All students are required to pay the confirmation deposit including PACT participants, athletic scholarship recipients, and academic scholarship recipients. If you are accepted after the deposit deadline, you have 30 days from your acceptance date to submit your confirmation deposit. This is not a deposit for university housing.

3. **Submit your Plan of Study**

These students should contact the Office of the Registrar for registration information at 334-844-2544.
Priority Registration & Standard Registration

Fall Term Priority Registration Deadline: March 1
Spring Term Priority Registration Deadline: October 1

Auburn University offers incoming transfer students a one-time opportunity to be pre-registered for their classes. If you submit the $200 confirmation deposit and Plan of Study by the March 1 deadline (October 1 for transfer students entering spring term), you will be placed in classes applicable to your major by professional academic advisors. This is done prior to the registration of Auburn’s current students, allowing you the first choice of classes. If you do not meet the deadlines mentioned above, you will be unable to register until current Auburn students have registered. This pre-registration is a new transfer student benefit only, so we strongly encourage you to take advantage of this opportunity.

• If you meet the priority registration deadline:
  You will be registered by your academic advisor for summer and/or fall classes and will receive your schedule of classes when you attend Successfully Orienting Students (SOS), our orientation program for incoming transfer students. You may expect enrollment in 5-7 hours for summer semester and 12 or more hours for fall semester. To receive this benefit, you must have either attended SOS or be registered for SOS by June 1. If this stipulation is not met, your schedule(s) will be dropped, and you must still attend SOS in August prior to registering for classes. Students starting summer term should plan to attend SOS in May or earlier.

• If you do NOT meet the priority registration deadline:
  You will meet with your academic advisor and receive registration instructions at SOS. Class selection may be very limited. The sooner you attend SOS, the longer you will have to work on your schedule and the more likely you will be able to obtain a full schedule of classes, although your schedule might not be finalized until August.

Orientation

Successfully Orienting Students
SOS is a one-day orientation program for transfer students. Led by Auburn student leaders, the program emphasizes campus life and services, sets up meetings with academic advisors, and initiates small group discussions about college life at Auburn. Visit auburn.edu/sos or call 334-844-4501 for more information.

Scholarships & Financial Aid

Scholarships
Auburn provides a variety of scholarships to eligible students through the Auburn University Scholarship Opportunity Manager (AUSOM). Students must complete the scholarship application through AUSOM by 4:45 p.m. CST February 10 to receive consideration for Transfer Scholarships, as well as General Scholarships and Departmental Scholarships. Incoming students are not required to submit the confirmation deposit to apply for scholarships and are only required to complete the scholarship application once each academic year.

To begin your scholarship search in AUSOM and complete the application, visit the AUSOM channel on the Admitted Students tab within AU Access.

Students should complete the Free Application for Federal Student Aid (FAFSA)®, available online beginning in October. The FAFSA must be received by Auburn University by March 1 for consideration of financial aid, including need-based scholarships.

Visit auburn.edu/scholarship for more information on scholarships and AUSOM.

Financial Aid
More than 60% of Auburn students receive some type of financial assistance. The FAFSA® is available online beginning in October and should be received by Auburn University by March 1 for consideration of financial aid, including need-based scholarships.

Types of financial aid available include grants, loans, and work-study programs.

Course Catalog

You will register for classes during orientation. To familiarize yourself with classes at Auburn, you can review and download the latest version of the Auburn University Bulletin, our course catalog, at auburn.edu/bulletin.

Medical Form

A Medical Information Form must be submitted prior to your enrollment at Auburn. The form can be accessed online at auburn.edu/aumc/Forms.aspx. For more information email aumcmedrecords@eacm.org or call 334-844-4416.

Summer Students

Students who wish to enroll summer term but who do not meet the February 1 priority registration deadline should plan to attend SOS in the spring. You may begin summer and fall registration immediately after SOS. For this reason, it is highly advantageous to attend SOS in the spring.

Students who wish to enroll summer term but who do not meet the February 1 deadline or attend SOS in the spring will be allowed to enroll in summer classes only and will be required to attend the SOS session in August prior to registering for fall semester. Because students who attend the August SOS session may be unable to obtain full-time course hours, it is highly advantageous to attend SOS in the spring.

• You cannot register for SOS until your confirmation deposit and Plan of Study have been submitted.
