
Auburn University Job Description

Job Title: **Mgr, Fac Shops Maintenance**

Job Family: No Family

Job Code: **ND03**

Grade 36: \$59,700 - \$99,600

FLSA status: Exempt

Job Summary

Manages the maintenance efforts that support Auburn University's colleges and schools, administrative units, as well as athletics and Auxiliary units by providing preventative maintenance, automotive maintenance, carpentry, access control, abatement, sign fabrication, sheet metal fabrication, concrete, and equipment operation support services. Manages a maintenance workforce including skilled trade personnel and technicians assigned to independent Facilities Maintenance shops.

Essential Functions

1. Provides leadership, management, and supervision of maintenance technicians for the effective and efficient completion of all corrective and some preventative maintenance work requirements within assigned facilities. Corrective maintenance may include maintenance projects.
2. Oversees work assignments to meet organizational goals and client deadlines in support of University, Facilities Management and Maintenance department guidelines and mission.
3. Manages assigned staff and leads recruitment of positions including reviewing resumes, participating in interviews, and conducting performance review evaluations. Assists in resolving employee relations issues.
4. Ensures all work performed by University tradespersons and contractors involved meet University standards and contract requirements. Communicates with subordinate staff ensuring policies and procedures are understood and maintained. Ensures that work is completed in a safe, timely manner and in compliance with the appropriate regulatory agencies.
5. Meets with clients on a regular basis to understand facility needs ensuring support can be provided. Ensures quality and timely responsiveness of assigned maintenance activities, including after-hours response to emergency calls.
6. Ensures timely and accurate data is maintained in the work management system to provide proper reporting for clients and senior leadership within Facilities and the University. Investigates and responds to clients queries, complaints and other issues to meet and satisfy client needs. Tracks status of work accomplishments, analyzes data, prepares reports and recommendations in support of increasingly higher levels of performance and productivity.
7. Coordinates communications and activities among Maintenance Department zones and shops, other Facilities Management Departments, outside contractors, and Auburn University customers and visitors. Communicates with stakeholders to keep aware of activities, maximize efficiencies, answers questions, and resolves issues.
8. Maintains records and documentation of work activities, supplies, and equipment. Develops and maintains business plans, procedures, and operating instructions for safe, accurate, and quality work performance and updates on maintenance/repair status.

Supervisory Responsibility

Supervises others with full supervisory responsibility.
