EXECUTIVE SUMMARY

SEPTEMBER 10, 2021 BOARD OF TRUSTEES MEETING

A. Property and Facilities Committee

1. Lowder Hall Financial Leadership Collaborative Laboratory Renovation: Final Project Approval

   Project Summary: This project will renovate approximately 4,000 square feet of the existing space in Lowder Hall to construct two financial laboratories, of up to fifty (50) seats each, dedicated to developing the practical skills essential in the financial services industry. The renovation would include new LED lighting, glass walls along corridor, modern floor and wall finishes, new furnishings, and a new electronic scrolling stock ticker display.

   The estimated total project cost for the Lowder Hall Financial Leadership Collaborative Laboratory Renovation is $3.5 million, to be financed by the Harbert College of Business.

   Requested Action: It is requested that the Board of Trustees adopt a resolution providing final approval of the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project.

   Previous Approval(s): At its previous meeting on November 20, 2020, the Board of Trustees adopted a resolution that approved the initiation of the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project, and at its meeting on February 5, 2021, the Board of Trustees approved INOX Design, of Marietta, Georgia, as the project architect.

   Project Summary: This Board of Trustees action implements the recent decisions made on the Ham Wilson Arena and the Facilities Management New Training Center project. The university has decided the highest and best use for the Ham Wilson Arena site is for future academic or research facilities, and demolition of the facility is recommended. Facilities Management has been directed to construct its training facility within the Facilities Management complex on West Samford Avenue.

   It is anticipated the demolition of the Ham Wilson Arena will be funded by University General Funds, and the Facilities Management New Training Center project will be financed by Facilities Management reserve funds.
**Requested Action:** It is requested that the Board of Trustees cancel the Ham Wilson Arena Renovation project, authorize the demolition of the facility, adopt a resolution to approve the initiation of the Facilities Management New Training Center, and approve the selection of JMR+H Architecture, of Montgomery, Alabama, as the project architect.

**Previous Approval(s):** At its previous meeting on February 7, 2020, the Board of Trustees adopted a resolution that approved the initiation of the Ham Wilson Arena Renovation project and the selection of JMR+H Architecture of Montgomery, Alabama, as the project architect. During its meeting on April 16, 2021, the Board of Trustees adopted a resolution that provided final project approval.

### 3. Duncan Drive Extension and Infrastructure: Approval of Project Initiation and Approval of Architect Selection

**Project Summary:** The Duncan Drive Extension & Infrastructure project will support the campus road system and the College of Agriculture’s Transformation Gardens project. It will construct a two-lane campus road that extends Duncan Drive from Lem Morrison Drive to Woodfield Drive with bicycle lanes, sidewalks, street lighting, overhead power, storm sewer, and domestic water lines. This project will also complete site grading, stormwater management and installation of utilities infrastructure for the adjacent College of Agriculture’s Transformation Gardens.

To facilitate an accelerated design process, LBYD Engineers of Birmingham, Alabama, is recommended as the project engineer. LBYD has designed several Auburn University facilities and infrastructure projects and has worked on the initial planning efforts for this project. Their expertise in major campus infrastructure projects will be highly valuable in the development of the program.

**Requested Action:** It is requested that the Board of Trustees adopt a resolution to approve the initiation of the project and the selection of the firm, LBYD Engineers of Birmingham, Alabama, as project engineer for the Duncan Drive Extension & Infrastructure project.

**Previous Approval(s):** None.

### 4. Transformation Gardens: Approval of Project Initiation and Authorization to Commence the Architect Selection Process

**Project Summary:** The College of Agriculture proposes the construction and development of the Transformation Gardens, a 16-acre garden that will enhance the college’s teaching and outreach efforts, benefitting both students and the general public. The Transformation Gardens will serve as a place where students will get hands-on experience with the latest industry practices, research faculty will tackle key challenges, a teaching space, and a production facility for Auburn’s Campus Dining program. The Transformation Gardens will be developed in numerous phases over the next several years by the College of Agriculture.

Project Summary: The College of Veterinary Medicine proposes the construction of a new addition to the North Auburn Equine Research Facility to support the federally-funded research program in North Auburn. The current program operates out of temporary facilities which are inadequate to support future growth of this important research program. The proposed project will allow this program to bring their facilities up to modern standards and to grow the research capabilities to match increased new grant funding opportunities.

It is anticipated that this facility would be financed by College of Veterinary Medicine funds.

Requested Action: It is requested that the Board of Trustees adopt a resolution to approve the initiation of the North Auburn Equine Research Facility-Addition project and to authorize commencement of the architect selection process.

Previous Approval(s): None.

6. Plainsman Park Player Development Center – Phase II: Approval of Project Initiation and Authorization to Commence the Architect Selection Process

Project Summary: The Plainsman Park Player Development Center Phase I facility was completed in January 2021. The Athletics Department proposes to commence the next phase of development for this facility with improvements to enhance the Plainsman Park fan experience. The project will include premium seating improvements above the new Player Development Center as well as additional seating, new restrooms, concessions, a covered pavilion, and a connection to the existing seating concourse. It is anticipated that this facility would be financed by the Athletics Department through a combination of bonds and gifts.

Requested Action: It is requested that the Board of Trustees adopt a resolution to approve the initiation of the Plainsman Park Player Development Center Phase II project and to authorize commencement of the architect selection process.

Previous Approval(s): None.
7. **Auburn Arena Women’s Basketball Locker Room Renovation: Approval of Project Initiation and Authorization to Commence the Architect Selection Process**

*Project Summary:* The Athletics Department proposes the renovation of the women’s basketball locker room area within the Auburn Arena. This project will allow the program to bring their facilities up to competitive standards with planned improvements to the team’s meeting areas, video review lab, team lounge, nutrition area, coaches’ locker room, and restrooms.

It is anticipated this renovation project would be financed by the Athletics Department through use of bond funds.

*Requested Action:* It is requested that the Board of Trustees adopt a resolution to approve the initiation of the Auburn Arena Women’s Basketball Locker Room Renovation project and to authorize commencement of the architect selection process.

*Previous Approval(s):* None.

8. **McWhorter Center Gymnastics and Softball Team Area Renovation: Approval of Project Initiation and Authorization to Commence the Architect Selection Process**

*Project Summary:* The Athletics Department proposes the renovation of the Gymnastics and Softball team area within the McWhorter Center. The McWhorter Center was originally constructed in 1999, and is in need of an upgrade to effectively support the development of student-athletes. The proposed project will renovate Gymnastics and Softball team spaces within the McWhorter Center to allow these programs to compete nationally at the highest level.

It is anticipated this renovation project would be financed by the Athletics Department through a combination of bonds and gifts.

*Requested Action:* It is requested that the Board of Trustees adopt a resolution to approve the initiation of the McWhorter Center Gymnastics & Softball Team Area Renovation project and to authorize commencement of the architect selection process.

*Previous Approval(s):* None.

9. **Authority to Sell University Land in Montgomery, Alabama**

*Project Summary:* Auburn University at Montgomery (AUM) requests authority to sell a parcel of land that had previously been gifted to the University. This proposal involves a 5.59 acre site located on US Hwy 331. AUM has determined that this parcel will not be used for any strategic need and has recommended the sale of this parcel. As approved by the Board of Trustees in February, 2021, Auburn University hired a broker to market this site and solicit acceptable offers to purchase at fair market value. Since that time, the university has received an offer that exceeds the MAI appraisal of the property.
Requested Action: It is requested that the Board of Trustees approve and accept the offer to purchase the property at US Hwy 331, Montgomery, Alabama, and authorize the sale of the parcel consistent with Alabama law, provided that any sale transactions must be reviewed and approved by the Office of General Counsel prior to closing.

Previous Approval(s): At its previous meeting on February 5, 2021, the Board of Trustees adopted a resolution authorizing engagement to a duly licensed real estate broker to market and solicit offers for the parcel listed above.

10. Status Updates – For Information Only

Time will be allocated for discussion of the following information items:

a. Current Status of New Construction/Renovation/Infrastructure Projects with Budgets of $1,000,000 and Greater

Consistent with standing practice, it is proposed that the current status report of new construction/renovation/infrastructure projects with budgets greater than $1,000,000 be submitted, for information only, to the Board of Trustees through the Property and Facilities Committee.

b. Quarterly Report for Projects Costing More than $500,000 but Less than $1,000,000 – 3rd Quarter, Fiscal Year 2021

Consistent with standing practice, all projects with a total cost in the range of $500,000 to $1,000,000 be reported quarterly, for information only, to the Board of Trustees through the Property and Facilities Committee.

c. Project Status Report

It is proposed that a brief report regarding the status of Board of Trustees approved capital projects be submitted, for information only, to the Board of Trustees through the Property and Facilities Committee.

B. Academic Affairs Committee

1. Proposed Closure of the Bachelor of Science in Food Science

The Department of Poultry Science in the College of Agriculture is proposing the closure of the Bachelor of Science in Food Science. Student enrollment has not met the program’s projections, and the program did not satisfy its ACHE or college-level post-implementation criteria. No new students will be admitted next year, and those students currently enrolled will be allowed to complete their degrees in accordance with the program’s teach-out plan.
2. **Proposed Doctor of Physical Therapy**

The School of Kinesiology is proposing a new Doctor of Physical Therapy (DPT) to provide the academic and clinical education required for licensed physical therapists. The degree addresses the growing workforce demand for physical therapists capable of treating individuals of all ages and health conditions, including mobility issues and chronic illnesses. Once approved by the Board of Trustees and accredited by the Commission on Accreditation in Physical Therapy, the school plans to add a DPT bridge program that will extend the DPT to licensed and working physical therapy assistants who desire to become fully licensed physical therapists.

3. **Agenda Item for the Board of Trustees – For Information Only**

Time will be allocated for discussion of the following information items:

**Graduate Certificate Renaming:**

- Renaming of the *Vocational Forensic Rehabilitation Certificate* as the *Vocational Evaluation Forensic Certificate*; Department of Special Education, Rehabilitation, and Counseling; College of Education

**New Graduate Certificates:**

- *Undergraduate Certificate in Financial Planning*, Department of Consumer and Design Sciences, College of Human Sciences
- *Undergraduate Certificate in Speech, Language and Hearing Sciences*; Department of Speech, Language and Hearing Sciences; College of Liberal Arts
- *Graduate Certificate in Global Public Service*; Department of Political Science; College of Liberal Arts

C. **Finance Committee**

1. **Approval of the 2021-2022 Budget**

Time will be allotted for discussion and potential approval of the Auburn University budget for the fiscal year beginning October 1, 2021 and ending September 30, 2022.

D. **Institutional Advancement Committee**

1. **Auburn University Endowment Portfolio Update – For Information Only**

It is proposed that a representative of Prime Buchholz, the investment consultant firm that provides consulting services to the Auburn University Foundation related to the investment
of Auburn’s endowments, present an update to the Institutional Advancement Committee of the Board of Trustees at its September 10, 2021 meeting.

E. Executive Committee

1. Posthumous Awarding of the Bachelor of Science in Aviation Management to Kylie Nicole Murray

A request is before the Board of Trustees to award posthumously the Bachelor of Science in Aviation Management to Ms. Kylie Nicole Murray. Ms. Murray passed away on July 31, 2021 before completing the final semester of coursework required for her degree. As a senior in Aviation Management, Ms. Murray was in good standing and would have graduated in December 2021.

2. Selection of Board Members to the Alumni Lifetime Achievement Awards Committee

A request is before the Board of Trustees to select two board members for a three-year term on the Alumni Lifetime Achievement Awards Committee. The two named board members will serve alongside the current President Pro Tempore of the Board of Trustees. The terms are set to expire on September 1, 2024.

3. Recommendation from the Trustee Task Force

Time will be allotted for discussion of a recommendation from the Trustee Task Force.

4. Proposed Awards and Namings

Time will be allotted for discussion and potential approval of a list of proposed awards and namings.

5. Recognition of Aubie

After earning a record-breaking tenth national championship, it is proposed that the Board of Trustees honor the Aubie Program and its students to congratulate them for this unprecedented accomplishment.
1. Lowder Hall Financial Leadership Collaborative Laboratory Renovation: Final Project Approval (Dan King/Annette Ranft)

3. Duncan Drive Extension and Infrastructure: Approval of Project Initiation and Approval of Architect Selection (Dan King)

4. Transformation Gardens: Approval of Project Initiation and Authorization to Commence the Architect Selection Process (Dan King/Paul Patterson)

6. Plainsman Park Player Development Center – Phase II: Approval of Project Initiation and Authorization to Commence the Architect Selection Process (Dan King/Allen Greene)

8. McWhorter Center Gymnastics and Softball Team Area Renovation: Approval of Project Initiation and Authorization to Commence the Architect Selection Process (Dan King/Allen Greene)

9. Authority to Sell University Land in Montgomery, Alabama (Dan King/Mark Stirling)

10. Authority to Purchase Property in Auburn, Alabama (Dan King/Mark Stirling)

11. Status Updates – For Information Only (Dan King)

   a. Current Status of New Construction/Renovation/Infrastructure Projects with Budgets of $1,000,000 and Greater

   b. Quarterly Report for Projects Costing More than $500,000 but Less than $1,000,000 – 3rd Quarter, Fiscal Year 2021

   c. Project Status Report

Committee Chairperson:  Mr. Mike DeMaioribus
Faculty Representative:  Mr. David Hinson, Auburn University (ex-officio, non-voting)

Please Note: All trustees serve on all committees, with the exception of the Executive Committee.
RESOLUTION

LOWDER HALL FINANCIAL LEADERSHIP COLLABORATIVE LABORATORY RENOVATION

FINAL PROJECT APPROVAL

WHEREAS, at its previous meeting on November 20, 2020, the Board of Trustees adopted a resolution that approved the initiation of the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project, and at its meeting on February 5, 2021, the Board of Trustees adopted a resolution that approved INOX Design Inc., of Marietta, Georgia, as the project architect; and

WHEREAS, the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project will renovate approximately 4,000 square feet of existing interior space located in Lowder Hall; and

WHEREAS, the proposed renovation will create two state-of-the-art laboratories of up to fifty (50) seats each, dedicated to developing the practical skills essential in the financial services industry such as investment banking, asset management, and sales and trading; and

WHEREAS, the estimated total project cost for the Lowder Hall Financial Leadership Collaborative Laboratory Renovation is $3.5 million, to be financed by the Harbert College of Business; and

WHEREAS, pursuant to the Board of Trustees policy “D-3, Capital Projects Approval”, the final approval of the project must be submitted to the Auburn University Board of Trustees through the Property and Facilities Committee.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project is approved, and that Jay Gogue, President, or such other person as may be acting as President, be and the same is hereby authorized and empowered to perform the following tasks:

1. Establish a budget for the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project in the amount of $3.5 million, to be financed by the Harbert College of Business; and

2. Direct the consultants to complete the required plans for the project; and

3. Solicit bids and award a contract for construction conditioned upon the lowest responsible and responsive bid being consistent with the project budget approved above.
This memorandum requests the following proposal be presented to the Board of Trustees through the Property and Facilities Committee and included on the agenda at the meeting scheduled for September 10, 2021.

Proposal:
Consistent with standing policy, it is proposed that the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project be presented to the Board of Trustees through the Property and Facilities Committee for consideration of a resolution that provides final approval of the project. If approved, the resolution would authorize the President to direct Auburn University Facilities Management to solicit bids and award a contract for construction.

Review and Consultation:
At its previous meeting on November 20, 2020, the Board of Trustees adopted a resolution that approved the initiation of the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project, and at its meeting on February 5, 2021, the Board of Trustees approved INOX Design Inc., of Marietta, Georgia, as architect selection for the project.

The project will support the Harbert College of Business, Department of Finance, by providing state-of-the-art laboratories dedicated to developing the practical skills essential in the financial services industry such as investment banking, asset management, and sales and trading.

Over the last several months, the project team has worked with the Harbert College of Business to complete the design for the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project. The project details are provided below:

- Project Location: The Lowder Hall Financial Leadership Collaborative Laboratory Renovation will be in Lowder Hall, located on West Magnolia Avenue.
• **Program Requirements:** The Lowder Hall Financial Leadership Collaborative Laboratory Renovation project will renovate approximately 4,000 square feet of the existing space in Lowder Hall to construct two financial laboratories of up to fifty (50) seats each. The renovation would include new LED lighting, glass walls along corridor, modern floor and wall finishes, new furnishings, and a new electronic scrolling stock ticker display. See Attachment 1 for renderings of the Lowder Hall Financial Leadership Collaborative Laboratory Renovation.

• **Budget:** The estimated total project cost of the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project is $3.5 million, to be financed by the Harbert College of Business.

If you concur, it is proposed that a resolution providing final approval of the Lowder Hall Financial Leadership Collaborative Laboratory Renovation project be presented to the Board of Trustees for consideration at its meeting scheduled for September 10, 2021.

RESOLUTION

HAM WILSON ARENA RENOVATION
CANCELLATION OF PROJECT AND AUTHORIZATION OF DEMOLITION
AND
FACILITIES MANAGEMENT NEW TRAINING CENTER
APPROVAL OF PROJECT INITIATION AND APPROVAL OF ARCHITECT SELECTION

WHEREAS, in 2019, in consultation with the Dean of the College of Agriculture, the Associate Vice President for Facilities Management developed the concept of renovating the Ham Wilson Arena to serve as a training center for Facilities Management; and

WHEREAS, at its previous meeting on April 16, 2021, the Board of Trustees adopted a resolution that provided final project approval for the Ham Wilson Arena Renovation project; and

WHEREAS, since that time, the university has decided the highest and best use for the Ham Wilson Arena site is for future academic or research facilities, with Facilities Management being directed to construct the training facility within its complex on West Samford Avenue; and

WHEREAS, to execute this plan, the previously approved Ham Wilson Renovation project needs to be canceled, and the initiation of a project for Facilities Management to construct a training center within its complex needs to be approved; and

WHEREAS, the University Architect recommends the use of JMR+H Architecture of Montgomery, Alabama, to design the Facilities Management New Training Center, since they had been previously approved as the project architect on the Ham Wilson Renovation project; and

WHEREAS, the Ham Wilson Arena will be demolished; and

WHEREAS, it is anticipated the demolition of the Ham Wilson Arena will be funded by University general funds, and the Facilities Management New Training Center project will be financed by Facilities Management reserve funds; and

WHEREAS, pursuant to the Board of Trustees policy “D-3, Capital Projects Approval”, the initiation of a project and the selection of the architect must be submitted to the Auburn University Board of Trustees through the Property and Facilities Committee.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the Ham Wilson Arena Renovation Project is canceled, the initiation of the Facilities Management New Training Center project is approved, and that Jay Gogue, President, or such other person as may be acting as President, be and the same is hereby authorized and empowered to perform the following tasks:
1. Demolish the Ham Wilson Arena; and

1. Engage JMR+H of Montgomery, Alabama, as project architect to consult in the development of the Facilities Management New Training Center facility program and project design; and

2. Limit the project planning and design development to the schematic design phase until such time as the program requirements, budget, funding plan, and site are approved by the Board.
This memorandum requests the following proposal be presented to the Board of Trustees through the Property and Facilities Committee and included on the agenda at the meeting scheduled for September 10, 2021.

Proposal:
Consistent with standing policy, it is proposed that a resolution be presented to the Board of Trustees through the Property and Facilities Committee for appropriate action that will cancel the previously approved Ham Wilson Arena Renovation project, authorize the demolition of the Ham Wilson Arena, and in its place, approve the initiation of the Facilities Management New Training Center project and authorize the selection of the project architect.

Review and Consultation:
In 2019, in consultation with the Dean of the College of Agriculture, the Associate Vice President for Facilities Management developed the concept of renovating the Ham Wilson Arena to serve as a training center for the Facilities Management and other university staff organizations.

At its previous meeting on February 7, 2020, the Board of Trustees adopted a resolution that approved the initiation of the Ham Wilson Arena Renovation project and the selection of JMR+H Architecture of Montgomery, Alabama, as the project architect. During its meeting on April 16, 2021, the Board of Trustees adopted a resolution that provided final project approval for the Ham Wilson Arena Renovation project.

Since that time, the university has decided the highest and best use for the Ham Wilson Arena site is for future academic or research facilities. Facilities Management has been directed to construct its training facility within the Facilities Management complex on West Samford Avenue.

Based on this direction, it is requested that the Board of Trustees take the following actions:

1. Cancel the Ham Wilson Arena Renovation project and authorize the demolition of the facility in the spring/summer of 2022.
2. Approve the initiation of a project for Facilities Management to construct a new training center. The Facilities Management New Training Center project will include flexible training spaces for use in developing its professional and skilled trades staff.

3. Approve the selection of the firm, JMR+H Architecture, of Montgomery, Alabama, as the architect for the Facilities Management New Training Center project. JMR+H Architecture was the approved architect for the Ham Wilson Arena Renovation project. Their knowledge and expertise will be important in the development of the program for the Facilities Management New Training Center project.

It is anticipated the demolition of the Ham Wilson Arena will be funded by University general funds, and the Facilities Management New Training Center project will be financed by Facilities Management reserve funds.

It is, therefore, appropriate that a resolution be presented to the Board of Trustees for their consideration to cancel the Ham Wilson Arena Renovation project and authorize its demolition in the spring/summer of 2022, and to approve both the initiation of the Facilities Management New Training Center project and the selection of JMR+H Architecture of Montgomery, Alabama, as the project architect. If you concur, it is recommended the resolution be presented to the Board of Trustees, through the Property and Facilities Committee, for appropriate review and action at the meeting scheduled for September 10, 2021.
RESOLUTION

DUNCAN DRIVE EXTENSION AND INFRASTRUCTURE

APPROVAL OF PROJECT INITIATION AND APPROVAL OF ARCHITECT SELECTION

WHEREAS, the Duncan Drive Extension & Infrastructure project is proposed in support of the campus road system and the College of Agriculture’s Transformation Gardens project; and

WHEREAS, the project would construct a two-lane campus road that extends Duncan Drive from Lem Morrison Drive to Woodfield Drive and include bicycle lanes, sidewalks and street lighting, as well as overhead power, storm sewer, and domestic water lines; and

WHEREAS, the project would execute site grading, stormwater management and the installation of utilities infrastructure (sanitary sewer, gas, water, electrical) for the adjacent Transformation Gardens, a teaching and outreach space planned by the College of Agriculture; and

WHEREAS, the project would also install a community greenway path that will connect the Davis Arboretum and Gogue Performing Arts Center to the Transformation Gardens and allow for future connections to the Jule Collins Smith Museum and the City of Auburn Town Creek Park; and

WHEREAS, this project would result in numerous benefits to the Auburn University campus including improved traffic flow, increased redundancy of utility systems, establishing an eastern edge to the Hayfields area of campus to aid in future research or academic building development, and facilitating the creation of the Transformation Gardens; and

WHEREAS, the University Architect recommends the use of LBYD Engineers of Birmingham, Alabama, to design the Duncan Drive Extension & Infrastructure project; and

WHEREAS, it is anticipated that this project will be financed by University General Funds and constructed during the first half of 2022; and

WHEREAS, pursuant to the Board of Trustees policy, “D-3, Capital Projects Approval”, the initiation of this project must be submitted to the Auburn University Board of Trustees, through the Property and Facilities Committee for approval.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the initiation of the Duncan Drive Extension & Infrastructure project is approved; and Jay Gogue, President, or such other person as may be acting as President, be and the same is hereby authorized and empowered to perform the following tasks:

1. Engage LBYD Engineers of Birmingham, Alabama as architect to consult in the development of the facility program and project design; and

2. Limit the project planning and design development to the schematic design phase until such time as the program requirements, budget, funding plan, and site are approved by the Board.
This memorandum requests the following proposal be presented to the Board of Trustees through the Property and Facilities Committee and included on the agenda at the meeting scheduled for September 10, 2021.

Proposal:
Consistent with standing policy, it is proposed that the Duncan Drive Extension & Infrastructure project be presented to the Board of Trustees through the Property and Facilities Committee for appropriate action that will approve the initiation of the project and authorize the selection of the project architect.

Review and Consultation:
The Duncan Drive Extension & Infrastructure project is proposed in support of the campus road system and the College of Agriculture’s Transformation Gardens project. The proposed project would accomplish the following:

1. Construct a two-lane campus road that extends Duncan Drive from Lem Morrison Drive to Woodfield Drive. This road will include bicycle lanes, sidewalks and street lighting, as well as overhead power, storm sewer, and domestic water lines. See Attachment 1.

2. Execute site grading, stormwater management and the installation of utilities infrastructure (sanitary sewer, gas, water, electrical) for the adjacent Transformation Gardens, a teaching and outreach space planned by the College of Agriculture. See Attachment 2.

3. Install a community greenway path that will connect the Davis Arboretum and Gogue Performing Arts Center to the Transformation Gardens and allow for future connections to the Jule Collins Smith Museum and the City of Auburn Town Creek Park.

This project would result in numerous benefits to the Auburn University campus. It would improve the traffic flow of the campus, particularly on Gamedays and days when the Gogue Performing Arts Center has events, by providing a direct connection between Lem Morrison Drive and South College Street without traffic having to access South Donahue Drive. It would provide backup water and power feeds to the Gogue Performing Arts Center and the Jule Collins Museum. It would create a “eastern edge” of the Hayfields area of campus for future research or academic building development. And finally, it will expedite creation of the College of Agriculture’s Transformation Gardens by providing the necessary infrastructure for its subsequent development.
To facilitate an accelerated design process, the University Architect recommends the approval of the firm, LBYD Engineers of Birmingham, Alabama, as the engineer for the project. LBYD Engineers has designed several Auburn University facilities and infrastructure projects in recent years and has worked on the initial planning efforts for this project. Their expertise in major infrastructure projects will be highly valuable in the development of the program for this project.

The preliminary cost target for this project is approximately $4.1 million. It is anticipated that the Duncan Drive Extension & Infrastructure project would be financed by University General Funds and constructed during the first half of 2022.

It is, therefore, appropriate that a resolution be presented to the Board of Trustees for their consideration to approve the initiation of the Duncan Drive Extension & Infrastructure Project and the selection of LBYD Engineers of Birmingham, Alabama, as the project engineer. If you concur, it is recommended the resolution be presented to the Board of Trustees, through the Property and Facilities Committee, for appropriate review and action at the meeting scheduled for September 10, 2021.

TRANSFORMATION GARDENS

APPROVAL OF PROJECT INITIATION AND
AUTHORIZATION TO COMMENCE THE ARCHITECT SELECTION PROCESS

WHEREAS, the College of Agriculture has proposed the construction of the Transformation Gardens, a new space on campus that will provide new teaching, research and outreach opportunities benefiting both students and the general public; and

WHEREAS, the Transformation Gardens will be a 16-acre garden that will encompass every aspect of plant-based agriculture, and is intended to be a high-tech facility where students gain hands-on experience with the latest industry practices, as well as a place where research faculty tackle the key challenges of the agricultural industry; and

WHEREAS, elements of the Transformation Gardens will serve as both a teaching space as well as production facilities for Auburn’s Campus Dining program, and will include two vertical container farms to be managed and maintained by students training to work in the growing high-tech industries of hydroponic and urban farming; and

WHEREAS, the Transformation Gardens will also be the site of trial tests for a variety of commercially sold plants, and other research will focus on irrigation methods and technologies, fruit and vegetable gardening, and medicinal plants; and

WHEREAS, the Transformation Gardens will be developed in numerous phases over the next several years by the College of Agriculture, and it is anticipated that this facility would be financed by gift funds to the College of Agriculture; and

WHEREAS, pursuant to the Board of Trustees policy, “D-3, Capital Projects Approval”, the initiation of this project must be submitted to the Auburn University Board of Trustees, through the Property and Facilities Committee for approval.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the initiation of the Transformation Gardens project is approved; and Jay Gogue, President, or such other person as may be acting as President, be and the same is hereby authorized and empowered to commence the project architect selection process.
This memorandum requests the following proposal be presented to the Board of Trustees through the Property and Facilities Committee and included on the agenda at the meeting scheduled for September 10, 2021.

Proposal:
Consistent with standing policy, it is proposed that the Transformation Gardens project be presented to the Board of Trustees through the Property and Facilities Committee for appropriate action that will approve the initiation of the project and authorize the commencement of the architect selection process.

Review and Consultation:
The College of Agriculture has proposed the construction and development of the Transformation Gardens, a 16-acre garden that will encompass every aspect of plant-based agriculture. The Transformation Gardens is intended to be a facility where students gain hands-on experience with the latest industry practices, and a place where research faculty tackle the key challenges of the agricultural industry.

Elements of the Transformation Gardens will serve as both a teaching space as well as production facilities for Auburn’s Campus Dining program. It will feature two vertical container farms, which will produce a variety of fresh produce year-round for campus dining facilities and will be managed and maintained by students training to work in the growing high-tech industries of hydroponic and urban farming. The Transformation Gardens will also be the site of trial tests for a variety of commercially sold plants. Other research at the Transformation Gardens will focus on irrigation methods and technologies, fruit and vegetable gardening, and medicinal plants.

This project will enhance the teaching and outreach efforts within the College of Agriculture benefitting both students and the general public.

The Transformation Gardens will be developed in numerous phases over the next several years by the College of Agriculture. It is anticipated that this facility would be financed by gift funds to the College of Agriculture.
If you concur, it is proposed that a resolution initiating the Transformation Gardens project and authorizing the commencement of the project architect selection process be presented to the Board of Trustees for approval at the meeting scheduled for September 10, 2021.

WHEREAS, the current program operates out of temporary facilities which are inadequate to support future growth of this important research program; and

WHEREAS, the proposed project will allow this program to bring their facilities up to modern standards and to grow the research capabilities to match increased new grant funding opportunities; and

WHEREAS, it is anticipated that this facility would be financed by College of Veterinary Medicine funds; and

WHEREAS, pursuant to the Board of Trustees policy, “D-3, Capital Projects Approval”, the initiation of this project must be submitted to the Auburn University Board of Trustees, through the Property and Facilities Committee for approval.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the initiation of the North Auburn Equine Research Facility-Addition project is approved; and Jay Gogue, President, or such other person as may be acting as President, be and the same is hereby authorized and empowered to commence the project architect selection process.
This memorandum requests the following proposal be presented to the Board of Trustees through the Property and Facilities Committee and included on the agenda at the meeting scheduled for September 10, 2021.

Proposal:

Consistent with standing policy, it is proposed that the North Auburn Equine Research Facility-Addition project be presented to the Board of Trustees through the Property and Facilities Committee for appropriate action that will approve the initiation of the project and authorize the commencement of the architect selection process.

Review and Consultation:

The College of Veterinary Medicine has proposed the construction of a new addition to the North Auburn Equine Research Facility to support the federally-funded research program in North Auburn. The current program operates out of temporary facilities which are inadequate to support future growth of this important research program. The proposed project will allow this program to bring their facilities up to modern standards and to grow the research capabilities to match increased new grant funding opportunities.

It is anticipated that this facility would be financed by College of Veterinary Medicine funds.

If you concur, it is proposed that a resolution initiating the North Auburn Equine Research Facility-Addition project and authorizing the commencement of the project architect selection process be presented to the Board of Trustees for approval at the meeting scheduled for September 10, 2021.

RESOLUTION

AUTHORITY TO SELL UNIVERSITY LAND IN MONTGOMERY, ALABAMA

WHEREAS, Auburn University owns property in Montgomery, Alabama, for the benefit of Auburn University at Montgomery, to support its academic, research and related educational activities; and

WHEREAS, the Montgomery real estate holdings include a parcel of property on Hwy 331 (depicted in Exhibit 1); and

WHEREAS, neither Auburn University nor Auburn University at Montgomery currently utilizes this parcel or intends to do so in the foreseeable future; and

WHEREAS, selling this parcel would generate revenue and other benefits that could support the capital needs of Auburn University at Montgomery, including development of an academic and research center on its campus; and

WHEREAS, Alabama law permits the University to offer real property for sale by listing it with a duly licensed real estate broker, provided that the institution determines that this procedure is economically justified and in the best interest of the University; and

WHEREAS, the University hired a real estate broker to market these sites, as approved by the Auburn University Board of Trustees at its February 2021 meeting; and

WHEREAS, Auburn University has received an offer to purchase the property that is higher than the MAI appraisal of the value of the property.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that:

1. Auburn University accept the offer to purchase the property at Hwy 331, Montgomery, Alabama; and

2. Jay Gogue, President, or such person as may be acting as President, or his designee, is hereby authorized and empowered to sell the parcel described above, consistent with Alabama law, provided that any proposed sale transactions must be reviewed and approved by the Office of General Counsel prior to closing.

AUTHORITY TO SELL UNIVERSITY LAND IN MONTGOMERY, ALABAMA

DATE: AUGUST 11, 2021

This memorandum is to request that the following item be presented to the Board of Trustees, through the Property and Facilities Committee, and be included on the agenda of the meeting scheduled for September 10, 2021.

Proposal:

It is proposed that Board of Trustees authorize the President or designee to sell certain University property in Montgomery, Alabama.

Review and Consultation:

This proposal involves one parcel owned by the University in Montgomery, Alabama. This parcel is a 5.59 acre site located on US Hwy 331 (depicted in Exhibit 1).

Board of Trustee Policy D-8 allows for consideration of the sale of University property when use of such property is no longer required to carry out the mission of the University. Auburn University at Montgomery has determined that this parcel will not be used for any strategic need and, accordingly, it has recommended the sale of this parcel. The revenue from the sale would be devoted to AUM needs, including redevelopment of the Alabama State Health Department Building as an academic research facility.

Under Alabama law, the University may offer real property for sale by listing it with a duly licensed real estate broker, if the institution determines that this procedure is economically justified and in the best interest of the University. As approved by the Board of Trustees in February, AU hired a broker to market this site and solicit acceptable offers to purchase at fair market value. AU has received an offer on the Highway 331 site that exceeds the MAI appraisal of the property.

Therefore, it is recommended that the President be authorized to sell the property described herein. All documents for proposed sale transaction will be reviewed and approved by the Office of General Counsel prior to closing. If you concur, it is requested that you recommend this proposal to the Board of Trustees through the Property & Facilities Committee for action.

RESOLUTION

AUTHORITY TO PURCHASE PROPERTY IN AUBURN, ALABAMA

WHEREAS, Auburn University has an opportunity to purchase property consisting of 0.74 acres at 842 South College Street, Auburn, Alabama, which is located at the northwest corner of the intersection of South College Street and Woodfield Drive (See Exhibit 1); and

WHEREAS, this acquisition will allow the University to control one side of the intersection, which will allow for road widening, turn lanes, and improved aesthetics at a major entrance point to campus; and

WHEREAS, the University thus wishes to acquire this property for the benefit of the institution; and

WHEREAS, the property will be transferred by general warranty deed; and

WHEREAS, the purchase price does not exceed the MAI appraisal of the property; and

WHEREAS, the University has acquired an option to purchase the property, subject to approval by the Board of Trustees.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the proposed acquisition of property located at 842 South College Street in Auburn, Alabama, is hereby approved.

BE IT FURTHER RESOLVED that Jay Gogue, President, or such person as may be acting as President, or his designee, is hereby authorized and empowered to purchase the property described above, consistent with Alabama law, provided that the transaction documents be reviewed and approved by the Office of General Counsel prior to closing.
Exhibit 1
842 South College Street
[Attached]
This memorandum is to request that the following item be presented to the Board of Trustees, through the Property and Facilities Committee, and be included on the agenda of the meeting scheduled for September 10, 2021.

Proposal:

It is proposed that Board of Trustees authorize the President or designee to purchase certain property in Auburn, Alabama.

Review and Consultation:

This proposal involves a 0.74-acre parcel owned by the estate of John Mullins in Auburn, Alabama. The parcel is located at 842 South College Street, on the northwest corner of the intersection of South College Street and Woodfield Drive (See Exhibit 1). The parcel is across Woodfield Drive from the Gogue Performing Arts Center. The acquisition would allow the University to control one side of the intersection, which will become an increasingly important entrance to campus, particularly when the Duncan Drive Extension project is completed. Owning this property at the intersection also will allow for road widening, turn lanes, and improved aesthetics at a major entrance point to campus. This acquisition was recommended and approved by the Associate Vice President of Facilities, Chief Financial Officer, Executive Vice President, and President.

Board of Trustees Policy D-10 allows for consideration of the acquisition of property for use by the University. Auburn University has determined that this parcel is a strategic and important acquisition given its location and potential supporting uses. Acquisition of the property will be by general warranty deed and the purchase price does not exceed the MAI appraisal of the property.

Therefore, it is recommended that the President be authorized to purchase the property described herein. All documents for proposed purchase transaction will be reviewed and approved by the Office of General Counsel prior to closing. If you concur, it is requested that you recommend this proposal to the Board of Trustees through the Property & Facilities Committee for action.

CURRENT STATUS OF NEW CONSTRUCTION/RENOVATION/INFRASTRUCTURE PROJECTS WITH BUDGETS OF $1,000,000 AND GREATER
(INFORMATION ONLY)

DATE: AUGUST 11, 2021

This is to request that the following proposal be submitted to the Property and Facilities Committee and included on the agenda of the Board of Trustees meeting scheduled for September 10, 2021.

Proposal:
Consistent with standing practice, it is proposed that the current status report of new construction/renovation/infrastructure projects with budgets greater than $1,000,000 be submitted, for information only, to the Board of Trustees through the Property and Facilities Committee.

Review and Consultation:
The Board of Trustees at its meeting on June 4, 2001, requested that it receive a regular update on the financial status of Board approved projects. The attached list includes projects at Auburn University and outlying units.

Rationale for Recommendation:
Consistent with the request of the Board of Trustees for a current status report of new construction/renovation/infrastructure projects with budgets greater than $1,000,000, the attached listing is provided, for information only, to the Board through the Property and Facilities Committee for inclusion on the agenda of the meeting scheduled for September 10, 2021.

SUBJECT: PROPERTY AND FACILITIES COMMITTEE

QUARTERLY REPORT FOR PROJECTS COSTING MORE THAN $500,000 BUT LESS THAN $1,000,000 – 3rd QTR FISCAL YEAR 2021 (For Information Only)

DATE: AUGUST 11, 2021

This memorandum requests the following proposal be presented to the Board of Trustees through the Property and Facilities Committee and included on the agenda of the meeting scheduled for September 10, 2021.

Proposal:
The Board of Trustees, at its meeting on April 11, 2014, adopted a resolution stipulating that all projects with a total cost in the range of $500,000 to $1,000,000 be reported quarterly. The intent of this report is to keep the Property and Facilities Committee informed of those projects as they are occurring on campus. Consistent with standing policy, it is proposed that this report be submitted for information only.

Review and Consultation:
Projects initiated in the 3rd Quarter of Fiscal Year 2021 and costing more than $500,000 but less than $1,000,000 are listed in the following table.

Rationale for Recommendation:
Consistent with standing policy, this report is submitted to the Board of Trustees through the Property and Facilities Committee for information at the meeting scheduled for September 10, 2021.
This memorandum requests the following information be presented to the Board of Trustees through the Property and Facilities Committee and included on the agenda at the meeting scheduled for September 10, 2021.

Proposal:

It is proposed that a brief report regarding the status of Board of Trustees approved capital projects be submitted, for information only, to the Board of Trustees through the Property and Facilities Committee.

Review and Consultation:

The responsibility of the Board of Trustees extends to the oversight of funding, planning, design, construction, maintenance and operation of University buildings and facilities. Since a project can often take several years to execute, as it progresses through the planning, initiation, design, and construction phases of the project, this report is intended to continually inform the Board of Trustees of the status of previously approved projects.

RESOLUTION

PROPOSED CLOSURE OF THE BACHELOR OF SCIENCE IN FOOD SCIENCE

WHEREAS, in 2015, the College of Agriculture established an undergraduate degree program leading to the Bachelor of Science in Food Science that provides a formal plan of study in the development of food processing, analysis, engineering, and safety; and

WHEREAS, in spring 2021, faculty in the College elected to discontinue the program due to low levels of student enrollment and the inability to meet post-implementation requirements established by both Auburn University and the Alabama Commission on Higher Education; and

WHEREAS, the College has developed an appropriate teach-out plan for students currently enrolled in the program that enables them to complete their degrees; and

WHEREAS, the proposal to close the Bachelor of Science in Food Science, effective January 1, 2022, has been approved by the Dean of the College of Agriculture, the University Curriculum Committee, the Academic Program Review Committee, the Provost, and the President.

NOW, THEREFORE, BE IT RESOLVED by Auburn University’s Board of Trustees that the proposed closure of the Bachelor of Science in Food Science be approved and reported to the Alabama Commission on Higher Education for review and approval and that the closure be submitted to the Southern Association of Colleges and Schools Commission on Colleges as a proposed substantive change requiring the approval of that body.

SUBJECT:  Agenda Item for the Board of Trustees – Proposed Closure of the Bachelor of Science in Food Science
DATE:  August 9, 2021

I am writing to request that the following item be added to the Board of Trustees’ agenda for the September 10, 2021 meeting.

Proposal: Following a careful review, faculty in the College of Agriculture are recommending the closure of the Bachelor of Science in Food Science, effective January 1, 2022.

Review and Consultation: The Department of Poultry Science has proposed the closure of the Bachelor of Science degree in Food Science. Established in 2015, the program provided an interdisciplinary option for students seeking a formal plan of study in the development of food processing, analysis, engineering, and safety. The degree was created to train professionals in strategic areas of food manufacturing and production and serve as an essential resource for food-related initiatives on campus, such as food safety and detection, the food systems institute, and health sciences. However, student enrollment has not met the program’s projections, and the program did not satisfy its post-implementation conditions of averaging at least seven graduates per year for the period 2016-2017 to 2020-2021. Therefore, the department has recommended the program’s closure and has subsequently developed an approved teach-out plan. The program will cease admitting students next year and will permit the 20 students currently enrolled to complete the degree program per the prepared teach-out plan.

Recommendation: I recommend that the Board of Trustees approve the proposal to close the Bachelor of Science in Food Science, effective January 1, 2022. Following Board approval, I recommend these actions be submitted to the Alabama Commission on Higher Education for review and approval and submitted to the Southern Association of Colleges and Schools Commission on Colleges as a proposed substantive change requiring the approval of that body.

Subject: Closure of BS in Food Science

We request to close the BS in Food Science program and that the closure be added to the AU Board of Trustees' agenda for its September 2021 meeting. Due to low enrollment, the department has requested to close this program. I support this request.

Closure of the BS in Food Science
The College of Agriculture requests the closure of the BS in Food Science. At the time of its creation, the major was transitioned from an option within the BS in Poultry Science to a stand-alone Food Science major. It was anticipated that this change would attract more students to the major and that enrollments would increase. Unfortunately, actual student enrollment did not meet the projection, and the program did not satisfy its post-implementation conditions of averaging at least seven graduates per year for the period 2016-2017 to 2020-2021.

The request to close this program has been approved by the Academic Program Review Committee. Upon AU Board of Trustee approval, the closure request will be forwarded to SACSCOC for approval.

Teach Out Plan
If approved, the BS in Food Science program will stop admitting students on January 1, 2022 which will be the official 'closure' date. Currently, there are 20 students enrolled in the program. These students along with any incoming freshmen (Fall 2021) will be allowed to complete the degree program according to the prepared teach-out plan.
TEACH OUT PLAN BACHELOR OF SCIENCE IN FOOD SCIENCE

COLLEGE OF AGRICULTURE

AUBURN UNIVERSITY

The College of Agriculture will commence a teach-out plan to close the BS in Food Science (FCSI) degree program. The CIP Code is 01.1001. The program is closing due to low enrollment.

Date of Closure

The Food Science, BS will stop admitting students on January 1st, 2022 which will be the official ‘closure’. As noted in this document, all current students (and incoming students beginning the program in Fall 2021) will have the opportunity to complete the program.

Explanation of how affected parties (students, faculty, staff) will be informed of the impending closure.

In Spring 2021, students currently in the program were contacted by email and asked to attend a meeting with the associate dean, department head, undergraduate program coordinator, director of advising, and academic advisor. The students were told about the intent to close the program and the rationale. Students then met individually with their academic advisor to review their individualized plan of study for completing their degree program. They were provided information about how to continue in the program through graduation according to the teach-out plan. Students were also given guidance on opportunities to change to another major. Students accepted to the program for Fall 2021 (incoming Freshmen) were also contacted by mail and told about the program closure. These students will receive individual advising during Camp War Eagle.

The department head, food science faculty, and affiliate faculty (poultry science, animal science, biosystems engineering) were involved in discussions related to the future of the food science program. Once it became clear that the program would not meet the post-implementation requirements set forth by our state-governing entity, the Alabama Commission on Higher Education, the decision was made to close the program. The director of advising in the College of Agriculture and the specific academic advisor for the major were also informed of the planned program closure.

Explanation of how all affected students will be helped to complete their programs of study with minimal disruption.

Students currently enrolled in the Food Science program will be able to complete their FSCI degree requirements with minimal disruption. A table is included that guides students through the remainder of their major and supporting coursework options by semester.

The last cohort of admitted students into the Food Science program will enter in Fall 2021. Admissions will cease beginning in Spring 2022. All FSCI majors are strongly encouraged to carefully follow the teach-out plan for their cohort, which is organized by graduation semester. This includes planning for the necessary pre-requisite courses that will keep them on track. The Food Science, BS is an Institute of Food Technologists (IFT) approved program. Thus, the teach-out plan ensures that students follow the curriculum that is aligned with this IFT designation.
If a student fails a required pre-requisite course or a FSCI course this could have a negative impact on their graduation timeline. The department will work with students in this situation on an individual basis to find an appropriate pathway to graduation that upholds the academic standards and IFT approvals. This could potentially include a course substitution, independent study, and/or prerequisite waiver. All students will also have the option to change majors and can work with their academic advisor to learn how a change could affect their graduation timeline.

Mrs. Codi Plaster will continue to serve as the academic advisor and will work with each student to create an individualized completion plan. All students will continue to receive support and services through the College of Agriculture. Dr. Tungshi Huang (Professor in the Department of Poultry Science) will continue to serve as the undergraduate program coordinator for this major until his retirement at which time, Dr. Jessica Starkey (Associate Professor in the Department of Poultry Science) will assume this role.

While the undergraduate (B.S.) Food Science major will be closed, the M.Ag., M.S., and Ph.D. programs in Food Science will remain active. Likewise, selected, critical Food Science courses will continue to be offered for undergraduate and graduate students in the College of Agriculture and other colleges.

**An indication as to whether the teach-out plan will incur additional charges/expenses to the students and, of so, how will the students be notified.**

The teach-out plan will not incur any additional charges/expenses to the students.

**Signed copies of teach-out agreements with other institutions, if any.**

There are no signed agreements with other institutions.

**How faculty and staff will be redeployed or helped to find new employment.**

All faculty involved in the Food Science Program will be retained in their current home departments of either Poultry Science (home of Food Science) or Biosystems Engineering.

**If closing an institution, arrangements for the storing of student records, disposition of financial resources and other assets.**

Auburn University is not closing.
Required Food Science courses and semester of enrollment for students by cohort. Individual plans for some students may vary slightly from the cohort. Bolded courses indicated IFT required courses.

PROPOSED DOCTOR OF PHYSICAL THERAPY

WHEREAS, the School of Kinesiology in the College of Education currently offers academic programs that prepare students for advanced study in the field of physical therapy; and

WHEREAS, the School of Kinesiology does not currently offer a Doctor of Physical Therapy (DPT) program, leading many Auburn graduates to seek professional programs of study at other institutions; and

WHEREAS, the School of Kinesiology has demonstrated the capacity to deliver high quality professional education programs designed to provide the didactic and clinical education required for entry into the professional practice of physical therapy; and

WHEREAS, the School of Kinesiology proposes a new degree program, the Doctor of Physical Therapy, that will provide students with advanced knowledge and practice in delivering direct patient care to individuals experiencing disorders of movement, including mechanical, physiological, and developmental impairments and functional limitations; and

WHEREAS, upon approval by the Board of Trustees and accreditation by the Commission on Accreditation in Physical Therapy, the School of Kinesiology plans to add a DPT Bridge program that will extend the DPT to licensed and working physical therapy assistants seeking a pathway to becoming licensed physical therapists; and

WHEREAS, the proposed degree will address the growing workforce demand for licensed physical therapists capable of treating individuals of all ages, including those with adverse health conditions, mobility issues, and chronic illnesses; and

WHEREAS, the proposed degree program will require additional resources for start-up and implementation, to be funded by the College of Education and the university’s Mission Enhancement Fund; and

WHEREAS, the request to create this degree has been endorsed by the Dean of the College of Education, the Graduate Council, the Provost, and the President.

NOW, THEREFORE, BE IT RESOLVED by Auburn University’s Board of Trustees that the proposed Doctor of Physical Therapy be approved and submitted to the Alabama Commission on Higher Education for review and approval.

SUBJECT: Agenda Item for the Board of Trustees – Proposed Doctor of Physical Therapy

DATE: August 9, 2021

I am writing to request that the following item be added to the Board of Trustees’ agenda for the September 10, 2021 meeting.

Proposal: The School of Kinesiology in the College of Education is proposing a new Doctor of Physical Therapy (DPT) program (CIP 51.238).

Review and Consultation: Faculty in the School of Kinesiology are proposing the establishment of a new Doctor of Physical Therapy degree to provide the didactic and clinical education required for entry into the professional practice of physical therapy. Establishing a DPT program addresses a growing workforce demand for physical therapists capable of treating individuals of all ages, including those with adverse health conditions, mobility issues, and chronic illnesses. Following approval by the Board of Trustees and accreditation by the Commission on Accreditation in Physical Therapy (CAPT), the School of Kinesiology plans to add a DPT Bridge program. Once approved, the Bridge program will extend the DPT to licensed and working physical therapy assistants seeking a pathway to becoming licensed physical therapists. It is anticipated that the 126-hour, three-year program will enroll approximately 40 students annually, leading to a steady enrollment of around 120 students at full implementation. Upon their graduation, we know that many of the school’s exercise science graduates seek DPT programs at peer institutions. This factor strongly suggests that most of Auburn’s DPT cohorts will be comprised of Exercise Science graduates. In addition to DPT enrollment, the Bridge program will add a significant number of students, possibly doubling the program’s size.

If approved, Auburn University would be among a handful of institutions in Alabama to offer such a program. Currently, only three universities in the state offer accredited DPT programs. Despite the significant demand for acceptance at these institutions, enrollment limits indicate a substantial unmet demand exists across the state. In addition, there are currently no DPT Bridge programs in Alabama and only two in the United States. Therefore, offering a Bridge program would serve physical therapy assistants in Alabama and across the southeastern United States.
To establish the program, the School of Kinesiology anticipates resource requirements for both start-up and full implementation. Start-up costs include the renovation and repurposing of existing space for classrooms, labs, and personnel, including hiring administrative and faculty positions to meet initial accreditation standards. Start-up costs are estimated to be approximately $5 million. The College of Education will provide approximately half of these funds, with the other half advanced from the university's Mission Enhancement Fund. At full implementation, the School estimates that the program will require 8-10 faculty, 3-4 new instructors, a clinical coordinator, an admissions specialist, and operational funds for those expenditures associated with a clinically-based program. Tuition revenues will support these costs since DPT programs rarely offer assistantships and therefore waive little tuition.

**Recommendation:** It is recommended that the Board approve the proposed Doctor of Physical Therapy. Auburn University’s Graduate Council reviewed and approved the proposed degree in Spring 2021, and it has been approved by the College of Education and the Provost’s Office. If approved by the Auburn University Board of Trustees, the proposed degree will be forwarded to the Alabama Commission on Higher Education for review and approval.

SUBJECT: Proposed Doctor of Physical Therapy Approval Request

We request that the following proposal be added to the Board of Trustees' agenda for their September 10, 2021 meeting.

Program Description:
The School of Kinesiology in the College of Education is requesting approval for a doctoral-level degree program in Physical Therapy (DPT). The DPT program (CIP 51.238) is a three-calendar-year, 126-hour program that provides the didactic and clinical education required for entry into the practice of physical therapy. Upon degree accreditation by the Commission on Accreditation in Physical Therapy (CAPT), the School plans to add a DPT Bridge program. The Bridge program will extend the DPT to currently licensed and working physical therapy assistants who seek a pathway to becoming licensed physical therapists.

Justification for Program:
There is a high demand for physical therapists in the workforce. According to the Bureau of Labor Statistics, employment of physical therapists is expected to grow by 18% from 2019 to 2029, much faster than the average for all occupations. With the need of physical therapists serving all ages, from infancy to elderly, the demand for these professionals over the next decade will increase substantially. Aging baby boomers, who are not only staying active later in life, but are more susceptible to health conditions, such as strokes, may require physical therapy. In addition, physical therapists will be needed to treat people with mobility issues stemming from chronic conditions, such as diabetes and obesity. Providing physical therapy services for our military servicemen/women who have experienced injuries during training and battle is also a significant need.
Need for the Program in the State of Alabama:
There is demand for both the DPT program and the Bridge program in the state. Currently, only four universities in Alabama offer accredited DPT programs (Samford University, University of Alabama at Birmingham, Alabama State University, and University of South Alabama). An additional institution (Faulkner University) is currently seeking accreditation. Each of these programs experiences large numbers of DPT applicants for a capped number of acceptances, indicating strong unmet demand across the state. Further, there are no DPT Bridge programs in Alabama and only two in the United States (located in Ohio and Texas). Offering a Bridge program can therefore serve physical therapy assistants located in the state and across the southeastern United States. It should be noted that there are currently eight physical therapy assistant programs in Alabama, one of which is located at Southern Union. Establishing a DPT program will provide opportunities for increased statewide collaborations to serve all Alabamians.

Employment Opportunities:
According to the Bureau of Labor Statistics, employment of physical therapists is in high demand. While many physical therapists work in the context of hospitals, more than 80 percent work in other settings including private practice. The American Physical Therapy Association outlines some of the more common career options for physical therapists:

- Outpatient clinics or private practices
- Sports, fitness, and wellness centers
- Occupational or workplace environments
- Home health care and Hospice
- Rehabilitation hospitals
- Sub-acute rehabilitation facilities
- Extended care centers, nursing homes and skilled nursing facilities
- Government facilities for civilians and military personnel
- Educational settings such as preschools and vocational schools
- Research facilities

Student Demand/Enrollment Projections:
We anticipate annual DPT enrollment of approximately 40 students, leading to a steady state enrollment of approximately 120 students at full implementation. These projections are based on factors such as marketplace demand, robust enrollment in other state programs, and undergraduate trends in the School of Kinesiology. Regarding the latter, the School enrolls over 500 students in Exercise Science and graduated over 170 in the most recent academic year. Most of these students will pursue additional graduate study in applied health fields, with a significant majority pursuing career goals in physical therapy. When asked if they would enroll in Auburn’s DPT program if available, almost all graduates who pursued DPT programs elsewhere answered affirmatively. We are confident that we could fill the majority of each DPT class with Auburn Exercise Science and College of Science and Mathematics graduates. In addition to DPT enrollment, the DPT Bridge will add significant numbers of students, possibly doubling the size of the program.

Resource Requirements:
Resource requirements are best described in two phases – start-up and full implementation. To start the program, the School must renovate/repurpose existing space for classrooms, labs, and personnel and must hire specific administrative and faculty positions to meet initial accreditation standards. In consultation with Auburn University Facilities and CAPT’s Guide to the Development of Education Programs for the Physical Therapists, the School estimates these
start-up costs at approximately $5 million. The School of Kinesiology and the College of Education will provide approximately half of these funds, with the other half advanced from the university's Mission Enhancement Fund (MEF). At full implementation, the School estimates that the program will require 8-10 faculty, 3-4 new instructors, a clinical coordinator, an admissions specialist, and operational funds for those expenditures associated with a clinically-based program. The School further estimates that tuition revenues at full implementation will more than cover these costs since DPT programs rarely offer assistantships and therefore waive little tuition. As a result, the DPT program should yield a net positive financial position within a few years of program launch.

**Relationship to Other Programs:**
While the proposed DPT program will not replace or require resources from any existing programs at the university, we can envision fruitful collaborations with several Auburn programs and units in the health service arena, especially in research scholarship. Further, while admission into the DPT program will not require a degree in Exercise Science from Auburn, we anticipate that the creation of the program will increase demand in Exercise Science.

**Recommendation:**
We recommend that the proposed Doctor of Physical Therapy degree be approved by the Offices of the Provost and the President and forwarded to the Board of Trustees and the Alabama Commission on Higher Education for review and approval.

This memorandum requests the following be presented to the Board of Trustees Academic Affairs Committee for the September 10, 2021 meeting.

The following academic items have been approved for implementation by the Provost’s Office. While they do not require formal approval by the Board of Trustees, they are presented as information items. All have received the support of the appropriate college or school, the University Curriculum Committee, the Graduate Council, and the Provost’s Office. Following the Board of Trustees meeting, these items will be forwarded to the Alabama Commission on Higher Education (ACHE) for notification, where appropriate. A summary of these items is provided in the accompanying documents.

**Graduate Certificate Renaming:**

- Renaming of the *Vocational Forensic Rehabilitation Certificate* as the *Vocational Evaluation Forensic Certificate*, Department of Special Education, Rehabilitation, and Counseling, College of Education

**New Graduate Certificates (3):**

- *Undergraduate Certificate in Financial Planning*, Department of Consumer and Design Sciences, College of Human Sciences

- *Undergraduate Certificate in Speech, Language and Hearing Sciences*, Department of Speech, Language and Hearing Sciences, College of Liberal Arts

- *Graduate Certificate in Global Public Service*, Department of Political Science, College of Liberal Arts
Items of Information

Renaming of Graduate Certificate

The Department of Special Education, Rehabilitation, and Counseling in the College of Education proposes to rename a graduate certificate as follows:

- Current name: Vocational Forensic Rehabilitation Certificate
- Revised name: Vocational Evaluation Forensic Certificate

The revised name is consistent with current CACREP accreditation standards and better aligns with recently received federal grants supporting the establishment of a forensic assessment program. The revised name has been reviewed and approved by appropriate faculty, university committees, and the Provost.

Addition of Certificates

The following undergraduate and graduate certificates have been reviewed and approved by appropriate faculty, university committees, and the Provost.

Undergraduate Certificate in Financial Planning (21 hours)

The Department of Consumer and Design Sciences in the College of Human Sciences has developed a Certificate in Financial Planning to provide the knowledge, training, and coursework to qualify students to sit for the post-graduation certification exam to become a Certified Financial Planner®. The Certificate is linked to the Philanthropy and Nonprofit Studies program, which integrates philanthropic decision-making with personal financial planning throughout the life cycle. The Certificate is supported by the Harbert College of Business (including two required Finance courses) and is available to both Auburn students and non-Auburn individuals interested in the Certified Financial Planner® credential. The Certificate will be offered beginning Fall Semester, 2021.

Undergraduate Certificate in Speech, Language and Hearing Sciences (23 hours)

The Department of Speech, Language and Hearing Sciences in the College of Liberal Arts has developed a Certificate in Speech, Language and Hearing Sciences to provide foundational knowledge and coursework to non-majors who are seeking prerequisite coursework for graduate study in speech pathology or audiology. The Certificate will be available to working
professionals or students living remotely who need more flexibility with the timing and completion of the prerequisites needed to apply to most Graduate programs. The Certificate will be offered beginning Fall Semester, 2021.

**Graduate Certificate in Global Public Service (15 hours)**

The Department of Political Science in the College of Liberal Arts has developed a Certificate in Global Public Service to address the increasing globalization of public service and to prepare students for careers in public service both inside and outside of the U.S. The Certificate will equip all students, whether serving in domestic or international public service roles, with the knowledge and skills to thrive in an increasingly diverse, dynamic, and globally interconnected public service environment. The certificate is also aligned with the Master of Public Administration’s mission to "advance effective and accountable public service in a dynamic, increasingly global environment that includes government agencies and nonprofit organizations."

RESOLUTION

APPROVAL OF THE 2021-2022 BUDGET

BE IT RESOLVED by the Board of Trustees of Auburn University as follows:

Section 1. The operating budget for Auburn University covering restricted, unrestricted and auxiliary funds for the fiscal year beginning October 1, 2021, and ending September 30, 2022, as presented by the President and approved by the Finance Committee of the Board of Trustees, be, and the same is hereby approved.

Section 2. Nothing in said budget shall be accepted or construed to be legal obligations or liabilities against Auburn University. The amounts fixed in the components of the budget for the year 2021-2022 shall be understood to be the relative amounts to be paid or expended for those components in relationship to the funds and/or income of the University available for the support and maintenance of the University.

Section 3. The proposed expenditure amounts as set out in the budget are hereby approved and adopted and the President is authorized and empowered to enact such budget on October 1, 2021. The President is further authorized and empowered to effect routine adjustments to this budget as deemed necessary and appropriate.

Section 4. The Finance Committee of the Board of Trustees is requested and authorized to approve material adjustments in this budget as may be determined necessary and presented by the President.

Section 5. In order to manage the University’s opportunities to refinance its outstanding General Fee Revenue Bonds and thereby reduce the University’s overall debt service obligations as and when possible, the Authorization attached as Exhibit A is hereby approved and adopted as if set forth in full in this resolution.
EXHIBIT A

AUTHORIZATION FOR THE ISSUANCE OF REVENUE REFUNDING BONDS
OF AUBURN UNIVERSITY

[Attached]
EXHIBIT A

AUTHORIZATION FOR THE ISSUANCE
OF REVENUE REFUNDING BONDS OF AUBURN UNIVERSITY

WHEREAS, it is desirable and appropriate for Auburn University (the “University”) to issue its General Fee Revenue Bonds from time to time for the purpose of refunding and paying certain of its prior outstanding bonds and thereby achieving an overall interest rate expense savings to the University; and

WHEREAS, in order to manage the University’s refunding opportunities in the most efficient manner possible and to permit the University to take advantage of changing market conditions, it is desirable and appropriate to authorize the officers of the University to arrange for the issuance of refunding bonds without further approval of the Board of Trustees, subject to the limitations expressed in this authorization.

THEREFORE, by virtue of the Resolution to which this Authorization is attached, the Board of Trustees hereby and thereby authorizes the following:

Section 1. Findings. The following bonds or leases of the University are currently outstanding:

(i) General Fee Revenue Bonds, Series 2012-A and Series 2012-B (Taxable), dated March 27, 2012, issued under the Sixteenth Supplemental General Fee Indenture dated as of March 1, 2012;

(ii) General Fee Revenue Bonds, Series 2014-A, dated July 1, 2014, issued under the Seventeenth Supplemental General Fee Indenture dated as of July 1, 2014;

(iii) General Fee Revenue Bonds, Series 2015-A, dated March 18, 2015, issued under the Eighteenth Supplemental General Fee Indenture dated as of March 1, 2015;

(iv) General Fee Revenue Bonds, Series 2015-B, dated September 10, 2015, issued under the Nineteenth Supplemental General Fee Indenture dated as of September 1, 2015;

(v) General Fee Revenue Bonds, Series 2016-A, dated August 17, 2016, issued under the Twentieth Supplemental General Fee Indenture dated as of August 1, 2016;
(vi) General Fee Revenue Bonds, Series 2018-A dated June 21, 2018, issued under the Twenty-First Supplemental General Fee Indenture dated as of June 1, 2018;

(vii) General Fee Revenue Refunding Bonds, Series 2020-A, dated March 18, 2020, issued under the Twenty-Second Supplemental General Fee Indenture dated as of March 1, 2020;

(viii) Taxable General Fee Revenue Refunding Bonds, Series 2020-B, dated March 18, 2020, issued under the Twenty-Second Supplemental General Fee Indenture dated as of March 1, 2020;

(ix) Taxable General Fee Revenue Bonds, Series 2020-C, dated July 29, 2020, issued under the Twenty-Third Supplemental General Fee Indenture dated as of July 1, 2020;

(x) General Fee Revenue Bond, Series 2021-A, dated May 5, 2021, issued under the Twenty-Fourth Supplemental General Fee Indenture dated as of May 1, 2021;

(xi) Lease Revenue Bonds, Series 2017 (Auburn University Educational Complex Gulf Shores Project).

The bonds described in (i) – (xii) above are herein referred to as the “Outstanding Bonds.”

Section 2. Authorization of Bonds. The University is hereby authorized to issue its revenue bonds for the purpose of refunding any or all of the Outstanding Bonds. The said bonds shall be issued under the terms, conditions and provisions set out in the General Fee Revenue Trust Indenture dated as of June 1, 1985 between the University and The Bank of New York Mellon Trust Company, N.A., as successor trustee (herein called the “Trustee”), as heretofore supplemented, and as further supplemented by the Supplemental General Fee Revenue Indentures (the “Supplemental General Fee Indentures”) provided for in Section 6 of this authorization (the original General Fee Revenue Trust Indenture, as so supplemented being herein referred to as the “General Fee Revenue Indenture”). The bonds herein authorized (the “Bonds”) may be issued at such time or times and in such series as may be most advantageous to the University, subject to the provisions of Section 12 of this authorization. The Outstanding Bonds to be refunded by the Bonds are hereinafter referred to as the “Refunded Bonds.”

All the provisions of the General Fee Revenue Indenture, as applicable to the Bonds, are hereby adopted as a part of this authorization as if set out at length herein.

Section 3. Bonds to be Issued as Additional Parity Bonds; Special Findings. The Bonds shall be issued as additional parity bonds under Article VIII of the General Fee Revenue Indenture.
In accordance with the provisions of Section 8.2(b) of the General Fee Revenue Indenture, the Board hereby finds and declares as follows:

(a) The University is not now in default under the General Fee Revenue Indenture and no such default is imminent.

(b) Bonds the interest on which is excludable from gross income for purposes of federal income taxation shall be designated “General Fee Revenue Refunding Bonds, Series ___. If it is necessary and appropriate to issue a portion of the Bonds as bonds the interest on which is taxable for purposes of federal income taxation, such bonds shall be designated “Taxable General Fee Revenue Refunding Bonds, Series ___”. The series designation shall be completed to reflect the calendar year in which the Bonds are issued and to provide any further identification of the Bonds as is appropriate.

(c) The persons to whom the Bonds are to be delivered are set forth in Sections 7 and 9 hereof.

(d) All of the Bonds are to be issued by sale in accordance with Section 7 hereof.

(e) The sale price of the Bonds shall be as set forth in Sections 7 and 12 hereof.

(f) The only parity bonds that have previously been issued by the University under the General Fee Revenue Indenture and that are currently outstanding are those bonds listed in (i) – (x) of Section 1 above along with the supplemental indentures under which they were issued.

(g) The Refunded Bonds are to be refunded from proceeds of the Bonds, subject to the determinations and conditions set forth in Sections 11 and 12 hereof.

The Trustee is hereby requested to authenticate and deliver the Bonds to the purchaser specified in Section 7 hereof upon payment of the purchase price designated therein.

Section 4. Source of Payment of the Bonds. The principal of and the interest on the Bonds shall be payable from (i) the gross revenues from those general tuition fees levied against students at the Auburn, Alabama campus and the Montgomery, Alabama campus of the University that are more particularly described and referred to as “General Fees” in the General Fee Indenture; (ii) the gross revenues derived by the University from the operation of its housing and dining facilities located on the Auburn campus and on the Montgomery campus that are more particularly described and referred to as “Housing and Dining Revenues” in the General Fee Indenture; (iii) the gross revenues derived by the University from the operation of its athletics programs that are more particularly described and referred to as “Athletic Fee Revenues” in the General Fee Indenture; and (iv) the several student fees levied against students
at the Auburn campus and the Montgomery campus that are more particularly described and referred to as the “Pledged Student Fees” in the General Fee Indenture. The said General Fees, Housing and Dining Revenues, Athletic Fee Revenues, and Pledged Student Fees are referred to herein as the “Pledged Revenues.”

Nothing contained in this authorization, in the Bonds, in the General Fee Revenue Indenture, or in the supplemental indentures hereinafter authorized shall be deemed to impose any obligations on the University to pay the principal of or the interest on the Bonds except from the Pledged Revenues. Neither the Bonds, nor the pledge or any agreement contained in the General Fee Revenue Indenture, in any supplemental indenture or in this authorization shall be or constitute an obligation of any nature whatsoever of the State of Alabama, and neither the Bonds nor any obligation arising from the aforesaid pledge or agreements shall be payable out of any moneys appropriated to the University by the State of Alabama. The agreements, covenants or representations contained in this authorization, in the Bonds, in the General Fee Revenue Indenture, and in any supplemental indenture do not and shall never constitute or give rise to any personal or pecuniary liability or charge against the general credit of the University, and in the event of a breach of any such agreement, covenant or representation, no personal or pecuniary liability or charge payable directly or indirectly from the general revenues of the University shall arise therefrom. Nothing contained in this section shall, however, relieve the University from the observance and performance of the several covenants and agreements on its part herein contained.

Section 5. Bonds Payable at Par. All remittances of principal of and interest on the Bonds to the holders thereof shall be made at par without any deduction for exchange or other costs, fees or expenses. The bank or banks at which the Bonds shall at any time be payable shall be considered by acceptance of their duties hereunder to have agreed that they will make or cause to be made remittances of principal of and interest on the Bonds, out of the moneys provided for that purpose, in bankable funds at par without any deduction for exchange or other cost, fees or expenses. The University will pay to such bank or banks all reasonable charges made and expenses incurred by them in making such remittances in bankable funds at par.

Section 6. Authorization of Supplemental Indentures. The Board does hereby authorize and direct the President of the University to approve, execute and deliver, for and in the name and behalf of the University, to the Trustee, a Supplemental General Fee Revenue Indenture with respect to each series of the Bonds, and does hereby authorize and direct the Secretary of the Board to affix the official seal of the University to said Supplemental General Fee Revenue Indenture and to attest the same.

Section 7. Sale of the Bonds. The Bonds may be sold as an underwritten public sale, or by a private placement with one or more banks or other qualified institutional purchasers, as determined under Section 12 hereof. If the Bonds are sold through an underwritten public sale, the Board does hereby authorize and direct the President of the University or the Vice-President for Business & Finance and CFO of the University to approve, execute and deliver, for and in the name and behalf of the University, one or more Bond Purchase Agreements with respect to each series of Bonds between the University and an underwriter or underwriters (the “Underwriter”) approved under Section 12 of this authorization. If the Bonds are sold by private placement, the
Board does hereby authorize and direct the President of the University or the Vice-President for Business & Finance and CFO of the University to approve, execute and deliver, for and in the name and behalf of the University, a Placement Agreement or similar document with the purchaser(s) of the Bonds approved under Section 12 of this resolution.

Section 8. Authorization of Official Statements. The Board does hereby authorize and direct the Underwriter and/or Professionals designated under Section 14 of this authorization to prepare and distribute, for and in the name and on behalf of the University, a Preliminary Official Statement and a final Official Statement with respect to each series of Bonds issued under this authorization. The Board does hereby further authorize and direct the President or the Vice President for Business & Finance and CFO of the University to execute and deliver, for and on behalf of the University, such final Official Statement(s) and does hereby declare that the Official Statement(s) so executed by the President or the Vice President for Business & Finance and CFO of the University shall be the Official Statement(s) of the University with respect to the Bonds covered by such Official Statement(s).

Section 9. Execution and Delivery of Bonds. The Board does hereby authorize and direct the President of the University to execute the Bonds, in the name and on behalf of the University, by causing his signature or a facsimile thereof to be placed or imprinted on the Bonds, and does hereby authorize and direct the Secretary of the Board to cause the official seal (or a facsimile thereof) of the University to be applied or imprinted on the Bonds and to attest the same by causing his signature or a facsimile thereof to be placed or imprinted on the Bonds, all in the manner provided in the General Fee Revenue Indenture. The President of the University is hereby further authorized and directed to deliver the Bonds, subsequent to their execution as provided herein to the Trustee, and to direct the Trustee to authenticate all the Bonds and to deliver them to the Underwriter, upon payment to the University of the purchase price therefor in accordance with the provisions of Sections 7 and 12 hereof.

Section 10. Application of Proceeds. The entire proceeds derived by the University from the sale of the Bonds shall be paid to the Trustee under the General Fee Revenue Indenture. The Trustee is thereupon authorized and directed to apply and disburse such moneys for the purposes and in the order specified in the Supplemental General Fee Indentures.

Section 11. Redemption of Refunded Bonds; Authorization of Escrow Trust Agreement. Any series of Outstanding Bonds to be refunded by the Bonds or any series of the Bonds shall be called for redemption on the first date permitted for the call and redemption of such Outstanding Bonds subsequent to the date of issuance of the Bonds, at and for a redemption price equal to 100% of the principal amount of each bond so redeemed, plus accrued interest. The President and the Vice President for Business & Finance and CFO of the University are separately authorized to direct the Trustee to mail and/or publish notice of such redemption as required under the terms of the General Fee Revenue Indenture. Any such redemption notice mailed or published prior to the date of issuance of the Bonds shall provide that the call of the affected Refunded Bonds for redemption is contingent upon the issuance and sale of the Bonds.

Pursuant to Section 6.1(a) of the General Fee Revenue Indenture, the Board hereby confirms that the University is not in default under said indenture.
The President of the University is hereby authorized to approve, execute and deliver in
the name and on behalf of the University an Escrow Trust Agreement or Agreements, between
the University and the Trustee, if necessary or desirable, with respect to each series of Refunded
Bonds to provide for the escrow and investment of proceeds of the Bonds until the redemption
date of the Refunded Bonds.

Section 12. Authorization to Approve Certain Matters. The Board has determined
that it is in the best interest of the University to authorize the issuance of the Bonds for the
purposes described in this authorization and subject to the limitations of this authorization
without a further meeting or approval of the Board. The Vice President for Business & Finance
and CFO of the University and the Chairman of the Finance Committee of the Board are hereby
authorized:

(a) to determine when and if any Bonds shall be issued and to approve
the schedule of issuance for each series of Bonds; provided that no Bonds shall
be issued under the authority of this authorization after December 31, 2023;

(b) to approve the principal amount of the Bonds to be issued in each
series and the designation of the Bonds as tax-exempt or taxable Bonds; provided
that the aggregate principal amount of each series of Bonds shall not exceed the
amount necessary to pay the principal and interest on the Refunded Bonds
(taking into account any original issue premium or discount) and the costs of
issuing the Bonds;

(c) to determine which of the Refunded Bonds are to be refunded and
redeemed by the Bonds; provided that any such refunding shall result in a
minimum net present value savings of at least 3%;

(d) to determine whether the Bonds are to be sold to the public or are
to be privately placed with one or more banks or other institutions, and the terms
of either form of sale;

(e) to approve the forms of Supplemental General Fee Indenture(s),
Bond Purchase Contract(s) (if the Bonds are sold to the public), Placement
Agreement (if the Bonds are privately placed with a bank or financial institution),
Preliminary Official Statement(s), Official Statement(s) and Escrow Agreement(s)
to be delivered in connection with each series of Bonds;

(f) to approve the final form and pricing details of each series of
Bonds, including the interest rates to be borne by such Bonds, the principal
maturities thereof and any original issue discount or premium with respect to the
Bonds; provided that the net interest cost of any series of Bonds shall not exceed
6%;

(g) to approve the expenses of issuing the Bonds; and
(h) to take such other steps and to execute and approve such other documents as may be necessary or appropriate to cause the Bonds to be issued, sold and delivered consistent with the provisions of this authorization and the General Fee Revenue Indenture.

The final approval by the Vice President for Business & Finance and CFO of the University and the Chairman of the Finance Committee of the Board of the items listed above may be conclusively evidenced by a certificate signed by each of them and delivered at the time of issuance of the Bonds.

Section 13. Severability. The various provisions of this authorization are hereby declared to be severable. If any provision hereof shall be held invalid by a court of competent jurisdiction, such invalidity shall not affect any other portion of this authorization.

Section 14. Designation of Professionals. The retention of PFM Financial Advisors LLC as financial advisor to the University, and the law firm of Balch & Bingham LLP as bond counsel to the University for the issuance of the Bonds are hereby authorized.

Section 15. General Authorization. The President of the University, Vice President for Business & Finance and CFO of the University and the Secretary of the Board are hereby authorized to execute such further certifications or other documents and to take such other action as any of them may deem appropriate or necessary for the consummation of the matters covered by this authorization, to the end that the Bonds may be executed and delivered at the times and on the terms most advantageous to the University.

THROUGH: Ron Burgess, Executive Vice President, Auburn University

FROM: John Morris, President, Auburn University Foundation

SUBJECT: Board of Trustees Agenda Item: Auburn University Endowment Portfolio Update

DATE: August 10, 2021

PROPOSAL:

It is proposed that a principal of Prime Buchholz, the investment consultant that provides consulting services to the Auburn University Foundation related to investment of Auburn’s endowments, present an update to the Institutional Advancement Committee of the Board of Trustees at its September 10, 2021, meeting.

BACKGROUND AND INFORMATION:

While maintaining its fiduciary responsibility for ownership of Auburn University’s endowments by establishing investment and spending policies, the Board of Trustees delegates to the Auburn University Foundation authority for the day-to-day management of the endowment portfolio. This includes development of investment strategies; tactical allocation among approved asset classes; strategies within asset classes; and investment manager selection and termination. In order to facilitate communication and reporting between the Auburn University Board of Trustees and the Auburn University Foundation Investment Committee, a member of the Board of Trustees serves on the Investment Committee.

RATIONALE FOR RECOMMENDATION:

The Board of Trustees periodically should receive reports from the Foundation and its investment consultant. As has been our custom, we are recommending that a report be provided at the September 10, 2021, meeting.

RESOLUTION

POSTHUMOUS AWARDING OF THE BACHELOR OF SCIENCE IN AVIATION MANAGEMENT TO KYLIE NICOLE MURRAY

WHEREAS, Kylie Nicole Murray, an undergraduate student in the Department of Aviation Management in the College of Liberal Arts at Auburn University, passed away on July 31, 2021; and

WHEREAS, Ms. Murray passed away before she could complete the final requirements necessary for a Bachelor of Science in Aviation Management; and

WHEREAS, the faculty in the Department of Aviation Management, the interim dean of the College of Liberal Arts, the Provost, and the President recommend that the Bachelor of Science in Aviation Management be awarded posthumously.

NOW, THEREFORE, BE IT RESOLVED by the Auburn University Board of Trustees that the degree of Bachelor of Science in Aviation Management is hereby granted posthumously to Ms. Kylie Nicole Murray in recognition of her academic achievements as a student at Auburn University.

BE IT FURTHER RESOLVED that the Board hereby expresses its sympathy and condolences to the family of Ms. Murray in this period of sadness and that a copy of this resolution be presented to them so that they will know of this action and the university’s deep loss.
MEMORANDUM TO: Jay Gogue  
President

Executive Vice President

FROM: Bill Hardgrave  
Provost and Senior Vice President for Academic Affairs

SUBJECT: Agenda Item for the Board of Trustees – Proposed Posthumous Degree for Kylie Nicole Murray

DATE: August 9, 2021

I have received a request from the College of Liberal Arts to award posthumously the Bachelor of Science in Aviation Management to Kylie Nicole Murray. Ms. Murray passed away in July 2021 before completing the final semester of coursework required for her degree. As a senior in Aviation Management, Ms. Murray was in good standing and would have graduated this coming December.

Following a careful review of her academic records, the faculty in the Department of Aviation Management all concur that her academic achievements ensure Ms. Murray meets the requirements necessary to be awarded a degree posthumously. Please find attached a formal request from Dr. Ana Franco-Watkins, Interim Dean of the College of Liberal Arts. I respectfully request that this item be placed on the Board of Trustees agenda for the September 10, 2021 meeting.
TO: Interim Dean Anna Franco-Watkins
FROM: Dr. James E. Witte, Chair Department of Aviation
DATE: August 3, 2021
SUBJECT: Award of Posthumous Degree – Kylie Murray

With this memo, I request consideration of a posthumous B.S. in Aviation Management degree for Kylie Murray who passed away July 31, 2021. Ms. Murray was in good standing at Auburn University with an intended graduation date of Fall 2021. Her overall GPA is 3.24 and her GPA on courses directly related to her major is 3.6. The faculty have voted unanimously that she would have completed the requirements for her degree in the Fall of 2021.

Thank you for your consideration of this request. Please contact me if I can provide any additional information.
A request is before the Board of Trustees to select two board members for a three-year term on the Alumni Lifetime Achievement Awards Committee. The two named board members will serve alongside the current President Pro Tempore of the Board of Trustees. The terms are set to expire on September 1, 2024.

Time will be allotted for discussion and selection of board members to the Committee.
RESOLUTION

CONTEXTUALIZATION OF WALLACE HALL

WHEREAS, the life of Governor George Corley Wallace is one of great complexity from his early actions as a self-described segregationist to his later life when he apologized for his words and deeds promoting segregation; and

WHEREAS, Governor Wallace blemished his own legacy by publicly extolling segregation; and

WHEREAS, late in his life, Governor Wallace sought forgiveness and was publicly forgiven by prominent civil rights leaders, ultimately winning his final election as governor of Alabama in 1982; and

WHEREAS, Governor Wallace is widely recognized by both supporters and detractors as an influential proponent of Alabama’s publicly controlled two-year colleges; and

WHEREAS, the Board of Trustees, through a specially created task force, has made considerable effort to study the University’s past and to educate students and other university stakeholders, candidly and pointedly, on all aspects of Auburn’s and the State of Alabama’s history. This in-depth examination has highlighted the important contributions of minority students and stakeholders over the years; and

WHEREAS, the Board task force also desires to accurately illuminate the holistic legacy of historical figures whose mention in the names of campus buildings and other structures may conjure painful historical images for members of the Auburn community; and

WHEREAS, the Board desires to ensure that the University’s physical environment supports the University’s values as reflected in the Auburn Creed; and with Auburn’s mission to improve the lives of the people of Alabama, the nation, and the world through forward-thinking education, life-enhancing research and scholarship, and selfless service. This desire caused this Board to adopt the Policy Regarding Name Removal and Context of University Owned or Controlled Buildings and/or Structures Located on Auburn University Property (the “Name Removal and Contextualization Policy”) in November of 2020; and

WHEREAS, in accordance with the Name Removal and Contextualization Policy, the Board has determined that preservation of an accurate portrayal of history is best served by placing the existing name in historical context.

NOW, THEREFORE BE IT RESOLVED, that the Board of Trustees hereby instructs the University leadership to affix a memorial plaque at Wallace Hall on the main Auburn Campus which displays the text below:
Wallace Hall is named after George Corley Wallace, four-time governor of the State of Alabama and was erected on Auburn’s campus in 1984. The life of Governor Wallace was one of great complexity from his early actions as a self-described segregationist to his later life when he apologized for his words and deeds promoting segregation. In his last election as governor of Alabama, in 1982, he won with more than 90 percent of the black vote. The complexity of Wallace’s legacy has been an ongoing conversation for decades. Auburn’s obligation as an institution of higher education is to promote challenging conversations, which is a valuable component of the academic process.
This memorandum requests the following proposal be presented to the Board of Trustees through the Executive Committee and included in the agenda at the meeting scheduled for September 10, 2021.

Proposal:
A Task Force of Auburn Trustees was appointed in the Summer of 2020 to evaluate the history and context of named buildings and structures on Auburn University property. The Task Force operated with the goal of ensuring that the University’s physical environment supports the University’s values as reflected in the Auburn Creed and is consistent with Auburn’s mission to improve the lives of the people of Alabama, the nation, and the world through forward-thinking education, life-enhancing research and scholarship, and selfless service.

In November of 2020, the Board of Trustees adopted the Policy Regarding Name Removal and Context of University Owned or Controlled Buildings and/or Structures Located on Auburn University Property (the “Name Removal and Contextualization Policy”).

The Task Force has reviewed the name of Wallace Hall under the procedures specified in the Name Removal and Contextualization Policy.

Review and Consultation:
The Task Force hereby recommends the attached resolution, requesting that the Board take immediate steps to contextualize the name and legacy of Governor George C. Wallace in relation to Wallace Hall on the main campus of Auburn University.
PROPOSED AWARDS AND NAMINGS

Time will be allotted for discussion and potential approval of a list of proposed awards and namings.
RESOLUTION

APPROVAL OF MINUTES

WHEREAS, copies of the minutes of the June 11, 2021 Annual Meeting of the Board of Trustees and the August 6, 2021 Special Called Meeting of the Board of Trustees (via telephone conference call) have been distributed to all members of this Board for review; and

WHEREAS, the members have reviewed the minutes and determined that they constitute a true and correct recitation of the business of the respective meetings.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the minutes of the June 11, 2021 Annual Meeting of the Board of Trustees and the August 6, 2021 Special Called Meeting of the Board of Trustees (via telephone conference call) are hereby approved as distributed.

The Board then met in various committees, each discussing the items which would later appear on the Reconvened Board Meeting Agenda, as follows:
MINUTES OF A MEETING OF THE
AUDIT AND COMPLIANCE COMMITTEE OF THE
AUBURN UNIVERSITY BOARD OF TRUSTEES
FRIDAY, JUNE 11, 2021 AT 9:05 A.M.

Chairperson Dumas convened the meeting of the Audit and Compliance Committee of the Auburn University Board of Trustees on Friday, June 11, 2021 at 9:05 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After calling the committee meeting to order, Chairperson Dumas called upon Ms. Shomaker for discussion of the Audit and Compliance Committee’s first agenda item.

1. Approval of Independent Auditors for Fiscal Year Ended September 30, 2021

Ms. Shomaker began her report by explaining that, in compliance with Board of Trustees’ policy, Selection of External Auditors, Auburn University management annually reviews the completed audit process, both internally and with the external auditors. Ms. Shomaker further explained that, at the end of each five-year period, Auburn University management specifically reviews the continuation of the audit firm based on industry expertise, cost, and overall satisfaction with the services rendered.

Ms. Shomaker shared that based on the annual and five-year evaluations, Auburn University management recommends maintaining its current external auditors, PricewaterhouseCoopers.

Ms. Shomaker then introduced Mr. Kevin Kelly from PricewaterhouseCoopers. Mr. Kelly began by sharing his thanks to the Board and the University for their support during the past year. Mr. Kelly announced that, in accordance with PwC policies, he will be transitioning off the Auburn University team and that Mr. Douglas Grant will be serving as Auburn University’s engagement partner moving forward. Mr. Kelly then introduced Mr. Grant for discussion of the Auburn University Fiscal Year 2021 Audit Plan.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. DeMaioirus. The motion was seconded by Mr. Lanier, and the committee unanimously approved the motion by a voice vote.

Chairperson Dumas thanked Ms. Shomaker, Mr. Kelly, and Mr. Grant for their reports, and then discussed the remaining Audit and Compliance Committee agenda item.

2. Receipt of Code of Ethics Compliance Documents – For Information Only

Chairperson Dumas reported that, in accordance with the Principles of Accreditation for the Southern Association of Colleges and Schools Commission on Colleges, the presiding officer of the Board of Trustees should be free of any contractual, employment, personal, familial, or financially related interests with Auburn University.
Chairperson Dumas further explained that, additionally, a majority of the voting members of the Board of Trustees must also be free of such interests.

Chairperson Dumas reported that the Audit and Compliance Committee, the General Counsel, and the Board Secretary have reviewed the Annual Ethics Disclosures of all board members and subsequently determined that all members are in compliance with the SACS’ policy requirements.

Chairperson Dumas reminded the Committee that this report is for information only and does not require Board approval.

Chairperson Dumas concluded his report by sharing that copies of the 2020-2021 documents are available upon request in the Board of Trustees Office.

With there being no further items, Chairperson Dumas recessed the committee meeting at 9:15 a.m.
Chairperson DeMaioribus convened the meeting of the Property and Facilities Committee of the Auburn University Board of Trustees on Friday, June 11, 2021 at 9:15 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After calling the committee meeting to order, Chairperson DeMaioribus called upon Mr. King for discussion of the following Property and Facilities Committee agenda items:

1. **Quad Residence Halls Renovation – Phase I: Harper and Broun Halls, Final Project Approval**

   Mr. King first discussed the Quad Residence Halls Renovation project. Mr. King explained that the Senior Vice President for Student Affairs proposed a project to renovate the Quad Residence Halls. Mr. King reported that the proposed project will renovate the residence halls in five phases, each phase consisting of renovating two buildings each year until all ten residence halls are updated.

   Mr. King reminded the Committee that the Board approved the initiation of the project on July 9, 2020, and approved the architectural firm, DAVIS of Birmingham, Alabama, as the project architect on September 4, 2020.

   Mr. King explained that Phase I of the project consists of the renovation of Harper and Broun Halls. Mr. King shared that the project would renovate approximately 51,510 square feet of existing interior and exterior space located in and around the halls.

   Mr. King reported that the estimated total cost for Phase I of the project is $13.5 million, to be financed by Campus Housing funds and University Repair and Renovation funds.

   Mr. King stated that the request before the Board is to adopt a resolution providing final approval of Phase I of the Quad Residence Halls Renovation project to complete the renovations of Harper and Broun Halls.

   A motion to report the item favorably to the full Board during the reconvened meeting was received from Ms. Newton. The motion was seconded by Mr. Sahlie, and the committee unanimously approved the motion by a voice vote.

2. **Auburn University Regional Airport Maintenance Hangar Expansion, Project Initiation and Engineer Selection**

   Mr. King next discussed the Auburn University Regional Airport Maintenance Hangar Expansion project. Mr. King explained that the Executive Vice President has proposed a project to expand the maintenance hangar at the Auburn University Regional Airport
to provide additional maintenance space and administrative offices to support operations.

Mr. King reported that, if adopted, it is anticipated that this project will be financed by Aviation Center funds.

Mr. King stated that the request before the Board is to adopt a resolution to approve (1) the initiation of the project and (2) the selection of Garver, LLC of Huntsville, Alabama as the project engineer.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. McCrary. The motion was seconded by Mr. Pratt, and the committee unanimously approved the motion by a voice vote.

3. Auburn University Regional Airport T-Hangar Construction, Project Initiation and Engineer Selection

Mr. King then discussed the Auburn University Regional Airport T-Hangar Construction project. Mr. King explained that the Executive Vice President has proposed a project to construct an additional T-Hangar at the Auburn University Regional Airport. Mr. King explained that the new T-Hangar would consist of ten aircraft bays that would be leased by the airport to commercial or private aircraft owners and serve as a source of future revenue.

Mr. King reported that, if adopted, it is anticipated that this project will be financed by an Alabama Department of Transportation grant and University General Funds.

Mr. King stated that the request before the Board is to adopt a resolution to approve (1) the initiation of the project and (2) the selection of Garver, LLC of Huntsville, Alabama as the project engineer.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Roberts. The motion was seconded by Vice President Pro Tempore Dumas, and the committee unanimously approved the motion by a voice vote.

4. College of Human Sciences Clinic Renovation and Relocation, Project Initiation and Architect Selection

Mr. King next discussed the College of Human Sciences Clinic Renovation and Relocation project. Mr. King reminded the Committee that, at its meeting on September 13, 2019, the Board approved the initiation of the University Student Housing project. Mr. King explained that the proposed location for the new housing project is located on the Haley Concourse and is currently occupied by three College of Human Sciences clinic buildings.
Mr. King reported that, to facilitate site preparations for the University Student Housing project, the Provost has proposed relocating the academic and outreach programs of the three clinics to other facilities on campus.

Mr. King then shared that, due to the need to expedite this renovation and relocation project, the University Architect has determined that the architectural firm, Birchfield Penuel & Associates of Birmingham, Alabama is best qualified to provide design services on this project.

Mr. King stated that it is anticipated that this project will be financed by University General Funds.

Mr. King reported that the request before the Board is to adopt a resolution to approve (1) the initiation of the project and (2) the selection of Birchfield Penuel & Associates as the project architect.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Vice President Pro Tempore Dumas. The motion was seconded by Mr. Riggins, and the committee unanimously approved the motion by a voice vote.

Mr. King then discussed the following information only reports:

5. **Summary of Real Estate Holdings Annual Report – *For Information Only***

Mr. King reported that Board policies require that a listing of property owned by Auburn University be submitted to the Board for its information and review each year at its annual meeting. Accordingly, the summary based on last year’s report and changes that have occurred since June 2020 were submitted for the Board’s review.

6. **Annual Report of Timber Harvest Revenue – *For Information Only***

Mr. King reported that a summary of annual timber harvest revenue is provided to the Board for its information and review each year at its annual meeting. Accordingly, a report delineating timber harvest revenue received since June 1, 2020 was submitted for the Board’s review.

7. **Status Updates – *For Information Only***

a. **Current Status of New Construction/Renovation/Infrastructure Projects with Budgets of $1,000,000 and Greater**

Consistent with standing practice, Mr. King provided a report on the current status of new construction, renovation, and infrastructure projects with budgets greater than $1,000,000.
b. **Project Status Report**

A brief *for information only* report regarding the status of Board of Trustees approved capital projects was submitted to the Board for its review.

Chairperson DeMaioribus thanked Mr. King for his reports, and with there being no further items, recessed the committee meeting at 9:35 a.m.
Chairperson Newton convened the meeting of the Academic Affairs Committee of the Auburn University Board of Trustees on Friday, June 11, 2021 at 9:35 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After calling the committee meeting to order, Chairperson Newton called upon Dr. Hardgrave for discussion of the following Academic Affairs Committee agenda items:

1. **Proposed Master of Science in Forest Business and Investment**

   Dr. Hardgrave reported that the School of Forestry and Wildlife Sciences has proposed a new Master of Science in Forest Business and Investment, Non-Thesis option. Dr. Hardgrave explained that the proposed program combines advanced forestry and business knowledge, specifically strategic investing and financial decision making. Dr. Hardgrave stated that, in addition to online courses in the School of Forestry and Wildlife Sciences, students will also complete courses in the Harbert College of Business.

   Dr. Hardgrave shared that, if approved, the program will be forwarded to the Alabama Commission on Higher Education (ACHE) for review and approval.

   A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. Rane. The motion was seconded by Vice President Pro Tempore Dumas, and the committee approved the motion by a voice vote.

2. **Agenda Item for the Board of Trustees – For Information Only**

   Dr. Hardgrave then presented an information only report to the Board on the following topics:

   *Marriage and Family Therapy – Non-Thesis Option, MS in Human Development and Family Science, Department of Human Development and Family Science, College of Human Sciences*

   Dr. Hardgrave shared that the College of Human Sciences currently offers an MS in Human Development and Family Science – Marriage and Family Therapy, Thesis Option, focused on research skills and pursuits. Dr. Hardgrave explained that the College proposed adding a non-thesis option for students entering clinical positions.
Graduate Certificate in Economic Development, Department of Political Science, College of Liberal Arts

Dr. Hardgrave reported that the Department of Political Science in the College of Liberal Arts has developed a Graduate Certificate in Economic Development which provides specialization in theories and practice of economic development, primarily with the United States and Alabama.

Chairperson Newton thanked Dr. Hardgrave for his reports, and with there being no further items, recessed the committee meeting at 9:40 a.m.
Chairperson Roberts convened the meeting of the Institutional Advancement Committee of the Auburn University Board of Trustees on Friday, June 11, 2021 at 9:40 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After calling the committee meeting to order, Chairperson Roberts called upon Ms. Casey, Chair of the Auburn University Foundation Board of Directors, for discussion of the Institutional Advancement Committee’s single agenda item.

1. Auburn University Endowment Portfolio Update – For Information Only

Ms. Casey began her report by sharing that, as of June 11, 2021, the Auburn University Endowment stands at $318 million, and the Auburn University Foundation stands at $687 million, for a combined holding of $1.005 billion.

Ms. Casey then stated that the portfolio calendar year-to-date return is 10.3%, building on strong performance in 2020, despite market uncertainty amid the COVID-19 pandemic. Ms. Casey reported that, given the current market environment, the Investment Committee continues to carefully monitor the financial landscape.

Ms. Casey shared that the mission of the combined endowment is to provide consistent annual payouts in support of Auburn University students, faculty, and programs. Ms. Casey then reported that during the 2021-2022 academic year, the combined Endowment recently provided $28.6 million to the university, an increase of $1 million over the prior year.

Ms. Casey then reported on allocation changes that were unanimously approved by the Auburn University Foundation Investment Committee:

- Increase Global Private Equity from 12.5% to 15%;
- Reduce Global Fixed Income from 11% to 9%; and
- Reduce Cash from 2% to 1.5%.

Ms. Casey concluded her report by thanking Chairperson Roberts and the Board.

Chairperson Roberts thanked Ms. Casey for her report, and with there being no further items, recessed the committee meeting at 9:45 a.m.
MINUTES OF A MEETING OF THE
EXECUTIVE COMMITTEE OF THE

Chairperson McCrary convened the meeting of the Executive Committee of the Auburn University Board of Trustees on Friday, June 11, 2021 at 9:45 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After calling the committee meeting to order, Chairperson McCrary discussed the following Executive Committee agenda items:

1. Proposed Awards and Namings

Chairperson McCrary indicated that the first item before the Executive Committee was a list of nine proposed awards and namings.

A motion to report the item favorably to the full Board during the reconvened meeting was received from Mr. DeMaioribus. The motion was seconded by Vice President Pro Tempore Dumas, and the committee approved the motion by a voice vote.

2. Election of the President Pro Tempore

Chairperson McCrary stated that the next item before the Executive Committee was the election of the President Pro Tempore for 2021-2022. Mr. McCrary reserved comments for the reconvened meeting and opened the floor for nominations.

Mr. Rane nominated Vice President Pro Tempore Dumas for President Pro Tempore. The nomination was seconded by Mr. DeMaioribus.

With no other nominations, Chairperson McCrary closed the floor.

The committee approved the nomination of Vice President Pro Tempore Dumas to be later voted upon by the full Board during the reconvened meeting.

3. Appointment of Board Members to the Trustee Selection Committee

Chairperson McCrary then shared that the final item before the Executive Committee was the appointment of board members to the Trustee Selection Committee.

Chairperson McCrary explained that, in the coming year, three seats on the Board will become vacant. Chairperson McCrary stated that, as a result, the Board must assemble a Trustee Selection Committee to fill the vacant seats.
Chairperson McCrary further explained that, pursuant to the Alabama Constitution, the five-member committee is comprised of the Governor, two members of the Auburn Alumni Association Board of Directors, the President Pro Tempore of the Board of Trustees or his/her designee, and one member of the Board of Trustees.

Chairperson McCrary stated that it is the role of the Executive Committee to nominate one board member to serve on the Trustee Selection Committee.

Chairperson McCrary opened the floor for nominations.

President Pro Tempore Smith nominated Mr. James Pratt for the position. The nomination was seconded by Vice President Pro Tempore Dumas.

With no other nominations, Chairperson McCrary closed the floor.

The committee approved the nomination of Mr. Pratt to be later voted upon by the full Board during the reconvened meeting.

With there being no further items, Chairperson McCrary recessed the committee meeting at 9:50 a.m.
President Pro Tempore Smith then moved to reports from various committee chairpersons and lead trustees as follows:

**Academic Affairs Committee**

Chairperson Newton began her report by providing an update regarding Financial Wellness programming.

Chairperson Newton commented, “Providing financial wellness programming has been a goal that many of our students and faculty have strongly advocated for several years. This is especially important as our students have increased areas of needs resulting from the pandemic.”

Chairperson Newton further stated that, despite the challenges presented during the past year, the University was able to successfully launch an academic partnership with Regions Bank to provide comprehensive financial wellness programming to Auburn University students. Chairperson Newton indicated that research has shown that financial wellness programs can lower student loan defaults, decrease financial stress, improve students’ academic performance, and teach them how to manage their finances for a lifetime.

Chairperson Newton concluded her report by thanking university staff and faculty for their efforts as the university prepares for more in-person programming in the coming semesters.

**Alumni**

Trustee Vines delivered the Alumni report on behalf of Lead Trustee Huntley.

Trustee Vines reported that the Auburn Alumni Association welcomed 4,000 new graduates during the Spring 2021 commencement ceremonies and provided each graduate with alumni pins after they processed across the stage. Trustee Vines also shared that 438 commemorative medallion gifts were received from graduates.

Trustee Vines then shared that AMBUSH, the Auburn Alumni Association’s annual coaches’ tour, held its seventh season earlier this summer featuring Head Football Coach Bryan Harsin and Men’s Head Basketball Coach Bruce Pearl as guest speakers. Trustee Vines stated that more the events in Birmingham, Nashville, Pensacola, and Auburn, had more than five hundred attendees to interact with the coaches.

Trustee Vines then reported that the newly formed Black Alumni and Young Alumni Councils have already made an impact in the lives of Auburn University students as both have established annual scholarships and are implementing their strategic goals.

Trustee Vines concluded the Alumni report by sharing that the Auburn Alumni Association launched a new website featuring a more clean and modern design. Trustee Vines encouraged everyone to visit the new website and see all that it has to offer.
Research and Technology (Economic Development) Committee

Trustee Sahlie began his report by sharing that Auburn University has been awarded a prestigious $1.5 million grant from the National Institutes of Health to broaden participation in the sciences for traditionally underrepresented students and diversify the pool of scientists earning doctoral degrees in the biomedical sciences.

Trustee Sahlie then shared that the Graduate Research Training Initiative for Student Enhancement (G-RISE) grant will be titled “G-RISE at Auburn University” and will begin with the selection of four scholars for the Fall 2021 semester. Trustee Sahlie shared that the award will run for five years. Trustee Sahlie stated that the G-RISE programmatic activities will focus on recruiting, admitting, and supporting highly qualified students yearly from underrepresented groups. Trustee Sahlie indicated that the lead principal investigator for the project is Dr. Bruce Smith (College of Veterinary Medicine) with co-principal investigators Dr. Taffye Benson Clayton (Vice President and Associate Provost for Inclusion and Diversity) and Dr. Melody Russell (College of Education).

Trustee Sahlie then reported that Auburn University students Che Ka and Grant Wilkinson have been awarding 2021 National Science Foundation Graduate Research Fellowships as part of a fellowship program designed to help ensure the vitality and diversity of the U.S. scientific and engineering workforce. Trustee Sahlie explained that each fellowship consists of three years of support accessible over a five-year period and for year each, NSF provides a stipend of $34,000 to the fellow and a cost-of-education allowance of $12,000 to the degree-granting institution.

Governmental Affairs Committee

Chairperson Rane delivered a brief report regarding the 2021 legislative session and upcoming campaigns for state-wide offices.

Chairperson Rane reported that the 2021 legislative session was an extreme success in terms of higher education funding. Chairperson Rane thanked the Legislature for their continued support.

Chairperson Rane concluded his report by stating that there are several key elections in 2022, especially Governor Ivey’s re-election campaign and Lieutenant Governor Ainsworth’s re-election campaign.

President Pro Tempore Smith thanked the committee chairpersons and lead trustees for their reports, and then indicated that the committee meetings and trustee reports were complete.
President Pro Tempore Smith convened the annual meeting of the Board of Trustees on Friday, June 11, 2021 at 10:00 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After convening the regular meeting, President Pro Tempore Smith asked General Counsel Hammer if there was any pending litigation that needed to be discussed in an executive session. General Counsel Hammer indicated that there was pending litigation that needed to be discussed in an executive session.

President Pro Tempore Smith then asked for a motion for the Board to enter an executive session. A motion was received from Vice President Pro Tempore Dumas. The motion was seconded by Mr. McCrary, and the Board approved the motion by a voice vote. President Pro Tempore Smith recessed the regular meeting of the Board of Trustees at 10:05 a.m.
President Pro Tempore Smith reconvened the annual meeting of the Board of Trustees on Friday, June 11, 2021 at 11:00 a.m. in the Legacy Ballroom of The Hotel at Auburn University and Dixon Conference Center.

After reconvening the meeting, President Pro Tempore Smith asked for a motion to adopt the minutes of the April 16, 2021 Board Meeting. A motion was received from Mr. Rane. The motion was seconded by Mr. DeMaioribus, and the resolution was approved by a voice vote.

The following resolution was approved:
RESOLUTION

APPROVAL OF MINUTES

WHEREAS, copies of the minutes of the April 16, 2021 meeting of the Board of Trustees have been distributed to all members of this Board for review; and

WHEREAS, the members have reviewed the minutes and determined that they constitute a true and correct recitation of the business of the respective meeting.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the minutes of the April 16, 2021 meeting of the Board of Trustees are hereby approved as distributed.
Following the approval of the minutes of the April 16, 2021 Board Meeting, President Pro Tempore Smith asked for a motion to approve the resolution regarding the awarding of degrees for the Summer 2021 semester. A motion was received from Mr. Rane. The motion was seconded by Mr. McCrary, and the resolution was approved by a voice vote.

The following resolution was approved:
RESOLUTION

AWARDING OF DEGREES

WHEREAS, Auburn University confers appropriate degrees upon those individuals who have completed requirements previously approved by this Board of Trustees and stated in University Catalogs.

NOW, THEREFORE, BE IT RESOLVED as follows:

1. That all degrees to be awarded by the faculty of Auburn University and Auburn University at Montgomery at the end of Summer Semester 2021, complying with the requirements heretofore established by the Board of Trustees, be and the same are hereby approved.

2. That a list of the degrees awarded be filed and maintained in the records of the University and hereby made an official part of this resolution and of these minutes.
Following the approval of the awarding of degrees for the Summer 2021 semester, President Pro Tempore Smith called upon Dr. Stockton for the AUM Chancellor’s Report.

AUM Chancellor’s Report

Dr. Stockton began his report by sharing that AUM’s College of Education recently completed a transition in accreditation from the National Council for Accreditation of Teacher Education to the Council for the Accreditation of Educator Preparation. Dr. Stockton announced that AUM was granted accreditation at the undergraduate and graduate levels for seven years. Dr. Stockton thanked Dr. Shelia Austin, Dean of the College of Education, for her hard work in completing the accreditation process.

Dr. Stockton then reported that on May 18, 2021, AUM received its first grant from the National Institute of Health for research development infrastructure. Dr. Stockton shared that the grant’s principal investigator is Dr. Mrinal Varma, AUM Provost. Dr. Stockton stated that the grant would pay a total of $625,535 over a three-year period. Dr. Stockton reported that the grant will help AUM achieve its strategic goal of increasing sponsored research productivity by offering grant writing workshops and mentorship programs for AUM faculty, staff, and administrators.

Dr. Stockton then reported on AUM’s recent athletic success. Dr. Stockton reminded everyone that AUM is in its second year of NCAA Division II competition. Dr. Stockton shared that AUM was recently ranked third in the country and won the Gulf South Conference Championship with a 40-7 record.

Dr. Stockton then reported that AUM’s Summer 2021 semester began on June 2, 2021. Dr. Stockton shared that, as of June 10, 2021, AUM’s revenues are up 5% on a day-to-day basis.

Dr. Stockton concluded his report by discussing the new “AUM Bound” yard sign initiative for incoming students. Dr. Stockton explained that the initiative includes a social media contest allowing students to submit photos with their yard signs. Dr. Stockton shared that the initiative has been incredibly successful thus far and that AUM is looking forward to welcoming new students in August.

President Pro Tempore Smith thanked Dr. Stockton for his report and then called upon Dr. Gogue for the Auburn University President’s Report.

President’s Report

Dr. Gogue began his report by providing an update regarding the East Alabama Medical Center (EAMC). Dr. Gogue shared that earlier in June, EAMC celebrated the debut of its $33.7 million healthcare facility. Dr. Gogue explained that the Auburn Medical Pavilion in the Auburn Research Park is a collaboration between the City of Auburn, the hospital, and the university. Dr. Gogue shared that the three-story facility includes a freestanding 12-bed emergency department, an outpatient surgery center, an in-house pharmacy, and a breast health center. Dr. Gogue reported that the Auburn Research Park benefits Auburn University nursing and pharmacy students as it provides hands-on training under the advisement of EAMC staff.
Dr. Gogue then reported on the NBC’s soon-to-air College Bowl trivia show. Dr. Gogue explained that a team of three Auburn University students competed against college students for a total of $1 million in scholarships. Dr. Gogue shared that Ms. Ada Ruth Huntley, outgoing Auburn University SGA President, was among the three students competing for Auburn. Dr. Gogue stated that the teams competed head-to-head in a bracketed tournament over four rounds. Dr. Gogue reported that all competitors will receive tuition assistance for participating, but the winning team will take home the largest scholarships. Dr. Gogue indicated that other schools competing include the University of Alabama; Columbia University; the University of Michigan; the University of Minnesota; the University of Mississippi; Morehouse College, the University of Southern California; the University of California, Los Angeles; the University of Virginia; and Xavier University of Louisiana.

Dr. Gogue concluded his report by stating that, “I believe that it is time for the Board of Trustees to begin a search for a new university president.” Dr. Gogue’s remarks regarding his planned retirement were brief; however, Dr. Gogue thanked the Board for the continued support during both of his terms as president.

President Pro Tempore Smith thanked Dr. Gogue for his report and then moved to the action items and committee reports as follows:

Audit and Compliance Committee

Chairperson Dumas indicated that the Audit and Compliance Committee met earlier and discussed one action item and one item of information. Chairperson Dumas moved for approval of the Audit and Compliance Committee’s one action item. The motion was seconded by Mr. DeMaio ribus and the resolution was approved by a voice vote.

The following resolution was approved:
RESOLUTION

APPROVAL OF INDEPENDENT AUDITORS
FOR FISCAL YEAR ENDED SEPTEMBER 30, 2021

WHEREAS, the Audit and Compliance Committee of the Board of Trustees is charged with recommending the appointment of the University’s external auditor; and

WHEREAS, the Audit and Compliance Committee recommends the appointment of PricewaterhouseCoopers to audit the University’s financial statements and to conduct the federally-required A-133 audit.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that PricewaterhouseCoopers is appointed as the University’s external auditor for Fiscal Year ended September 30, 2021.
Property and Facilities Committee

Chairperson DeMaioribus indicated that the Property and Facilities Committee met earlier and discussed four action items and three items of information. Chairperson DeMaioribus moved for approval of a consent agenda for the Property and Facilities Committee’s four action items. The motion was seconded by Mr. Sanford, and the resolutions were approved by a voice vote.

Academic Affairs Committee

Chairperson Newton indicated that the Academic Affairs Committee met earlier and discussed one action item and one item of information. Chairperson Newton moved for approval of the Academic Affairs Committee’s one action item. The motion was seconded by Mr. Sahlie, and the resolution was approved by a voice vote.

The following resolution was approved:
RESOLUTION

PROPOSED MASTER OF SCIENCE IN FOREST BUSINESS AND INVESTMENT

WHEREAS, the School of Forestry and Wildlife Sciences currently offers graduate programs that promote the sustainable management and economic advancement of natural resources; and

WHEREAS, Alabama maintains the second-largest timberland base in the United States that serves as a significant component of our state's economy, accounting for more than $27 billion in economic impact and employing more than 123,500 citizens; and

WHEREAS, the School of Forestry and Wildlife Sciences proposes a new graduate degree, the Master of Science in Forest Business and Investment (Non-Thesis), for professionals seeking advanced knowledge and skills necessary for strategic investment and financial decision making in the forestry industry; and

WHEREAS, the proposed degree will prepare professionals for leadership positions in lending agencies, timberland investment organizations, real estate investment trusts, forest industries, and land management companies, all of which contribute substantially to Alabama's economy; and

WHEREAS, the request to create this degree has been endorsed by the Dean of the School of Forestry and Wildlife Sciences, the Graduate Council, the Provost, and the President.

NOW, THEREFORE, BE IT RESOLVED by Auburn University's Board of Trustees that the proposed Master of Science in Forest Business and Investment (Non-Thesis) be approved and submitted to the Alabama Commission on Higher Education for review and approval.
Executive Committee

Chairperson McCrary indicated that the Executive Committee met earlier and discussed three action items.

Chairperson McCrary reported that the first item presented to the Executive Committee was a list of nine awards and namings and moved for approval. The motion was seconded by Mr. Rane, and the Board approved the resolutions.

Chairperson McCrary stated that the second item before the Executive Committee was the election of the President Pro Tempore for 2021-2022. Mr. McCrary stated that, before the Board discusses nominations for the new President Pro Tempore, that first, he wished to recognize President Pro Tempore Smith for his outstanding service. Chairperson McCrary shared, “[President Pro Tempore Smith] did a remarkable job during both terms, especially given the challenges created by many changes in university and athletics leadership, as well as enormous challenges created by the COVID-19 pandemic.” Chairperson McCrary concluded his comments by stating, “During these trying and unprecedented times, the Board as well as the Auburn Family, needed strong and decisive leadership that provided stability, and that’s exactly what [President Pro Tempore Smith] provided.

Following Chairperson McCrary’s remarks, numerous board members shared similar sentiments, thanking President Pro Tempore for his outstanding service and leadership. Many board members shared that President Pro Tempore Smith would be missed and that he has left big shoes to fill.

President Pro Tempore Smith then shared his own remarks. President Pro Tempore Smith thanked the Board for its confidence in him over the past two years. He thanked Dr. Gogue, Gen. Burgess, Mr. Waggoner, Ms. Williams, Ms. Hammer, and the entire administration for their steadfast support and assistance. President Pro Tempore Smith concluded his remarks by stating that it was an honor and privilege to serve Auburn University in this capacity.

Chairperson McCrary then shared that the Executive Committee recommended Vice President Pro Tempore Dumas to serve as President Pro Tempore of the Board of Trustees for 2021-2022. Chairperson McCrary then moved that Vice President Pro Tempore Dumas be elected as the new President Pro Tempore, effective at the conclusion of the meeting. The motion was seconded by Mr. Lanier, and the Board approved the motion.

Chairperson McCrary congratulated Vice President Pro Tempore Dumas and asked if he had any remarks to share with the Board.

Vice President Pro Tempore Dumas shared that he was honored to be elected to this position and that he looks forward working with the Board and the Administration during the coming year.
Chairperson McCrary then stated that the Executive Committee recommended the appointment of Mr. James Pratt to the Trustee Selection Committee. Chairperson McCrary then asked President Pro Tempore Smith to preside over the remainder of the item.

President Pro Tempore Smith thanked Chairperson McCrary and asked Vice President Pro Tempore Dumas to preside over the item in his stead.

Vice President Pro Tempore Dumas thanked President Pro Tempore Smith and then moved to appoint Mr. Pratt to the Trustee Selection Committee. The motion was seconded by Mr. Rane, and the Board unanimously approved the motion. Vice President Pro Tempore Dumas stated that Mr. Pratt’s appointment will last until the 2022 Annual Board Meeting or until the appointment/reappointment of committee members, whichever comes first.

Vice President Pro Tempore Dumas then asked President Pro Tempore Smith to serve as his proxy on the Selection Committee. President Pro Tempore Smith then accepted the request.

Vice President Pro Tempore Dumas concluded his remarks by sharing that he would be in contact with the Board in the coming weeks regarding the appointment of committee chairpersons, lead trustees, and colleges/schools assignments.

Chairperson McCrary indicated that, with no further items to report, the Executive Committee meeting report was concluded.

The following resolutions were approved in the first motion:
RESOLUTION

NAMING THE STUDENT LOUNGE
IN LEACH SCIENCE CENTER AS THE STUDENT LOUNGE
IN HONOR OF THE SOCIETY OF PHYSICS STUDENTS

WHEREAS, the College of Sciences and Mathematics is committed to remaining at the forefront of academic instruction, research, and outreach; and

APPROVAL OF THE 2021-2022 BUDGET

BE IT RESOLVED by the Board of Trustees of Auburn University as follows:

Section 1. The operating budget for Auburn University covering restricted, unrestricted and auxiliary funds for the fiscal year beginning October 1, 2021, and ending September 30, 2022, as presented by the President and approved by the Finance Committee of the Board of Trustees, be, and the same is hereby approved.

Section 2. Nothing in said budget shall be accepted or construed to be legal obligations or liabilities against Auburn University. The amounts fixed in the components of the budget for the year 2021-2022 shall be understood to be the relative amounts to be paid or expended for those components in relationship to the funds and/or income of the University available for the support and maintenance of the University.

Section 3. The proposed expenditure amounts as set out in the budget are hereby approved and adopted and the President is authorized and empowered to enact such budget on October 1, 2021. The President is further authorized and empowered to effect routine adjustments to this budget as deemed necessary and appropriate.

Section 4. The Finance Committee of the Board of Trustees is requested and authorized to approve material adjustments in this budget as may be determined necessary and presented by the President.

Section 5. In order to manage the University’s opportunities to refinance its outstanding General Fee Revenue Bonds and thereby reduce the University’s overall debt service obligations as and when possible, the Authorization attached as Exhibit A is hereby approved and adopted as if set forth in full in this resolution.

AUTHORIZATION FOR THE ISSUANCE OF REVENUE REFUNDING BONDS
OF AUBURN UNIVERSITY

[Attached]
EXHIBIT A

AUTHORIZATION FOR THE ISSUANCE
OF REVENUE REFUNDING BONDS OF AUBURN UNIVERSITY

WHEREAS, it is desirable and appropriate for Auburn University (the “University”) to issue its General Fee Revenue Bonds from time to time for the purpose of refunding and paying certain of its prior outstanding bonds and thereby achieving an overall interest rate expense savings to the University; and

WHEREAS, in order to manage the University’s refunding opportunities in the most efficient manner possible and to permit the University to take advantage of changing market conditions, it is desirable and appropriate to authorize the officers of the University to arrange for the issuance of refunding bonds without further approval of the Board of Trustees, subject to the limitations expressed in this authorization.

THEREFORE, by virtue of the Resolution to which this Authorization is attached, the Board of Trustees hereby and thereby authorizes the following:

Section 1. Findings. The following bonds or leases of the University are currently outstanding:

(i) General Fee Revenue Bonds, Series 2012-A and Series 2012-B (Taxable), dated March 27, 2012, issued under the Sixteenth Supplemental General Fee Indenture dated as of March 1, 2012;

(ii) General Fee Revenue Bonds, Series 2014-A, dated July 1, 2014, issued under the Seventeenth Supplemental General Fee Indenture dated as of July 1, 2014;

(iii) General Fee Revenue Bonds, Series 2015-A, dated March 18, 2015, issued under the Eighteenth Supplemental General Fee Indenture dated as of March 1, 2015;

(iv) General Fee Revenue Bonds, Series 2015-B, dated September 10, 2015, issued under the Nineteenth Supplemental General Fee Indenture dated as of September 1, 2015;

(v) General Fee Revenue Bonds, Series 2016-A, dated August 17, 2016, issued under the Twentieth Supplemental General Fee Indenture dated as of August 1, 2016;
(vi) General Fee Revenue Bonds, Series 2018-A dated June 21, 2018, issued under the Twenty-First Supplemental General Fee Indenture dated as of June 1, 2018;

(vii) General Fee Revenue Refunding Bonds, Series 2020-A, dated March 18, 2020, issued under the Twenty-Second Supplemental General Fee Indenture dated as of March 1, 2020;

(viii) Taxable General Fee Revenue Refunding Bonds, Series 2020-B, dated March 18, 2020, issued under the Twenty-Second Supplemental General Fee Indenture dated as of March 1, 2020;

(ix) Taxable General Fee Revenue Bonds, Series 2020-C, dated July 29, 2020, issued under the Twenty-Third Supplemental General Fee Indenture dated as of July 1, 2020;

(x) General Fee Revenue Bond, Series 2021-A, dated May 5, 2021, issued under the Twenty-Fourth Supplemental General Fee Indenture dated as of May 1, 2021;

(xi) Lease Revenue Bonds, Series 2017 (Auburn University Educational Complex Gulf Shores Project).

The bonds described in (i) – (xii) above are herein referred to as the “Outstanding Bonds.”

Section 2. Authorization of Bonds. The University is hereby authorized to issue its revenue bonds for the purpose of refunding any or all of the Outstanding Bonds. The said bonds shall be issued under the terms, conditions and provisions set out in the General Fee Revenue Trust Indenture dated as of June 1, 1985 between the University and The Bank of New York Mellon Trust Company, N.A., as successor trustee (herein called the “Trustee”), as heretofore supplemented, and as further supplemented by the Supplemental General Fee Revenue Indentures (the “Supplemental General Fee Indentures”) provided for in Section 6 of this authorization (the original General Fee Revenue Trust Indenture, as so supplemented being herein referred to as the “General Fee Revenue Indenture”). The bonds herein authorized (the “Bonds”) may be issued at such time or times and in such series as may be most advantageous to the University, subject to the provisions of Section 12 of this authorization. The Outstanding Bonds to be refunded by the Bonds are hereinafter referred to as the “Refunded Bonds.”

All the provisions of the General Fee Revenue Indenture, as applicable to the Bonds, are hereby adopted as a part of this authorization as if set out at length herein.

Section 3. Bonds to be Issued as Additional Parity Bonds; Special Findings. The Bonds shall be issued as additional parity bonds under Article VIII of the General Fee Revenue Indenture.
In accordance with the provisions of Section 8.2(b) of the General Fee Revenue Indenture, the Board hereby finds and declares as follows:

(a) The University is not now in default under the General Fee Revenue Indenture and no such default is imminent.

(b) Bonds the interest on which is excludable from gross income for purposes of federal income taxation shall be designated “General Fee Revenue Refunding Bonds, Series ___”. If it is necessary and appropriate to issue a portion of the Bonds as bonds the interest on which is taxable for purposes of federal income taxation, such bonds shall be designated “Taxable General Fee Revenue Refunding Bonds, Series ___”. The series designation shall be completed to reflect the calendar year in which the Bonds are issued and to provide any further identification of the Bonds as is appropriate.

(c) The persons to whom the Bonds are to be delivered are set forth in Sections 7 and 9 hereof.

(d) All of the Bonds are to be issued by sale in accordance with Section 7 hereof.

(e) The sale price of the Bonds shall be as set forth in Sections 7 and 12 hereof.

(f) The only parity bonds that have previously been issued by the University under the General Fee Revenue Indenture and that are currently outstanding are those bonds listed in (i) – (x) of Section 1 above along with the supplemental indentures under which they were issued.

(g) The Refunded Bonds are to be refunded from proceeds of the Bonds, subject to the determinations and conditions set forth in Sections 11 and 12 hereof.

The Trustee is hereby requested to authenticate and deliver the Bonds to the purchaser specified in Section 7 hereof upon payment of the purchase price designated therein.

Section 4. Source of Payment of the Bonds. The principal of and the interest on the Bonds shall be payable from (i) the gross revenues from those general tuition fees levied against students at the Auburn, Alabama campus and the Montgomery, Alabama campus of the University that are more particularly described and referred to as “General Fees” in the General Fee Indenture; (ii) the gross revenues derived by the University from the operation of its housing and dining facilities located on the Auburn campus and on the Montgomery campus that are more particularly described and referred to as “Housing and Dining Revenues” in the General Fee Indenture; (iii) the gross revenues derived by the University from the operation of its athletics programs that are more particularly described and referred to as “Athletic Fee Revenues” in the General Fee Indenture; and (iv) the several student fees levied against students.
at the Auburn campus and the Montgomery campus that are more particularly described and referred to as the “Pledged Student Fees” in the General Fee Indenture. The said General Fees, Housing and Dining Revenues, Athletic Fee Revenues, and Pledged Student Fees are referred to herein as the “Pledged Revenues.”

Nothing contained in this authorization, in the Bonds, in the General Fee Revenue Indenture, or in the supplemental indentures hereinafter authorized shall be deemed to impose any obligations on the University to pay the principal of or the interest on the Bonds except from the Pledged Revenues. Neither the Bonds, nor the pledge or any agreement contained in the General Fee Revenue Indenture, in any supplemental indenture or in this authorization shall be or constitute an obligation of any nature whatsoever of the State of Alabama, and neither the Bonds nor any obligation arising from the aforesaid pledge or agreements shall be payable out of any moneys appropriated to the University by the State of Alabama. The agreements, covenants or representations contained in this authorization, in the Bonds, in the General Fee Revenue Indenture, and in any supplemental indenture do not and shall never constitute or give rise to any personal or pecuniary liability or charge against the general credit of the University, and in the event of a breach of any such agreement, covenant or representation, no personal or pecuniary liability or charge payable directly or indirectly from the general revenues of the University shall arise therefrom. Nothing contained in this section shall, however, relieve the University from the observance and performance of the several covenants and agreements on its part herein contained.

Section 5. Bonds Payable at Par. All remittances of principal of and interest on the Bonds to the holders thereof shall be made at par without any deduction for exchange or other costs, fees or expenses. The bank or banks at which the Bonds shall at any time be payable shall be considered by acceptance of their duties hereunder to have agreed that they will make or cause to be made remittances of principal of and interest on the Bonds, out of the moneys provided for that purpose, in bankable funds at par without any deduction for exchange or other cost, fees or expenses. The University will pay to such bank or banks all reasonable charges made and expenses incurred by them in making such remittances in bankable funds at par.

Section 6. Authorization of Supplemental Indentures. The Board does hereby authorize and direct the President of the University to approve, execute and deliver, for and in the name and behalf of the University, to the Trustee, a Supplemental General Fee Revenue Indenture with respect to each series of the Bonds, and does hereby authorize and direct the Secretary of the Board to affix the official seal of the University to said Supplemental General Fee Revenue Indenture and to attest the same.

Section 7. Sale of the Bonds. The Bonds may be sold as an underwritten public sale, or by a private placement with one or more banks or other qualified institutional purchasers, as determined under Section 12 hereof. If the Bonds are sold through an underwritten public sale, the Board does hereby authorize and direct the President of the University or the Vice-President for Business & Finance and CFO of the University to approve, execute and deliver, for and in the name and behalf of the University, one or more Bond Purchase Agreements with respect to each series of Bonds between the University and an underwriter or underwriters (the “Underwriter”) approved under Section 12 of this authorization. If the Bonds are sold by private placement, the
Section 8. Authorization of Official Statements. The Board does hereby authorize and direct the Underwriter and/or Professionals designated under Section 14 of this authorization to prepare and distribute, for and in the name and on behalf of the University, a Preliminary Official Statement and a final Official Statement with respect to each series of Bonds issued under this authorization. The Board does hereby further authorize and direct the President or the Vice President for Business & Finance and CFO of the University to execute and deliver, for and on behalf of the University, such final Official Statement(s) and does hereby declare that the Official Statement(s) so executed by the President or the Vice President for Business & Finance and CFO of the University shall be the Official Statement(s) of the University with respect to the Bonds covered by such Official Statement(s).

Section 9. Execution and Delivery of Bonds. The Board does hereby authorize and direct the President of the University to execute the Bonds, in the name and on behalf of the University, by causing his signature or a facsimile thereof to be placed or imprinted on the Bonds, and does hereby authorize and direct the Secretary of the Board to cause the official seal (or a facsimile thereof) of the University to be applied or imprinted on the Bonds and to attest the same by causing his signature or a facsimile thereof to be placed or imprinted on the Bonds, all in the manner provided in the General Fee Revenue Indenture. The President of the University is hereby further authorized and directed to deliver the Bonds, subsequent to their execution as provided herein to the Trustee, and to direct the Trustee to authenticate all the Bonds and to deliver them to the Underwriter, upon payment to the University of the purchase price therefor in accordance with the provisions of Sections 7 and 12 hereof.

Section 10. Application of Proceeds. The entire proceeds derived by the University from the sale of the Bonds shall be paid to the Trustee under the General Fee Revenue Indenture. The Trustee is thereupon authorized and directed to apply and disburse such moneys for the purposes and in the order specified in the Supplemental General Fee Indentures.

Section 11. Redemption of Refunded Bonds; Authorization of Escrow Trust Agreement. Any series of Outstanding Bonds to be refunded by the Bonds or any series of the Bonds shall be called for redemption on the first date permitted for the call and redemption of such Outstanding Bonds subsequent to the date of issuance of the Bonds, at and for a redemption price equal to 100% of the principal amount of each bond so redeemed, plus accrued interest. The President and the Vice President for Business & Finance and CFO of the University are separately authorized to direct the Trustee to mail and/or publish notice of such redemption as required under the terms of the General Fee Revenue Indenture. Any such redemption notice mailed or published prior to the date of issuance of the Bonds shall provide that the call of the affected Refunded Bonds for redemption is contingent upon the issuance and sale of the Bonds.

Pursuant to Section 6.1(a) of the General Fee Revenue Indenture, the Board hereby confirms that the University is not in default under said indenture.
The President of the University is hereby authorized to approve, execute and deliver in the name and on behalf of the University an Escrow Trust Agreement or Agreements, between the University and the Trustee, if necessary or desirable, with respect to each series of Refunded Bonds to provide for the escrow and investment of proceeds of the Bonds until the redemption date of the Refunded Bonds.

Section 12. Authorization to Approve Certain Matters. The Board has determined that it is in the best interest of the University to authorize the issuance of the Bonds for the purposes described in this authorization and subject to the limitations of this authorization without a further meeting or approval of the Board. The Vice President for Business & Finance and CFO of the University and the Chairman of the Finance Committee of the Board are hereby authorized:

(a) to determine when and if any Bonds shall be issued and to approve the schedule of issuance for each series of Bonds; provided that no Bonds shall be issued under the authority of this authorization after December 31, 2023;

(b) to approve the principal amount of the Bonds to be issued in each series and the designation of the Bonds as tax-exempt or taxable Bonds; provided that the aggregate principal amount of each series of Bonds shall not exceed the amount necessary to pay the principal and interest on the Refunded Bonds (taking into account any original issue premium or discount) and the costs of issuing the Bonds;

(c) to determine which of the Refunded Bonds are to be refunded and redeemed by the Bonds; provided that any such refunding shall result in a minimum net present value savings of at least 3%;

(d) to determine whether the Bonds are to be sold to the public or are to be privately placed with one or more banks or other institutions, and the terms of either form of sale;

(e) to approve the forms of Supplemental General Fee Indenture(s), Bond Purchase Contract(s) (if the Bonds are sold to the public), Placement Agreement (if the Bonds are privately placed with a bank or financial institution), Preliminary Official Statement(s), Official Statement(s) and Escrow Agreement(s) to be delivered in connection with each series of Bonds;

(f) to approve the final form and pricing details of each series of Bonds, including the interest rates to be borne by such Bonds, the principal maturities thereof and any original issue discount or premium with respect to the Bonds; provided that the net interest cost of any series of Bonds shall not exceed 6%;

(g) to approve the expenses of issuing the Bonds; and
(h) to take such other steps and to execute and approve such other documents as may be necessary or appropriate to cause the Bonds to be issued, sold and delivered consistent with the provisions of this authorization and the General Fee Revenue Indenture.

The final approval by the Vice President for Business & Finance and CFO of the University and the Chairman of the Finance Committee of the Board of the items listed above may be conclusively evidenced by a certificate signed by each of them and delivered at the time of issuance of the Bonds.

Section 13. Severability. The various provisions of this authorization are hereby declared to be severable. If any provision hereof shall be held invalid by a court of competent jurisdiction, such invalidity shall not affect any other portion of this authorization.

Section 14. Designation of Professionals. The retention of PFM Financial Advisors LLC as financial advisor to the University, and the law firm of Balch & Bingham LLP as bond counsel to the University for the issuance of the Bonds are hereby authorized.

Section 15. General Authorization. The President of the University, Vice President for Business & Finance and CFO of the University and the Secretary of the Board are hereby authorized to execute such further certifications or other documents and to take such other action as any of them may deem appropriate or necessary for the consummation of the matters covered by this authorization, to the end that the Bonds may be executed and delivered at the times and on the terms most advantageous to the University.

WHEREAS, the life of Governor George Corley Wallace is one of great complexity from his early actions as a self-described segregationist to his later life when he apologized for his words and deeds promoting segregation; and

WHEREAS, Governor Wallace blemished his own legacy by publicly extolling segregation; and

WHEREAS, late in his life, Governor Wallace sought forgiveness and was publicly forgiven by prominent civil rights leaders, ultimately winning his final election as governor of Alabama in 1982; and

WHEREAS, Governor Wallace is widely recognized by both supporters and detractors as an influential proponent of Alabama’s publicly controlled two-year colleges; and

WHEREAS, the Board of Trustees, through a specially created task force, has made considerable effort to study the University’s past and to educate students and other university stakeholders, candidly and pointedly, on all aspects of Auburn’s and the State of Alabama’s history. This in-depth examination has highlighted the important contributions of minority students and stakeholders over the years; and

WHEREAS, the Board task force also desires to accurately illuminate the holistic legacy of historical figures whose mention in the names of campus buildings and other structures may conjure painful historical images for members of the Auburn community; and

WHEREAS, the Board desires to ensure that the University’s physical environment supports the University’s values as reflected in the Auburn Creed; and with Auburn’s mission to improve the lives of the people of Alabama, the nation, and the world through forward-thinking education, life-enhancing research and scholarship, and selfless service. This desire caused this Board to adopt the Policy Regarding Name Removal and Context of University Owned or Controlled Buildings and/or Structures Located on Auburn University Property (the “Name Removal and Contextualization Policy”) in November of 2020; and

WHEREAS, in accordance with the Name Removal and Contextualization Policy, the Board has determined that preservation of an accurate portrayal of history is best served by placing the existing name in historical context.

NOW, THEREFORE BE IT RESOLVED, that the Board of Trustees hereby instructs the University leadership to affix a memorial plaque at Wallace Hall on the main Auburn Campus which displays the text below:
Wallace Hall is named after George Corley Wallace, four-time governor of the State of Alabama and was erected on Auburn’s campus in 1984. The life of Governor Wallace was one of great complexity from his early actions as a self-described segregationist to his later life when he apologized for his words and deeds promoting segregation. In his last election as governor of Alabama, in 1982, he won with more than 90 percent of the black vote. The complexity of Wallace’s legacy has been an ongoing conversation for decades. Auburn’s obligation as an institution of higher education is to promote challenging conversations, which is a valuable component of the academic process.
