**FRESHMAN**

- Acquaint yourself with the School of Fisheries and potential areas of emphasis. Recognize that Biology is the foundation upon which your Fisheries degree is built.
- Gateway Courses: FISH 1100 (FALL), BIOL 1020/21 AND BIOL 1030/31
- At end of sophomore year students will choose their area of emphasis: Pre-Professional, Fisheries and Aquatic Resource Management, Aquaculture or Marine Resources.
- Gateway Courses: BIOL 3060 AND FISH 2100 (SUMMER)

**SOPHOMORE**

- Students choose coursework related to chosen area of emphasis. Think about obtaining an internship or Fisheries related research experience.
- Gateway Courses: FISH 5220 (FALL) AND FISH 5320/21 (SPRING)
- Complete upper level courses within your chosen area of emphasis. Complete research/internship experience. Students should be prepared to enter the workforce or advanced education with a skill set that will enable success in their chosen area of interest.
- Gateway Courses: FISH 5380 AND FISH 5510

**JUNIOR**

- Meet with your assigned faculty advisor each semester to discuss your major and academic plan.
- Academic Support provides several free resources to improve academic performance, including Study Partners, Supplemental Instruction and academic coaching. (auburn.edu/academic support)

**SENIOR**

- Check your “This Week on Ag Hill” and “Find Your Career” e-mails to learn about ways you can get involved and gain experience on campus.
- Use LinkedIn (linkedin.com/alumni) to identify past graduates in your major.
- Contact them to set up informational interviews and shadowing opportunities to gain further understanding of your major in the world of work.
- Consider traveling abroad. The college offers Study Abroad Scholarships to students studying abroad.
- Apply to the Ag Alumni Mentoring Program. Students get to take part in job shadowing opportunities, networking opportunities, and see first hand where your degree can take you.

**ASK FOR ASSISTANCE**

- Meet with a counselor in the Career Center to explore career options and receive individualized assistance.
- Pursue opportunities for an internship.
- Attend professional development events (Career Fairs, Etiquette Dinners, Workshops)
- Attend All Majors Career Expo (auburn.edu/career/events).

**GAIN EXPERIENCE**

- Work with the Career Center to update your resume and cover letter.
- Pursue leadership roles in your organization to exercise and enhance your skills.
- Gamma Sigma Delta is the Honor Society of Agriculture. The organization is dedicated to recognizing your academic achievements.
- Volunteer! Seek out opportunities that cater to your interest and also challenge you to get out of your comfort zone.
