Auburn University Job Description

Job Title: Assoc Dir, Ag Land Res Mngt
Job Code: NC65
FLSA status: Exempt

Job Summary
Oversees and coordinates the daily activities of Ag Land & Resource Management including construction projects, event planning, public relations, and budget planning.

Essential Functions
1. Provides management oversight, direction and coordination of all construction project activities pertaining to Ag/AAES.
2. Manages and oversees the inspection, maintenance and repairs of Ag and AAES lands, facilities and equipment.
3. Manages special event operations to include preparing, planning and assisting with event activities.
4. Produces and interprets architectural drawings, blueprints and graphic designs for construction projects and AAES-related signage.
5. Works in conjunction with AU Risk Management and Public Safety to provide safety training to field personnel.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
