Sustainability Minor: All students are required to take SUST 2000, Introduction to Sustainability, SUST 5000, Senior Capstone in Sustainability and 9 additional hours of electives. At least 3 elective hours must be outside their major college, and 6 elective hours must be at the 3000 level or higher. Courses in the student's major may not be counted toward the minor even if they are on the list of accepted courses.

_____	_____	_____	_____	_____

*No more than one elective may be taken the same semester as SUST 5000.

** Electives must cover at least 2 of the 3 areas: Society and Markets, Environment, and Social Justice. See approved list of electives.

Approval signatures below are required when the student has completed the minor curriculum.

Advisor, Sustainability Minor Date

Student's Academic Dean (Associate Dean) Date

Note: All graduating students must have a 2.0 GPA in all Auburn courses attempted and on all transfer credits accepted towards the degree. All students must have a 2.0 overall in the minor to receive credit for the minor.

Note: Following approval signatures, the student's Academic Dean notifies the Registrar's Office for inclusion on the transcript.
