Transfer Student Pre-Professional & Elective Courses (Area V)

Institution: Auburn University

AGSC Guide/Major: Civil Engineering

Is this an Institution Only Major: NO

Specific options or tracks to which these requirements/recommendations apply:

________________________________________________________

________________________________________________________

________________________________________________________

Maximum total number of electives/pre-professional hours: 64

Hours specified by the Approved STARS Area V Guide: 36 (see the approved transfer guide at http://stars.troy.edu/get_the_guide_step_1.html)

Remaining 28 hours should be selected from/include the following:

<table>
<thead>
<tr>
<th>Course name/ number (2-year system)</th>
<th>Course Title</th>
<th>Credit hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>MTH 126</td>
<td>Calculus II</td>
<td>4SH</td>
</tr>
<tr>
<td>MTH 227</td>
<td>Calculus III</td>
<td>4SH</td>
</tr>
<tr>
<td>MTH 238</td>
<td>Applied Differential Equations I</td>
<td>3SH</td>
</tr>
<tr>
<td>CHM 111</td>
<td>College Chemistry I</td>
<td>4SH</td>
</tr>
<tr>
<td>CHEM 112</td>
<td>College Chemistry II</td>
<td>4SH</td>
</tr>
</tbody>
</table>

Comments:

Students must complete a sequence in either History (Area IV) or Literature (Area II). It is recommended that this sequence be in World History or Western Civilization. While U.S. History will fulfill the sequence requirement, it will not fulfill Auburn SLO requirements potentially resulting in additional core courses being required.

Civil Engineering students should take POL 111, American Government in (Area IV) as one of the social science courses. This course is required of all civil engineering students.

Area II must include at least one Literature course, one Fine Art course, and an additional course. The additional course should be an Ethics course (PHL 206 Ethics and Society or IDS 102 Ethics) that is required for Civil Engineering majors.

MTH 270 Probability and Statistics (3SH) is NOT required. It is not equivalent to the required STAT 3010 course required for this major.

A programming language course is required. MATLAB is the programming language used in Civil Engineering. CIS 231 FORTRAN Programming and CIS 251 C++ Programming are not required.
Institutional Contact Information:
Name: Engineering Transfer Specialist
Title: Engineering Transfer Advisor
Office Address: Engineering Student Services, 1210 Shelby Center, Auburn AL 36849
