

# **Alabama Possible Poverty Simulation**

Minority Association of Pre-Health Students

Alabama is the sixth poorest state in the nation, and nearly 900,000 of our neighbors live below the federal poverty line. The poverty simulation was designed to sensitize those who frequently deal with low-income families, as well as to create a broader awareness of the realities of poverty .

**When: February 23 9:00am**

**Where: VCOM MPR**
