

REGISTRATION SCHEDULE FOR FALL AND SUMMER 2008

What are time tickets? When students register in Banner, they will assigned specific days and specific times at which they may begin registration. These individual times are referred to as “time tickets.” Time tickets will be assigned to student records approximately one week before registration for the term begins. **Once your time ticket begins, you may register until registration is turned off for everyone. Time tickets include all hours earned through fall term 2007 plus spring 2008 hours for which you are registered. This includes any transfer hours that have been posted on the date when that time tickets are set. Transfer work received after time tickets are set will not be counted.**

How will I know what my time ticket is? Students will be able to check their time by logging into AU Access and selecting the TIGERi tab.

What if I need help? Registration instructions for Banner will be posted under the TIGERi tab in AU Access. During the registration period, registration assistance will be available through the Office of the Registrar by calling 334-844-6435.
