Auburn University Job Description

Job Title: Supv, Fabrication Shops
Job Code: ND33
FLSA status: Non-Exempt

Job Summary
Reporting to the Manager, Facilities Shops Maintenance, supervises and leads the daily operations of the Sign, Sheet Metal, Paint Spray Booth, Cabinetry, and Insulation areas. Responsible for organizing and overseeing the successful execution of Fabrication Shop projects, installations, and repairs throughout the University.

Essential Functions

1. Coordinates the work and responsibilities of multi-trade technicians by scheduling and overseeing work assignments, inspecting job sites, and ensuring that quality work is completed in a safe and timely manner.
2. Plans project requirements and ensures that all work performed by assigned staff and contractors complies with applicable regulatory agencies, contract requirements, University standards, and organizational goals.
3. Responsible for planning and overseeing the training and certification of all staff. Leads the recruitment and selection of staff and conducts performance review evaluations. Assists in resolving employee relations issues.
4. Maintains timely and accurate data to track work activities, supplies, and equipment. Reviews data for accuracy and provides analysis, reports, and recommendations for clients and senior leadership.
5. Coordinates with other shops, departments, and/or outside contractors to ensure appropriate support for each job. Communicates with stakeholders to provide updates, answer questions, resolve issues, and ensure the efficient completion of projects and jobs.
6. Assists in developing procedures and operating instructions for safe, accurate, and quality work performance and status reporting. Communicates with subordinate staff to ensure that policies and procedures are understood and maintained.
7. Responsible for the Fabrication Shop’s budget coordination. Oversees all shop purchases and material requests.
8. May perform other related duties as assigned by the Facilities Shops Maintenance Manager.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
