

---

## PROGRAM OBJECTIVES

---

1. Increase professionalism and integrity in the examination of business records.
2. Provide training to improve competence in the conduct of examinations and compliance with Alabama laws governing sales, use, rental and related taxes.
3. Provide training so that private examiners can remain current in their field.

---

## OUR SERVICES

---

GEDI cooperates with various professional organizations to provide certification programs to enhance the knowledge and skills of public sector officials and employees. We provide on-site training to governments in a variety of topic areas aimed at improving personnel and financial management, strengthening leadership and team development, improving government services to citizens, increasing organizational efficiency, and educating about important legal and ethical issues. Programs are tailored to an individual government's needs and time considerations.

---

## ABOUT US

---

The Government & Economic Development Institute (GEDI) represents Auburn University's commitment to excellence in state and local government and non-profit organizations. Since 1976, the Institute has provided technical assistance, training, economic development, and survey and policy research to meet the changing needs of Alabama governments and public officials.

Auburn University is an equal opportunity educational institution/employer.
