Auburn University Job Description

Job Title: Spec I, Arbor
Job Code: ND28
FLSA status: Non-Exempt

Job Summary
Under direct supervision, assists with tree care including planting, pruning, removal, or maintenance of trees on Auburn University property with a focus on main campus. Utilizes basic arboriculture techniques in order to maintain University grounds as a safe and aesthetic atmosphere for students, faculty, staff, and the general public.

Essential Functions
1. Assists in executing aerial functions related to tree maintenance including lifting, thinning, deadwood cleaning, and vista pruning with the use of a bucket truck or manlift during all months of the year.
2. Assists with performing ground functions such as pruning, trimming, roping, rigging, whole tree felling, chipping, and loading in an open area. Installs and stakes large field-grown trees with guidance.
3. Assists in carrying out soil care operations to include watering, fertilizing, spraying, root collar excavations, and other root enhancement operations. As directed by supervisor treats and pre-treats trees with fertilizers and pesticides to promote vigor and resistance to disease outbreaks.
4. Assists with maintaining arboriculture related equipment and inventory including, but not limited to, bucket trucks, wood chippers, stump grinders, and chainsaws.
5. Follows training and safety requirements from AU Facilities Management with guidance from supervisors.
6. May work outside of normal operating hours to assist in emergencies, inclement weather, and storm clean up as needed.
7. May perform other related landscape duties as assigned.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
