contracts for facilities maintenance, cleaning, renovation, and new construction.
4. Effectively works and collaborates with several Student Affairs units, including Residence Life, Human Resources, Dining Services, and Information Technology to accomplish the strategic plan of University Housing and Student Affairs.
5. Directs and plans all budgetary and financial facets of facilities and property operations as well as developing and controlling budgets and procurement strategies.
6. Directs, plans, organizes and oversees routine building maintenance, preventive maintenance, work order, building repair, capital and non-capital projects and security/access control programs to ensure the safe and timely execution of all work performed by maintenance personnel.
7. Serves as a member of the University Housing leadership team and other departmental, divisional, or institutional committees as assigned.
8. Works directly with the Office of the University Architect and Facilities Construction Management teams to design, develop, implement, and oversee all new construction and renovation projects insuring University Housing standards and expectations are employed and achieved.
9. Ensures all governmental, state, and University safety programs and standards are followed and adhered to.
10. May perform other duties as assigned by supervisor.

### Supervisory Responsibility

Supervises others with full supervisory responsibility.

*The above essential functions are representative of major duties of positions in this job classification. Specific duties and*
