

TSCA Import Certification Form

Complete this form if you intend to import a new chemical into the U.S. "Importing" includes:

- carrying the chemical on your person or carrying it in your baggage;
- shipping the chemical through the mail or express service (FedEx, UPS, DHL, etc.); or
- ordering the chemical through a foreign vendor.

If you are importing the chemical through VWR, Sigma Aldrich or another domestic vendor, they will take responsibility for submitting the import certification.

You must make either a positive certification or a negative certification. Retain one copy of this form in your TSCA file and send one copy to the EHS Office. Be sure to retain import certifications and accompanying shipping papers for 3 years.

I am importing the chemicals listed on this form into the United States by:

- Personal conveyance (on self or in baggage)
- Mail or express service
- Foreign vendor/Customs broker

and

- will be using the chemicals listed below for research and development purposes only.

In accordance with the Toxic Substance Control Act (TSCA) Section 13, Import Certification, and 40 CFR 707, I hereby certify that:

POSITIVE CERTIFICATION

- All chemical substances in this shipment comply with all applicable rules and orders under TSCA and that I am not offering a chemical substance for entry in violation of TSCA or any applicable rule or order hereunder.
