RESOLUTION

APPROVAL OF MINUTES

WHEREAS, copies of the minutes of the Reconvened Meeting on Friday, November 18, 2016 minutes have been distributed to all members of this Board of Trustees for review.

NOW, THEREFORE, BE IT RESOLVED by the Auburn University Board of Trustees that the minutes of its Friday, November 18, 2016, meeting are hereby approved as distributed.

Mr. McCrary then called upon Dr. Gogue for the President’s Report. Dr. Gogue called upon Dr. Stockton, who gave a brief report from the AUM campus. Dr. Gogue then reported on items from the Auburn University campus.

Mr. McCrary thanked Dr. Gogue for his report.

Mr. McCrary then moved to Committee Reports as follows:

Academic Affairs Committee -- Chairperson Newton. Trustee Newton reported that the Academic Affairs committee met earlier and moved for approval of the one item, establishment of programs leading to the BS in Aviation Management in the BS in Professional Flight with Related Organizational Changes. A second was received from Mr. Rane and the following resolution was unanimously approved:

RESOLUTION

ESTABLISHMENT OF PROGRAMS LEADING TO THE BS IN AVIATION MANAGEMENT AND THE BS IN PROFESSIONAL FLIGHT, WITH RELATED ORGANIZATIONAL CHANGES

WHEREAS, Auburn University has been actively involved in aviation education since 1941 and is considered a national leader in aviation education and research; and

WHEREAS, recent changes in Federal Aviation Administration regulations make it advantageous for students to complete programs of study that contain at least sixty (60) credit hours of FAA-approved coursework; and
WHEREAS, to that end, it is proposed that bachelor degree programs be established containing the requisite FAA-approved coursework and leading to the Bachelor of Science in Aviation Management and the Bachelor of Science in Professional Flight; and

WHEREAS, it is anticipated that these aviation education programs would continue to be accredited by the Aviation Accreditation Board International; and

WHEREAS, the establishment of these programs would entail three (3) related organizational changes, to include 1) phasing out the options in Aviation Management and Professional Flight Management currently offered within the Bachelor of Science in Business Administration and Management; 2) transferring administrative oversight for Auburn’s aviation education programs from the Harbert College of Business to the University College; and 3) establishing a Department of Aviation within the University College to unite all Auburn University aviation faculty and staff in one organizational unit; and

WHEREAS, the Harbert College of Business has prepared an appropriate teach-out plan for students currently enrolled in and wishing to complete, the aviation-related degree options of the Bachelor of Science in Business and Management rather than transferring to the newly established aviation programs; and

WHEREAS, the proposed establishment of these programs leading to the Bachelor of Science in Aviation Management and the Bachelor of Science in Professional Flight, together with the three (3) associated organizational changes described, has received the support of the Aviation Management Advisory Board and has been approved by all appropriate faculty and administrative review groups, including the curriculum committee and Dean of the Harbert College of Business, the Director of the Auburn University Airport and Aviation Center, the Associate Provost for Undergraduate Studies, the University Curriculum Committee, the Academic Program Review Committee, the Provost, and the President.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University as follows:

1. That the proposed degree programs leading to the Bachelor of Science in Aviation Management and the Bachelor of Science in Professional Flight, to be administered by the University College, are approved and forwarded to the Alabama Commission on Higher Education for review and approval; and

2. That the associated phasing out of both aviation-related degree options currently offered within the Bachelor of Science in Business Administration and Management are approved, reported to the Alabama Commission on Higher Education as in item of information, and submitted to the Southern Association of Colleges and Schools Commission on Colleges as a proposed substantive change requiring the approval of that body; and
3. That the formation of a Department of Aviation within the University College is approved and will be reported to the Alabama Commission on Higher Education as an item of information.

Audit and Compliance Committee - Chairperson Dumas indicated that Kevin Kelly, Audit Engagement Partner, and Erin Tench, Audit Engagement Manager, of PricewaterhouseCoopers, appeared before the committee to make a brief presentation. Their remarks highlighted the unmodified opinion given to the FY 2016 Auburn financial statements and Required Communications with the Audit Committee as required by the Auburn University Board of Trustees Audit and Compliance Committee Charter. Upon completion of their presentation, Chairperson Dumas moved for approval of the report. A second was received from Ms. Huntley, and everyone agreed to accept the report.

Property and Facilities Committee - Chairperson B.T. Roberts indicated that the Property and Facilities Committee had met earlier to consider seven resolutions and moved for a motion to approve a consent agenda. A second was received from Mr. Harbert, and the following resolutions were approved:
