

# Fee Schedule

## University Housing Rates

The fee for lodging in a University residence hall is **\$20 per person per night**.

If a **firm** guarantee is provided by the **Campus Sponsor** or the **Camp Director** at least 5 working days prior to the start of camp, a reduced rate will be provided for the guaranteed bed-spaces. In such case, lodging charges will be determined as follows:

- Client will be charged **\$15 per person per night** for the number guaranteed.
- If additional campers register (and additional lodging space can be made available), the client will be charged at the rate of **\$20 per person per night** for any additional bed-space used.

**Note:** The rates are based on double occupancy (two persons to a room). There will be no additional charge if single occupancy results from a 'forced' deviation (e.g., there is an odd number of campers, adults are spaced in order to provide supervision, campers are assigned to a designated single room, etc.).

For purpose of explanation, consider the situation in which a guarantee of 100 is given by the client. If 95 campers actually attend the camp, the lodging fee will be \$1,500 (\$15 per night for the guaranteed 100 spaces). If 110 campers actually attend the camp, the lodging fee will be \$1,700 (\$15 per night for the guaranteed 100 campers and \$20 per night for the 10 'extra' bed-spaces used).
