ASSUMPTION OF RISKS

I understand that I, as part of my participation in the Camp, will be using power tools and other dangerous equipment, which may require specialized knowledge to operate safely. Furthermore, I acknowledge, understand and appreciate that as part of my participation in the Camp there are dangers, hazards and inherent risks to which I may be exposed, including the risk of serious physical injury such as: serious neck and spinal injuries which may result in complete or partial paralysis, head injuries, brain damage, serious injury to internal organs, serious injury to my musculoskeletal system, broken bones; loss of my hands(s), toe(s), arm(s), leg(s), severe lacerations and cuts which may result in serious and permanent injury, serious injury to and/or loss of my eye(s), ear(s), or teeth, and serious injury to other aspects of my general health and well-being; temporary or permanent disability; death; as well as economic and property loss. I further realize that participating in the Camp may involve risks and dangers, both known and unknown, and have elected to take part. To a large extent, these risks, dangers and hazards derive from the nature of the activities and the environment in which they take place. I also understand that the risks in participating in the Camp include not only the foregoing physical injuries, but also impairment of my future abilities to earn a living, to engage in other business, social and recreational activities, and generally enjoy life. I agree that if I am not knowledgeable of the risks associated with Camp activities that I will obtain proper instruction in order to gain a full appreciation of the risks, dangers and hazards prior to my participation.

I understand that these injuries may result from certain dangers and risks which are present and which include, but are not limited to, the following: use of tools and equipment; falling objects from work being conducted overhead; lifting and carrying of building tools, equipment and building materials; falls onto the work surface or falls from elevated work areas; and use of building materials containing hazardous chemicals or sharp-pointed surfaces.

I agree that I will follow all instructions given to me during the Camp regarding construction safety, the use of power tools and the use construction equipment. I further agree that I will obtain proper instruction if I am not knowledgeable or do not understand the instructions given to me. I understand that it is my duty and responsibility to seek this instruction. I agree that I will not engage in behavior injurious to the enjoyment of the Camp by others. I understand and agree that I will follow all safety precautions required for participation.

I am aware that the Camp activities involve strenuous exertion of strength using various muscle groups, physical movements and change of direction, and sustained physical activity which places stress on the musculoskeletal and cardiovascular system. I declare and affirm that my medical and physical condition allows me to perform such physical activities and does not pose any danger to my health.

Therefore, having understood all of the above, I voluntarily accept and assume all risk of injury, loss of life or damage to property arising out of training, preparing, participating and traveling to or from the Camp. I understand that I am responsible for my own insurance.
