

IV. MATCHING FUND AWARDS

- A. The CRG Committee approved a special program permitting the supplemental award of CRG funds on the following basis:
 - 1. The OVPR will fund \$3,000 for each approved project.
 - 2. For each dollar requested from the OVPR over the maximum base award (\$3,000), the faculty member's department or college must provide a \$2 match for each \$1 of additional CRG funding from the OVPR, up to the maximum project budget of \$10,000.
 - 3. No CRG project budget may exceed \$10,000.00.
- B. For consideration of supplemental awards, the faculty member must provide the following on the CRG research proposal:
 - 1. Specific Banner account numbers for the matching contributions from the department or college;
 - a. **Accounts for In-kind support, restricted grant funds, funds under contract, start up funds, gift accounts and certain other Auburn University funds are not appropriate sources for departmental or college matching funds.**
- C. Awards approved under this program will be administered the same as other OVPR internal grant programs.
