Next Steps
A Guide for Transfer Students
Welcome to Auburn

Congratulations and welcome to the Auburn Family. We know that things are a bit “different” these days! Here’s one thing that never wavers — the Auburn people. We’re here right now to make sure you get whatever you need to keep you moving forward to fall.

Finalizing Your Admission

To confirm your place at Auburn University, you must complete all of the following by the deadlines given below:

1. **Activate your Auburn user account.**
   - Visit auburn.edu/activate for instructions to activate your Auburn account. Once your account is activated, you will be able to log in to AU Access. You will need to link your email address (your Auburn email account), which will be the official form of communication for Auburn University. It is important to activate your account first so you will need access to these tools to complete your Auburn account setup.

2. **Submit your $250 enrollment deposit.**
   - You must submit your enrollment deposit by the following dates:
     - **Summer term — May 1**
     - **Fall term — July 1**
     - **Spring term — November 1**
   - Submit your enrollment deposit online via your Auburn Applicant Portal at apply.auburn.edu. Once you have submitted your enrollment deposit, registration time tickets will open for registered classes and you will be applied based on your first semester torn and orientation requirements. Changes to your registration will only be made if the email address provided is correct and should be paid accordingly. All students are required to pay the enrollment deposit to reserve space in their degree program and to activate their student account. If you are accepted after the deposit deadline, you will need to contact the Office of Admissions to discuss your options. This deposit is non-refundable and will be applied toward your first term at Auburn University.

3. **Complete the pre-orientation modules.**
   - Visit auburn.edu/sos for more information about the pre-orientation modules. You will complete the modules online and submit your registration deposit online. These modules will help you complete your transfer plan of study and prepare you to register for classes when you arrive on campus in the fall. You will need to complete the modules as soon as possible as your academic advisor will begin reviewing your information. Visit auburn.edu/sos for more information.

4. **Register for classes.**
   - You must complete the pre-orientation modules and submit your enrollment deposit and transfer plan of study to be cleared to register for classes. After your advisor approves your information, you will receive a registration time ticket to take your classes. More information about when, and how to register will be available via the pre-orientation modules.

5. **Register for orientation.**
   - Visit auburn.edu/sos for the most up-to-date information about your Auburn orientation sessions.
   - You must attend orientation to keep your registered class schedule.
   - To register for SOS, you must submit the $250 enrollment deposit. A student may request SOS without completing the modules, however, they will not be able to register classes until they complete the modules and submit the transfer plan of study.

Pre-Orientation Modules

These modules provide you with key information prior to your orientation session and help facilitate communication with your academic advisor. All Auburn University class registration is assigned by specific time tickets based on the number of hours you have completed. For spring semester, time tickets open in the beginning of October and for summer and fall semesters, time tickets open in the beginning of April. Aim to complete the first steps by October 15 (for spring) and March 15 (for summer/fall) so that you can be ready to discuss your schedule with your academic advisor. You can complete the modules as soon as possible as the longer you wait, the fewer class options will be available.

SCHOLARSHIPS

Following acceptance, incoming transfer students must complete the scholarship application through the Auburn University Scholarship Opportunity Manager (AUSOM) by 4:45 p.m. CST to receive consideration for all scholarships on the following dates:

- **February 1** for consideration for scholarships.
- **June 1** for nursing or veterinary medicine students.

All students accepted to Auburn University are automatically considered for all scholarships unless they opt-out through the AUSOM by 4:45 p.m. CST on June 1. For information about other scholarships, visit auburn.edu/scholarships.

SCHOLARSHIP OPPORTUNITIES

At Auburn University, we offer many opportunities for students to reduce their expenses. To learn more about these opportunities, visit auburn.edu/scholarships.
