CREATION OF REFUNDING TRUST FUND AND
APPLICATION OF MONEYS ON DEPOSIT THEREIN

SECTION 3.1. Refunding Trust Fund. There is hereby created irrevocable trust fund the full name of which shall be the “2014-A Auburn University Refunding Trust Fund”, which shall be held by the Escrow Agent pursuant to the terms hereof, until the principal of and the interest on the Refunded Bonds shall have been paid in full.

Simultaneously with the execution and delivery hereof, there has been paid to the Escrow Agent from the initial proceeds of the Series 2014-A Bonds the aggregate sum of $74,751,880.79, the receipt of which sum the Escrow Agent hereby acknowledges. Promptly following the execution and delivery hereof, the Escrow Agent will purchase the Initial Securities described in Exhibit B hereto, and hold such Initial Securities as part of the Refunding Trust Fund, as also described in Exhibit B. The University represents that the aforesaid sum will be sufficient to enable the Escrow Agent to purchase the said Initial Securities.

The Refunding Trust Fund shall consist of (i) the Initial Securities, (ii) any cash from the initial deposit into the Escrow Fund remaining after the purchase of the Initial Securities, (iii) all Subsequent Securities purchased by the Escrow Agent pursuant to this Section and Section 3.4; (iv) the interest income on all Refunding Trust Fund Securities, (v) the principal proceeds derived from the payment or other conversion into cash of any of the Refunding Trust Fund Securities, and (vi) all other moneys deposited in the Refunding Trust Fund pursuant to the provisions hereof. Subject to the provisions of Sections 3.4, 3.5 and 3.6 hereof, moneys on deposit in the Refunding Trust Fund shall be applied by the Escrow Agent solely for the purposes and in the manner specified in Section 3.2 hereof. The moneys at any time on deposit in the Refunding Trust Fund shall be and at all times remain public funds impressed with a trust for the purpose for which the Refunding Trust Fund is herein created.

If, for any reason, the Initial Securities are not purchased, the University shall consult with Bond Counsel and shall take such actions as may be necessary to assure compliance with the Authorizing Resolution and the arbitrage provisions of the Internal Revenue Code of 1986, as amended, and the applicable regulations thereunder.

SECTION 3.2. Application of Refunding Trust Fund to Retirement of Refunded Bonds. The Escrow Agent shall collect all remittances of principal of and interest on the Refunding Trust Fund Securities, as and when such principal and interest respectively come due and payable, shall (to the extent necessary for such purpose) present such securities and any appurtenant interest coupons for payment on the respective due dates thereof and cause the same to be converted into cash, and shall apply the moneys in the Refunding Trust Fund to make the Required Escrow Payments.

SECTION 3.3. Notice of Redemption. The University hereby authorizes and
directs the Escrow Agent, in its capacity as trustee for the Refunded Bonds, to mail to the registered owner of each Refunded Bond to be redeemed a notice of redemption with regard to such Bonds.

SECTION 3.4. Subsequent Investments, Disbursement of Excess Cash.

(a) From time to time at the written request of the University, the Escrow Agent may sell any or all of the Refunding Trust Fund Securities then on deposit in the Refunding Trust Fund and use the proceeds from such sale available for such purpose to purchase at the written request of the University Subsequent Federal Securities which shall immediately become part of the Refunding Trust Fund; provided, however, that prior to effectuating any such sale and substitution, there shall have been delivered to the University and the Escrow Agent (i) a verification report prepared by a firm of certified public accountants experienced in such matters, confirming that the cash, if any, and the Federal Securities on deposit in the Refunding Trust Fund immediately after such sale and substitution (assuming payment of the principal of and interest on such Federal Securities at their respective maturities) will be sufficient, without further investment, to enable the Escrow Agent, to make the payments provided for in Section 3.2 hereof, and (ii) an opinion of Bond Counsel to the effect that such sale and substitution of Refunding Trust Fund Securities will not cause the interest on the Refunded Bonds or the Series 2014-A Bonds to become includable in the gross income of the recipients thereof for purposes of federal income taxation.

(b) At the written direction of the University, which shall provide such direction subject to the provisions of Sections 3.2 and 5.1 hereof, the Escrow Agent shall invest any other then uninvested cash forming a part of the Refunding Trust Fund in Federal Securities maturing on such dates, bearing interest at such rate or rates and being of such tenor, all as provided in the University’s written direction, as will assure (assuming payment of the principal thereof and the interest thereon at their respective maturities) the availability in the Refunding Trust Fund of cash which, together with the cash to be realized from payment of the principal of and the interest on the Refunding Trust Fund Securities at the respective stated maturities of such principal and interest, will be sufficient to enable the Escrow Agent to make the payments provided for in Section 3.2 hereof, at the times and in the amounts therein required.

(c) If at any time there is on deposit in the Refunding Trust Fund cash (other than any cash initially deposited therein) in excess of an amount which, together with the cash to be realized from payment of the principal of and the interest on the Refunding Trust Fund Securities at the respective maturities of such principal and interest (assuming due and timely payment thereof), will be sufficient to enable the Escrow Agent to make the payments provided for in Section 3.2 hereof, at the times and in the amounts therein required, the Escrow Agent shall distribute and pay over to the University all such excess cash.

SECTION 3.5. Purchase of Certain Refunded Bonds for Retirement. Conversion of Refunding Trust Fund Securities into Cash to Effect Purchase of Refunded Bonds. Upon being requested by the University in writing to purchase any or all of the Refunded Bonds for retirement (the form of such request and evidence of the due authorization thereof on the part of the University to be satisfactory to the Escrow Agent), the Escrow Agent shall, subject to the provisions of Section 3.6 hereof, at any time and from time to time, apply moneys in the
Refunding Trust Fund for the purchase for retirement of such principal amounts of the Refunded Bonds as may be specified in such written request; provided that the Escrow Agent shall not purchase for retirement any of the Refunded Bonds pursuant to any such written request unless (a) it shall have received a verification report and an opinion of Bond Counsel as described in Section 3.4(a) hereof, and (b) prior to or simultaneously with such purchase, there are surrendered to the Escrow Agent, in its capacity as trustee for the Refunded Bonds, for cancellation and retirement, the Refunded Bond or Bonds to be so purchased.

If cash shall be needed to purchase any of the Refunded Bonds so requested to be purchased for retirement, the Escrow Agent shall, as directed in writing by the University, convert into cash such amount of the Refunding Trust Fund Securities as, when added to any cash then on deposit in the Refunding Trust Fund that may be available for such purpose, will be sufficient to supply the cash required for such purpose. Anything to the contrary in this Section 3.5 notwithstanding, the Escrow Agent shall not purchase any of the Refunded Bonds for retirement pursuant to any request made by the University unless after such purchase, as shall be provided in the verification report delivered to the Escrow Agent pursuant to the first paragraph of this Section 3.5, there shall remain in the Refunding Trust Fund (1) Refunding Trust Fund Securities which (assuming payment of the principal thereof and the interest thereon at their respective maturities) will produce funds sufficient to enable the Escrow Agent to make the remaining payments provided for in Section 3.2 hereof, at the times and in the amounts therein specified, (2) both cash and Refunding Trust Fund Securities which together will produce funds sufficient for such purpose, or (3) cash sufficient for such purpose. In connection with the purchase for retirement of any of the Refunded Bonds at the request of the University, the Escrow Agent shall not be obligated to request or advertise for tenders, although it may do so if it so desires.

SECTION 3.6. Concerning Certain Actions Under this Escrow Trust Agreement. The provisions of Section 3.5 hereof to the contrary notwithstanding, the Escrow Agent may not at any time apply moneys in the Refunding Trust Fund to the purchase for retirement of Refunded Bonds, or convert any Refunding Trust Fund Securities into cash prior to their respective stated maturities or take other action preliminary to any such purchase for retirement, unless it is advised in writing by Bond Counsel that such purchase, conversion or other action will not, in its opinion, result in the interest on any of the Refunded Bonds or the Series 2014-A Bonds becoming includable in the gross income of the recipients thereof for purposes of federal income taxation.

ARTICLE IV

resolution, verification, opinion, request, consent, certificate or other paper or document which the Escrow Agent or any Successor Escrow Agent believes to be genuine and signed or acknowledged by the proper party;

(e) any Successor Escrow Agent may be the owner of Refunded Bonds and Series 2014-A Bonds, or any thereof, as if not Successor Escrow Agent hereunder;

(f) neither the Escrow Agent nor any Successor Escrow Agent shall be liable hereunder for the proper application of any moneys other than those that may be paid to or deposited with it, as the case may be;

(g) any Successor Escrow Agent may act as paying agent for the Refunded Bonds or the Series 2014-A Bonds as if not acting as Successor Escrow Agent hereunder;

(h) all moneys received by the Escrow Agent or any Successor Escrow Agent to be held hereunder shall be held as trust funds until disbursed in the manner herein provided therefor, and neither the Escrow Agent nor any Successor Escrow Agent shall be liable to pay or allow interest thereon or otherwise to invest any such moneys except as specifically required herein;

(i) the Escrow Agent and any Successor Escrow Agent shall, upon reasonable written request, advise the University of the amounts at the time contained in the Refunding Trust Fund and in what Escrow Fund Securities such amounts are invested;

(j) neither the Escrow Agent nor any Successor Escrow Agent shall be liable for any act or omission of any other person acting as Escrow Agent hereunder or for failure to sue or cause to be sued any predecessor Escrow Agent (if any) for any accounting or any alleged breach of trust or breach hereof or loss realized by the Refunding Trust Fund, in the absence of a direction for such suit made in writing by the University and a written agreement by the University to indemnify the Escrow Agent for the costs and expenses of such suit;

(k) none of the provisions hereof shall require the Escrow Agent or any Successor Escrow Agent to expend or risk its own funds or otherwise to incur personal financial liability in the performance of any of its duties or in the exercise of its rights or powers hereunder;

(q) anything in this Escrow Trust Agreement to the contrary notwithstanding, in no event shall the Escrow Agent be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Escrow Agent has been advised of such loss or damage and regardless of the form of action;

(r) in the event that the Escrow Agent shall be uncertain as to its duties or rights hereunder or shall receive instructions, claims or demands from the University which, in its opinion, conflict with any of the provisions of this Escrow Trust Agreement, it shall be entitled to refrain from taking any action and its sole obligation shall be to keep safely all property held in escrow until it shall be directed otherwise in writing by all of the other parties hereto or by a final order or judgment of a court of competent jurisdiction;

(s) the Escrow Agent shall not be liable for the accuracy of the calculations concerning the sufficiency of moneys and of the principal amount of the Federal Securities and the earnings thereon to pay the Refunded Bonds;

(t) the Escrow Agent and any of its affiliates may become owner of or may deal in the Refunded Bonds and the Series 2014-A Bonds, as fully and with the same rights as if it were not the Escrow Agent hereunder;
