Fall 2004

AU Co-Op Program Wins 2 Awards

The Auburn University Co-Op Program was recently honored by the Alabama Association of Colleges & Employers (AACE) with two awards. Victoria L. Salazar was chosen as the 2004 Co-Op of the Year for the State of Alabama. Prior to graduating Summa Cum Laude in May 2004, Victoria co-oped as a Materials Engineering student at NASA's Kennedy Space Center in Cape Canaveral,

Florida for three semesters.

Additionally, the AU Co-Op Program received the AACE Achievement Award for best Audio Visual Program. Information Technology Student Assistant, Zach T. May, was honored for his work in producing an 8 minute informative video titled *Auburn Co-Op Video*. Zach graduated in May 2004 with a degree in Information Systems Management and is currently employed in Atlanta, Georgia.

AACE operates as a network of educational institutions, businesses, industries, and government agencies working together to help Alabama college students embark upon successful careers.
