

How to Create an Open Blackboard Account

1. Select **Open Blackboard at Auburn University**.

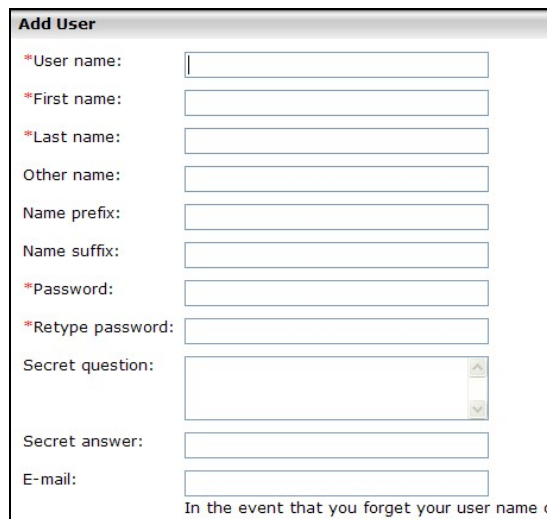

2. Select the **Create Account** link.

Note: *Do not* create an Open Blackboard username if you have an Auburn username. Only non-AU users should create an Open Blackboard username.

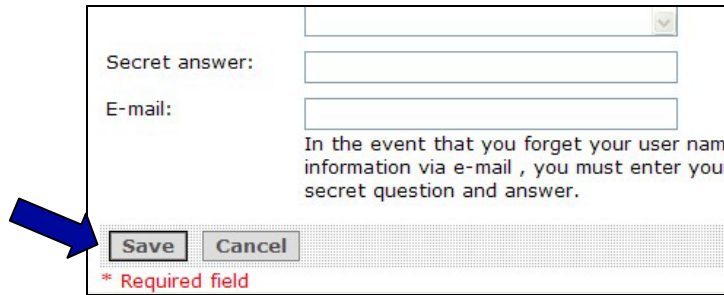

3. Enter your information.

A screenshot of the "Add User" form. It contains several input fields for user information: "User name", "First name", "Last name", "Other name", "Name prefix", "Name suffix", "Password", "Retype password", "Secret question" (a dropdown menu), "Secret answer", and "E-mail". There is a note at the bottom: "In the event that you forget your user name o".

How to Create an Open Blackboard Account

4. Click the **Save** button.

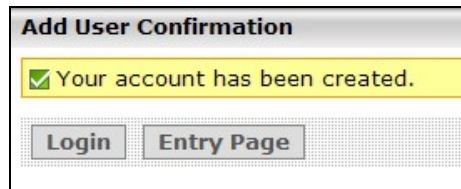

Secret answer:

E-mail:
