Making a Difference: Excellence in Relationships
Leadership Skills for Connecting to People

The Make a Difference seminar provides an innovative fast-paced experience geared towards increasing leadership skills as well as employee and customer satisfaction. It contains practical and insightful content that can be applied in diverse environments and situations.

The seminar teaches the powerful tool of connecting to all types of people at multiple levels both professionally and personally. It confronts the myths that drive our decisions and gives simple but profound tools for overcoming those misconceptions.

The presentation format is engaging and the material is relevant and applicable to a variety of professionals. It resonates with a wide range of leaders and team members from those who are highly technical to those who work in a people oriented work setting.

In this seminar, you will:

- Learn the key tenets of leadership.
- Learn how understanding your personality will assist in building better relationships with others.
- Learn the three components that shape every personality.
- Learn strategies for leading each of the four personality types.

When:
May 20, 2016
8:00a.m.—12:00 noon
