

# LEE COUNTY WATER FESTIVAL

## Volunteer Form 2009

The Lee County Water Festival is FREE for all 4<sup>th</sup> grade students of Lee County. The Lee County Water Festival is for educational purposes only. We are expecting over 2,000 4<sup>th</sup> grade students attending the 6<sup>th</sup> Annual Lee County Water Festival May 12<sup>th</sup> & 13<sup>th</sup>, 2009 in Haley Center on the Auburn University Campus.

The **mission** of the Lee County Water Festival is to educate students and their families about all aspects of surface water and groundwater and other related natural resources (such as wetlands, forestry, wildlife and much more) and to instill in them a general environmental awareness and stewardship ethic. A Water Festival is an interactive educational learning experience consisting of hands on activities for students to learn the role of surface and groundwater in the water cycle; the importance of water to all life; the interdependence of plants, trees, wildlife, soil and water; the effect of human actions on water and all nature; and that all individuals need to act environmentally responsible.
