**PROFESSIONAL CAREER, TEST PREPARATION, AND CERTIFICATE PROGRAMS**

**ACT Blitz (Two Options, Classroom and Online)**
Let Auburn University’s ACT test-preparation program help you prepare for this important test! ACT Blitz classes, offered during the academic year, are strategically scheduled for the weeks leading up to the most popular ACT test dates. Classes are scheduled to allow time to practice new skills between sessions. Our multi-week course format allows abundant opportunities for learning and for interacting with our expert instructors. Classes include 16 hours of instruction, the official preparation guide including practice tests from ACT, a course workbook, and access to our online resources-class recordings, pre-recorded class modules, an instructor monitored question forum, and online office hours. The ACT Blitz classes are offered on campus and live-online.

- **Classroom:** Sundays (4) – March 1st to March 29th
- **Davis Hall, TBA** 1:00 – 5:00 PM
- **Online:** Sundays (8) – February 9th to March 29th
- **3:00 – 5:00 PM**
- **Auburn University Test Preparation** $499

**GRE Test Preparation Courses (Classroom and Online)**
Seeking a graduate degree? The GRE revised General Test measures critical thinking, analytical writing, verbal reasoning, and quantitative reasoning skills that have been acquired over a long period of time and that are not related to any specific field of study. The GRE is required for a large variety of master’s degree and doctoral degree programs.

- **Tuesdays and Thursdays** February 6th to March 3rd
- **Davis Hall, TBA** 6:00 – 9:00 PM
- **Auburn University Test Preparation** $499

**GMAT Test Preparation (Online Only)**
Considering an MBA? Let us help you get into the program of your choice. The GMAT is the preferred exam for many top-ranking full-time and part-time MBA programs. Our professional instructors will help you understand each section of the GMAT, dissect each item type, and develop a plan for test success.

- **Tuesdays and Thursdays** January 23rd to February 18th
- **February 20th to March 17th**
- **Online** 6:00 – 9:00 PM
- **Auburn University Test Preparation** $499

**LSAT Test Preparation (Classroom & Online)**
The LSAT is a paper-based standardized exam that is administered four times per year. Our LSAT test preparation courses are precisely scheduled to make sure students reach test day performing at their peak. Take the mystery out of the LSAT and get the tools you need to succeed on test day!

- **Tuesdays and Thursdays** March 19th to April 21st
- **Davis Hall, TBA** 6:00 – 9:00 PM
- **Auburn University Test Preparation** $899

**GRE/GMAT/LSAT Strategy Workshops (Online and Classroom)**
Free! Join us for an informative introduction to the revised GRE/GMAT/LSAT. If you are preparing for graduate or law school, you know that success on the GRE/GMAT/LSAT exam will play a critical role in your acceptance into the program of your choice. You want to study with the best. Come meet with our experienced instructor to learn about the test and pick up a few tricks. We know you’ll get a lot out of this free session. Due to limited space, pre-registration is encouraged.

Visit Aub.ie/testprep to sign-up!

**Clinical Medical Assistant Program**
This program prepares students to assist physicians by performing some clinical functions of a medical office. Instruction includes preparing patients for examination and treatment, routine laboratory procedures, pharmacology, taking and documenting vital signs, technical aspects of phlebotomy, the 12-lead EKG and the cardiac life cycle. Program also includes an optional clinical externship at a local healthcare provider.

- **Tuesday, Thursday, Saturday** March 3rd to June 18th
- **Haley Center, TBA** 6:00 – 9:30 PM
- **Condensed Curriculum International** $2,599

**Dental Assisting Program**
This course prepares students for entry level positions as a chair-side dental assistant. The history of dentistry, introduction to the dental office, the legal aspects of dentistry, oral anatomy, dental operatory, tooth structures, primary and permanent teeth, the oral cavity, and other areas will be covered. A clinical externship at a local healthcare provider is offered.

- **Monday and Wednesday** March 16th to May 18th
- **Haley Center, TBA** 6:00 – 9:30 PM
- **Condensed Curriculum International** $1,199

**Medical Billing and Coding Program**
This billing and coding program delivers the skills students need to solve insurance billing and coding problems. It details proper assignment of codes and the process to file claims for reimbursement. With the transition to ICD-10, effective October 1, 2015, this course also provides training in ICD-10-CM.

- **Tuesday, Thursday, Saturday** March 2nd to May 20th
- **Haley Center, TBA** 6:00 – 9:30 PM
- **Condensed Curriculum International** $1,199

**Paralegal Certificate Course (Two options)**
This intensive, nationally acclaimed program is designed for beginner and advanced legal workers. Training includes instruction on how to assist trial attorneys, interview witnesses, investigate complex fact patterns, research the law and assist in preparing cases for courtroom litigation. Instruction is practice-oriented and relates to those areas of the law in which paralegals are most in demand. There are no prerequisites other than a high school diploma or GED, but students must be prepared to complete a significant amount of homework each week. This program can help students increase their office’s efficiency, productivity and billable hours, as well as learn new marketable job skills.

- **Saturday/Sunday** January 26th to March 7th
- **Saturday** March 21st to June 6th
- **328 O.D. Smith Hall** 9:00 AM – 5:00 PM
- **Michael Cielinski** $1,595

**TrueCoders Course**
Learn software coding development with enterprise technology. The course focuses on C# and .NET, and with added support for Java. The course will prepare students for real-world coding exercises, reinforcing the use of source control, making pull requests, and handling merge conflicts. Students will also learn ASP.NET MVC, utilities, testing, logging, browsing, relational databases.

- **Monday – Friday** January 13th to March 20th
- **Location TBA** 8:00 AM – 2:00 PM
- **TrueCoders** $9,500

**American Sign Language I**
This ASL I class will cover the alphabet, numbers, people, places, and everyday vocabulary related to things such as emotions, foods, colors, etc. Calendars and time will be covered as well. Participants will learn sentence structure and techniques required to comfortably express and receive messages in American Sign Language. By signing with others in the class, participants will learn new techniques. By the end of the course, participants will be able to carry on simple conversations using sign language.

- **Tuesdays** January 21st to February 25th
- **328 O.D. Smith Hall** 5:30 – 7:30 PM
- **Benje Estes** $89

**American Sign Language II**
This follow-up course to ASL I is designed to cover more advanced conversation skills. Students will be encouraged to communicate in a more abstract way, consider the environment outside the classroom and master a higher level of signing by describing both past and present events.

- **Tuesdays** March 17th to April 21st
- **328 O.D. Smith Hall** 5:30 – 7:30 PM
- **Benje Estes** $79

**Basic Conversational Spanish (Two Options)**
In this short course, each participant will gain a basic introductory knowledge of the Spanish language. You will be given the opportunity to learn the language spoken by millions of people in the many Spanish-speaking countries around the world. You will learn the basic concepts in Spanish and strategies for learning a new language. The class will include basic listening, writing and speaking activities. We will use some basic technology to help enhance your learning.

- **Monday + Thursdays** January 10th to February 10th
- **Monday + Thursdays** April 27th to May 18th
- **328 O.D. Smith Hall** 5:30 – 8:00 PM
- **David Gregory** $79

**Intermediate Conversational Spanish**
This course will build upon lessons and concepts learned in Basic Conversational Spanish. You will learn intermediate concepts in Spanish and strategies for enhancing your conversational abilities. The class will include intermediate listening, writing and speaking activities. We will use some basic technology to help enhance your learning.

- **Mondays + Thursdays** February 13th to April 24th
- **328 O.D. Smith Hall** 5:30 – 8:00 PM
- **David Gregory** $79

**Advanced Conversational Spanish**
This course will further build upon lessons and concepts learned in Basic and Intermediate Spanish. The class will include additional practice and applications of listening, writing and speaking activities. We will use some basic technology to help enhance your learning.

- **Thursdays** April 9th to May 7th
- **328 O.D. Smith Hall** 5:30 – 8:00 PM
- **David Gregory** $79
CREATIVE ARTS AND PERSONAL ENRICHMENT

Basic Drawing and Painting for Adults
The foundation of a good painting is a good drawing. In this adventurous, one-day workshop, Brenda combines the best of her drawing and painting classes into a simultaneous study of both. If you have taken at least one Drawing Crash Course and a Watercolor Crash Course, this workshop will provide an excellent way to advance your skill level. You will receive plenty of guidance in the form of drawing and painting demonstrations as Brenda leads you through her process for developing paintings. You will compose a scene and create your original watercolor painting. Your landscape will include cloud filled skies, country outbuildings and believable trees. You will strengthen your drawing and painting skills and take home a finished work of art.
Saturday April 25th
126 Biggin Hall
Brenda Stevens
$89

Basics of Madhubani Folk Painting Style of India
Learn to classify drawing and painting style indigenous to Madhubani folk painting while developing your own personal style. All participants will leave with a completed work of art and will learn more of the historical significance of this folk art style.
Tuesdays March 24th to April 21st
126 Biggin Hall
Prachi Brave
$69

Beginning and Intermediate Acrylic Painting
Create lovely works of art as you navigate the basics of color theory, composition and design. Discover the joy of working with acrylics as you explore various mixing and application techniques. Work from a still-life or your imagination. Beginners to intermediate will gain dexterity in brush work and paint application. No matter your ability you’ll push this medium to its limits and experience the fun, ease and lack of boundaries this course offers. Materials required.
Saturday February 15th
126 Biggin Hall
Cynthia Golden Frasier
$89

Calligraphy: Modern Brush Lettering
This class will introduce the elegant art of hand lettering and will provide an opportunity for maintenance and review for previous students as well. Participants will learn and practice the rules of letter construction, spacing, and flourishes, as well as how to develop skills through the use of tools, materials, and techniques. Finding the best pens, inks, and papers to use will be discussed, as will the practical uses for calligraphy and good reference books. All materials provided.
Saturday April 18th
Sanctuary Hill Studio
Kalli Kenney
$69

Pet Portraits
Do you have a favorite pet at home who you would like to honor with his or her very own portrait? This class is perfect for beginning artists and is designed for those with little or no previous drawing experience. All that is needed to attend is a photo of your favorite four-legged friend.
Saturday February 8th
126 Biggin Hall
Cynthia Golden Frasier

**PERSONAL ENRICHMENT**

**Dancing: Waltz and Cha-Cha**
The Waltz is everybody’s favorite “slow” and romantic dance. Done in three-quarter time, this dance provides for easy turns and movement in box and progressive patterns. This is a favorite dance at weddings, special events and at regular social dances. Cha-Cha is one of the spicier of the Latin dances. The structure of the dance allows great freedom in body motion i.e.-Latin motion, and color and flair in turns and spins. It is one of the favorite “four” at social dances.

- **Mondays**: January 27th to February 24th
- **Rising Starz**: 8:00 – 9:00 PM
- **Cody Foote**: $99 (Per Couple)

**Flower Lab: A Basic Flower Design Workshop**
In these hands-on courses, you will learn how to create a beautiful centerpiece while learning industry tips and tricks for working with flowers and greenery from a professional floral arranger. All supplies will be provided and students will leave with an arrangement to take home the same night.

- **Tuesday**: April 7th
- **Holy Trinity Episcopal Church**: 5:30 – 7:30 PM
- **Rebecca Nichols**: $99 (Early Bird)/$119 (After March 24th)

**Fly Fishing**
Learn the most intriguing segment of sport angling for fly fishing. Participants will learn fly selection, knot tying, fly casting, fish finding, fly presentation, and fish fighting. The course will cover fly fishing for local, warm water species, stream and river fishing for cold water species, and salt water fly fishing. The instruction will take place in the classroom and outdoors. Newly acquired skills will be practiced on the water during the last class. Pre-college students, 10 years of age and older, may take the class only if accompanied by a parent. Instruction is provided by a professional fly fishing guide/instructor who is a Federation of Fly Fishers Certified Casting Instructor. All materials are provided by the instructor.

- **Tuesday, Thursday**: April 14th to 18th
- **6:00 – 8:00 PM**: $69

**Indian Music Ensemble**
Come learn the musical traditions of the Indian subcontinent. The basis of all classical music in India is a system of Ragas (melodic scales) and Talas (rhythmic patterns). In this class, you will learn these important fundamentals of Indian music and be able to perform simple compositions at the end of the semester. The class will be mainly vocal with instrumental options. The ensemble uses authentic Indian instruments - harmonium, tanpura, tabla, veena and sitar are incorporated into various classical and semi-classical compositions. If you are looking for a fun learning opportunity, this is it. If you play the flute, acoustic guitar, or any other instrument, please bring it with you to class.

- **Monday**: January 13th to April 14th
- **229 Goodwin Hall**: 5:00 – 7:00 PM
- **Chaitra Gururaj**: $49

**Investment Basics for Today’s Economy**
This course is designed to introduce the novice and the experienced investor to investment vehicles and their relation to market indices and the economy. The instructor will start with the basics-covering specific types of investments commonly used, how they work, and the pros/cons of using each. Additionally, both the logical and emotional aspects of investing will be discussed along with ways to avoid common investment mistakes. All phases of investing - from accumulation to distribution - will be covered.

- **Tuesday**: May 5th
- **Davis Hall, TBA**: 6:00 PM – 9:00 PM
- **Allen Taylor**: $39

**Investments: Beyond the Basics**
This course is designed to pick up where Investment Basics left off. Students will take a more in-depth look at stocks, bonds, mutual funds, and derivative investments vehicles and how they work. Novice and experienced investors can gain a more comprehensive understanding of how to utilize these various investments within their portfolios and how they are impacted by market indices and the economy. During the course, the instructor will discuss how to judge and grade an investment with the appropriate index and how to build a quality, balanced portfolio that reflects an individual’s risk tolerance and expected level of return. Analyzing and evaluating existing portfolios will also be covered.

- **Thursday**: May 7th
- **Davis Hall, TBA**: 6:00 – 9:00 PM
- **Allen Taylor**: $39

**Novel Writing**
Join a constructive, fun-filled forum that will stimulate creativity. The class is taught by a published novelist and award-winning author. Organize that great novel that has been floating around in your head and put it on paper. Learn about plot, style, mechanics, and other essentials. Peer critique and encouragement are wonderful features of the class.

- **Monday**: March 2nd to April 20th
- **328 O.D. Smith Hall**: 6:00 – 8:00 PM
- **Larry Williamson**: $79

**Personal Branding for Professionals**
Personal Branding for Professionals is a 5-module online course designed to assist professionals of any industry or background in discovering who they are as a professional, communicating their experience and skill set; and marketing their abilities, experience, skills and strengths through a resume, cover letter and online profiles.

- **Online**: (Open Enrollment)
- **Elise Stewart**: $149

**Savvy Social Security and Medicare Planning**
Medicare can be challenging and its choices today have become even more complicated. Figuring how to receive your Medicare benefits will change your overall health insurance portfolio, giving you more complex choices to make. Making sense of Medicare and its parts is the first step. This course will help you decipher the Medicare alphabet. Discuss what is covered under Medicare Part A and Part B; know the difference between Medicare Part C and Medicare Supplements: and be able to confidently choose how you receive your Medicare benefits. This course is intended for educational purposes. Student materials included. Bring your spouse at no additional charge.

- **Saturday**: March 21st
- **328 O.D. Smith Hall**: 10:00 AM – 12:00 PM
- **Fred Middleton**: $39

**Social Media Marketing Strategy for Small Business**
Social media is absolutely essential for marketing exposure, brand awareness and revenue growth. These channels often present easy, inexpensive, effective and near instantaneous mechanisms to spread the word about your small business. Unlike traditional marketing, social media requires a different and varied approach. Our session covers the fundamentals as well as how to leverage these outlets to accomplish your strategic goals. Key elements include audience building, content development, brand promotion, website traffic management and customer engagement. This course will focus primarily on the four most popular social networking websites: Facebook, LinkedIn, Twitter and Instagram and how to effectively use each to grow your small business.

- **Saturday**: February 29th
- **328 O.D. Smith Hall**: 10:00 AM – 1:00 PM
- **Emily Merritt**: $69

**Water Aerobics (Low Impact Conditioning)**
Shallow water or deep water workout! This program is good for the aerobic enthusiast or for those beginning a water rehabilitation regimen. Flotation equipment is available for participation in deep water. Non-swimmers are welcome and should find that they are quite comfortable with flotation equipment. A discounted annual pass is available to those who participate year-round.

- **Monday, Wednesday, Friday**: January 8th to May 15th
- **Tuesday, Thursday**: January 7th to May 14th
- **James Martin Aquatics Center**: 7:45 – 8:45 AM
- **Margaret Plotz (Mon/Wed/Fri)**: $199
- **Sandra Lovvorn (Tues/Thurs)**: $149
