Auburn University Fish Camp
2 Sessions: June 25 - 29 and July 9 - 13, 2012 | $485

The Alabama Cooperative Extension System (ACES) and Auburn University Fisheries and Allied Aquaculture Department are offering Fish Camp 2012 for high school students 15 - 18 years old. Participants will enjoy five days of intense fun and hands-on activities blended into a creative learning experience that provides the broadest possible exposure to natural resources careers with an emphasis on aquaculture, fisheries, and aquatic ecology. This camp involves extensive field and outdoor activity and is a great opportunity to learn from Auburn’s renowned fisheries, aquaculture, and aquatic ecology professionals. Under 24/7 counselor supervision, participants experience campus life firsthand while residing in Auburn's resident dormitories, eating at campus dining facilities, and enjoying evening social and recreational activities.
