

What to Bring to Camp

The following is a list of recommended items for Auburn Youth Camps. Different camps may require specific items, please refer to our [Auburn Youth Programs App](#) for Camp specific packing lists.

Supplies:

Students attending Auburn Youth Camps are required to bring their own linens and toiletries (pillows, pillow cases, twin sheets, blankets, bath towels, alarm clocks, soap, etc.). NOTE: Beds are XL Twin and rooms are generally quite cool at night, so be sure to bring a blanket! Visit our Camp Store if you wish to purchase a bedding package.

Clothing:

The temperature during the summer months is usually hot and humid. We urge students to bring cool cotton clothes. Shorts and comfortable shirts are acceptable attire. We expect students to dress as they would in their own school. During the day, there may be a need to move around campus; comfortable walking shoes are must! Do not forget to include an umbrella or raincoat!! Also, please bring at least one nice outfit (dress or shirt with nice pants, etc.) if your camp includes a graduation ceremony. Additionally, most camps will include some type of recreational athletic activity. Students should bring some clothes appropriate for sports/recreation. Be sure to bring a swimsuit as our camps provide the opportunity for recreational swimming!

Campers attending athletic camps should bring appropriate clothing, footwear and any required equipment.

Laundry:

Dormitories have coin-operated washers and dryers. So it is highly recommended that you bring washing supplies and enough coins for these services, if needed only.

Key/Meal Card Deposit:

A **\$50.00 check (or cash)** is due at registration and will be returned if both keys and meal cards are returned at check out. Please make check payable to Auburn University and write camper name on memo line. Do not mail key deposit. Bring to registration! NOTE: Should your student lose both, an additional \$50.00 payment will be required at check out.

Money:

All program expenses (except transportation to and from campus) are covered by program sponsors, so there should be no need to bring a large amount of money. Students may want to bring some cash; however, to purchase optional items such as snacks, AU mementos etc. About \$50 per week should cover any incidental expenses (e.g., gifts, snacks, toiletries).

Vending:

Vending machines are located in dorm lobbies; however, change machines are not available.

Shopping:

The campus has a University book store that carries a variety of emergency items and AU mementos. There are also two book stores in the heart of downtown Auburn which is within walking distance of the dormitories. Some camps will get the opportunity to even go to Toomer's Corner to shop and embrace the best tradition of the Auburn community.

Please note:

Smoking is prohibited in all campus facilities. Alcohol and illegal substances are prohibited as well.
