Award Description The Team-Math Teacher Leader Academy for Elementary Mathematics Specialists builds on the design for Secondary Mathematics Teachers. The Academy will identify a cadre of 15 fellows in high-needs school who have the potential to make a significant impact on the mathematics instruction among their colleagues. The goal of the project is to improve the mathematical content knowledge and pedagogical content knowledge, as well as their understanding of how to more effectively lead efforts to improve instruction in their school and district, of a cadre of 22 elementary teachers with particular interest in mathematics teaching. Participants receive an annual stipend to serve as leaders within high-needs schools.
