

Subject – Viewing Grades for Fall 2009

Once a faculty member submits the grades from a course, those grades must be “rolled” to academic history before they can be viewed by students. For example, when grades are rolled at 6:00 a.m. and 6:00 p.m., grades entered at 9:00 a.m. would be available for viewing after 6:00 p.m. of the same day. Please note that grades from the Fall 2009 term will be rolled and available for viewing based on the following schedule.
