PATHWAYS | Business Analytics

Bachelor of Science in Business Administration

**COURSE SELECTION**

**FRESHMAN**
- In BUSI 1010, you will take self-assessments and learn about majors within the Harbert College of Business to begin career planning.

**SOPHOMORE**
- In BUSI 2010, you will advance your professional skills, polish your resume, develop networking etiquette and prepare for an internship search and interviewing.

**JUNIOR**
- Begin major classes and choose electives that fit your career interest. Enroll in the professional development course for your major to apply the skills gained in previous classes to your job and internship search.

**SENIOR**
- Work through your major classes and continue electives that fit your career interest.

**ASK FOR ASSISTANCE**
- Meet with your academic advisor to outline your plan of study for Pre-Business curriculum.
- Visit OPCD to discuss majors of interest.

**GAIN EXPERIENCE**
- Seek opportunities to join Undergraduate Advisory Council and student organizations related to your interests.
- This is the time to look for job shadowing opportunities in your majors of interest.
- Begin thinking about leadership roles in organizations you are currently involved in.
- Attend Fall and Spring Career Fairs.
- Obtain an internship for the summer following junior year in your chosen field. Seek out part time employment opportunities.
- If you are considering earning an MBA, start studying and taking the GMAT.
- Use LinkedIn (linkedin.com/alumni) to identify alumni who could assist you in your job search.

**GET INVOLVED**
- Follow the Harbert College of Business on Twitter @AUBusiness. Follow the Office of Professional and Career Development on Twitter @AUOPCD
- Join organizations that align with your specific major within the HCOB.
- Utilize AUInvolve (auburn.edu/auinvolve) to identify organizations of interest within the university, to attend meetings and enhance your resume.
- Attain leadership positions in the organizations you are involved in.
- Become a student member in professional organizations related to your major.
- Seek out other leadership roles in organizations.
- Begin to use the connections you have made through campus involvement and networking to begin your full-time job search.

**Career Planning**
