

Effective December 1, 2013, A-Train has been replaced by a new learning management system called Fast-Train. You can access Fast-Train by logging into [AU Access](#) on the University's home page and selecting "Fast-Train" under the Professional Development channel on the Employee Services tab.

The recommended browsers for accessing Fast-Train are Internet Explorer 8.0, 9.0, or 10.0; Chrome 29 or 28; or Firefox 23 or 24.

For further assistance, users can contact Human Resource Development at 844-7363 or autrain@auburn.edu.

Learners and Supervisors may also find the [Fast-Train User Guide](#) useful.

For Supervisors, click to [Instructions for Approving HRD Courses](#).
