The Design Intelligence 2008 Education Survey and Ranking listed the AU/INDD undergraduate program 6th and graduate program 8th in the country.

The fourth Annual Designing “Green” “trash talk” event was a great success. The important message of material conservation and recycling was uniquely brought home by the innovative team assembled and produced. Thanks to all faculty (Professors Windham, Tsang, and Lauver, etc.) and designers (Coral Blanche, Brigitte Lesch, etc.) who made this event happen.

**The 30th Annual Design Interaction Symposium**

The 30th Annual Design Interaction Symposium is scheduled for Friday, November 2008, from 8:30 till 2:00 in the Dudley Hall Auditorium. Industrial and graphic designers from Kohler Planning Fixtures and Dell Computers will present how industrial and graphic designers integrate their effort to promote highly design sensitive products within their respective companies.

Department Head Clark Lundell co-authorized a paper “Science as 21st Century"...
Mythology” with AU Biology Professor James Bradley which was presented at the annual Alabama Academy of Science meeting in Birmingham. Clark also made a presentation on Instructional Design at the first annual Manufacturing Matters meeting hosted by the Alabama Technology Network in Montgomery. Clark’s post baccalaureate students designed award winning concepts for the International WoodWorks Association.

Pete Schiebel, Eric Thomas, Chad Borden, Franklin Hicks, and Ali Conn also provided critical support.
