Spring 2007

The *Time* has Come to Register for Co-Op!

Co-Op Registration Sessions will soon be in full swing and that means now is the *perfect time* to see all that the Co-Op Program has to offer! At graduation, co-op students have one year of work-related paid experience in their field of study. This experience sets them apart and allows them to earn over 12% higher starting salaries.

Don't Be Late!

We encourage students to apply early to take advantage of the many benefits, especially Co-Op Interview Day. This Spring's Co-Op Interview Day will be held on March 1, 2007 and we anticipate over 75 different employers to attend!

Students wishing to apply need a 2.20 minimum GPA and must attend one of the Registration Sessions listed. Find out more at:
