# Campus Kitchens Project

### Our Mission

The mission of The Campus Kitchens Project is to use service as a tool to:

- **Strengthen Bodies** by using existing resources to meet hunger and nutritional needs in our community;
- **Empower Minds** by providing leadership and service learning opportunities to students, and educational benefits to adults, seniors, children, and families in need; and
- **Build Communities** by fostering a new generation of community-minded adults through resourceful and mutually beneficial partnerships among students, social service agencies, businesses and schools.
