Auburn University Transfer Applicant Plan of Study

*While this is not your application for admission, it will be helpful for you
to submit this Plan of Study as part of the application review.*

The information on this form will be used to help an Auburn University academic advisor build your class schedule for your first term of enrollment. It is very important that the information you provide be accurate and complete if they are going to build you the best possible schedule. Students who are admitted and deposited before March 1 for summer and/or fall semester or before October 1 for spring semester, and who submit this form will have a completed schedule provided to them at their SOS (orientation) session. Students not meeting those deadlines must still submit the completed Plan of Study prior to registering for SOS, but will not be pre-registered for classes.

This form and the \$200 confirmation deposit must be received prior to registering for SOS (transfer orientation).

Please complete this form carefully and realistically and keep a copy of this document for your records.

For questions or additional information, please contact a transfer advisor at 334-844-6425.

Part 3: Advising and Changes

By initialing below, I agree that if anything changes (for example, I change my major or the courses I complete differ from the ones listed above), it is my responsibility to inform my academic college. I understand that the accuracy of the advising and/or my pre-registered schedule relies on the information in this Plan of Study. If I do not communicate my changes or miss the February/ September deadline, it will be my responsibility to register for the appropriate courses when class availability may be limited after meeting with my advisor during SOS. Any changes to my Plan of Study or questions should be directed to an advisor in the Dean's Office of my AU College/ School.
