

# 2009-10 ALL AUBURN ALL ORANGE

In 2004, the Auburn athletics department and the Student Government Association established the All Auburn All Orange program to create unity and spirit among the Auburn student body, alumni, fans, and student-athletes. The All Auburn All Orange program has grown to become a celebration of the *Auburn Family*. The 2009-10 design blends Auburn's past and present and promotes the values of Tradition, Spirit, Pride and Family. Opening its doors in 1856, the East Alabama Male College then became the South's first land grant institution as A.P.I. in 1872, and officially became Auburn University in 1960. Whether it's rolling Toomer's Corner, the Wreck Tech parade, Tiger Walk, Rat Hats, War Eagle, Old Main, or Samford Hall, the Auburn Family stays connected through shared memories of their time at Auburn.

Proceeds from the sale of this t-shirt support student scholarships and the Student Government Association's Big Event. Big Event participants team up to devote one specific day to meeting the needs of many in the community as a way to say "thank you." On Saturday, February 14, 2009, more than 2000 students volunteered and served with a team on various projects. A few examples of projects include Habitat for Humanity, Boys & Girls Club, Food Bank, Storybook Farms, Camp ASCCA, nursing homes, and several other cleaning, painting, and construction jobs. This student driven effort clearly illustrates the spirit of the Auburn Family.

The 2009 -10 All Auburn All Orange design shown below was selected by the Auburn family during an on-line voting leading up to the spring A-Day game. **Weezabi is the exclusive licensee for the All Auburn All Orange t-shirt. Retailers can contact Seth Chapman at 205-682-2850.**
