Auburn University Job Description

Job Title: Exec Dir, Facilities Ops
Job Code: NC19
FLSA status: Exempt

Job Summary
Provides senior-level leadership, oversight, and direction of the maintenance, utility, and building services functions on campus.

Essential Functions
1. Develops and implements service delivery processes and procedures; initiates continuous process improvements and quality control programs.
2. Directs the personnel of the Facilities Operations group; develops and implements standard personnel policies and procedures.
3. Responsible for establishing and maintaining a comprehensive training program geared toward the professional/technical development of personnel, as well as credentialing standards.
4. Responsible for establishing and executing an ongoing Facilities Condition Assessment program.
5. Develops long-range maintenance plans in conjunction with other applicable Facilities leadership.
6. Directs and oversees the financial dealings of the Facilities Operations group.
7. Develops and implements management metrics for leadership; responsible for maintaining relations and forging communications with leaders across campus.
8. Provides management and oversight of the AU Energy Reduction Strategy and leads the Facilities Management emergency/severe weather response.

Supervisory Responsibility
Supervises others with full supervisory responsibility.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
