

## REGISTRATION SCHEDULE FOR SPRING 2008

### SPRING REGISTRATION IN BANNER – With Time Tickets

**What are time tickets?** Unlike OASIS, when students register in Banner, they will be assigned specific days and specific times at which they may begin registration. These individual times are referred to as “time tickets.” Time tickets will be assigned to student records approximately one week before registration for the spring 2008 term begins. **Once your time ticket begins, you may register until registration is turned off for everyone. Time tickets include all hours earned through summer term 2007 plus fall hours for which you are registered. This includes any transfer hours that have been posted on the date when that time tickets are set.**

**How will I know what my time ticket is?** Students will be able to check their time by logging into AU Access and selecting the TIGERi tab. Please note that time tickets are based on hours earned through the summer term of 2007 + current hours for the fall term.

**What if I need help?** Registration instructions for Banner will be posted under the TIGERi tab in AU Access. During the registration period for the spring term of 2008, registration assistance will be available through the Office of the Registrar by calling 334-844-6435.
