Featuring John O’Leary *Vistage International Speaker of the Year*

JOHN'S PRESENTATION WILL INSPIRE ACTION & IMPROVE BUSINESS RESULTS

"We expected fun-filled accountability training; what John O'Leary delivered was a life-changing day. I have since challenged myself and my team to do more for our customers. **Our customer satisfaction scores have risen and the interaction with my team has improved.** I recommend having John speak to your company."

- Mark Harmon, Store Manager, LEGO®

Take back your life . . . Ignite your possibility . . . Change your world

In 1987, John was a curious nine-year-old boy. Playing with fire and gasoline, he created a massive explosion in his garage and was burned on 100% of his body. John was given one percent chance to survive.

Today John shares his message with more than 100,000 people each year around the world in healthcare, sales, marketing, financial services, education, spirituality and safety. John is consistently given industry-defying gold stars for his emotional storytelling, genuine humor and his ability to empower audiences to take back their lives and change their world.

John intimately illustrates how the greatest challenges can be transformed into outstanding growth. His presentations are described as "captivating and life-changing."

JOHN'S STORY IS GENUINE, HIS VOICE AUTHENTIC & HIS IMPACT LONG-LASTING

"I have helped put together national sales meetings for Stryker Biotech; we've had a variety of speakers, from a POW to an astronaut to a special operations military professional – all heroes with stories of overcoming hardship. **None had stories as compelling or personal as John's.** I speak for the whole audience when I say that it was the most meaningful for all of us."

- Kathy Beard, Director, Stryker Biotech
