
Auburn University Job Description

Job Title:	Analyst, Utilities &Energy	Level I	Grade 31 \$31,300 - \$52,100
Job Code:	NC85	Level II	Grade 32 \$35,000 - \$58,400
FLSA status:	Exempt	Level III	Grade 34 \$45,100 - \$75,100

Job Summary

Oversees and collects Auburn University utilities and energy use data and provides information, analysis, studies, and recommendations

Essential Functions

1. Prepares and presents complex technical, analytical, and statistical reports that present and interpret data, identify alternatives, present and justify conclusions, forecasts, and recommendations.
2. Develops data models based on objectives and goals from energy management initiatives which provide aligned achievement indicators and identify gaps and trend improvement.
3. Identifies, develops, and maintains metrics for routine metric reports with analysis and monitoring effectiveness of initiatives for energy reduction and performance improvement for the utilities and energy.
4. Assists in conducting analytical studies to support planning and performance evaluations for university utility infrastructure.
5. Develops data models that forecast utility system demands based on actual and conceptual campus building plans.
6. Provides overviews of campus utility use trends and improvement plans to internal and external audiences.
7. Serves as a lead for Utilities and Energy in the development of strategic plans.
8. Creates and maintains an energy database that supports accurate, timely, and complete client billing.
9. Ensures that energy meters are read and recorded, energy payments to providers are accurate, and customer issues and questions concerning the accuracy of client bills are resolved.

Supervisory Responsibility

May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.

Auburn University Job Description

Job Family Levels

Level	Responsibility	Knowledge	Education and Experience*
I	Under immediate supervision, performs standard tasks using established methods, principles, concepts and procedures related to a specialized field. Judgments are made on routine matters of relatively small impact.	Knows fundamental concepts, practices and procedures of particular field of specialization.	Bachelors degree in discipline appropriate to position with no experience.
II	Under close supervision, performs varied duties and assignments involving some judgment. Resolves routine questions or problems, referring only complex issues to higher level. Some evaluation, originality and ingenuity required.	Knows and applies fundamental concepts, practices, and procedures of particular field of specialization, with awareness of related fields.	Bachelors degree in discipline appropriate to position plus 2 years experience. Experience must include at least 2 years at the preceding level or equivalent.
III	Under minimal supervision, performs complex assignments and fulfills broad responsibilities where required outcomes are defined, but methods and procedures may vary based on professional judgment or precedent. Considerable latitude for unreviewed action. Confers with supervisor on unusual matters. Coordinates the work of others on projects and may assign work to and assist less experienced professionals or support staff. May act in an advisory capacity to managers or faculty.	Possesses and applies a broad knowledge of principles, practices and procedures of a particular field of specialization to the completion of difficult assignments. Also possesses knowledge of related fields and areas of operation which affect, or are affected by, own area.	Bachelors degree in discipline appropriate to position plus 4 years experience. Experience must include at least 2 years at the preceding level or equivalent.

* See the "Minimum Required Education and Experience" section of the job description for any substitutions that may be allowed for education and experience.
