

# INCUBATORS

## ALABAMA BUSINESS INCUBATION NETWORK

Business Incubators are facilities that provide small, entrepreneurial businesses with affordable space and shared support that includes business development services including financing, marketing and management. The Alabama Business Incubation Network is an organization of business incubation facilities in the State of Alabama established for the purpose of sharing collective knowledge and expertise among existing area developing business incubation facilities, thereby enhancing and improving the quality of the business incubation programs in the State of Alabama.
