**RESOLUTION TO:** Student Senate  
**FROM:** Collier Tynes, Senator At-Large  
**RE:** Date of Auburn University Homecoming Game  
**DATE:** April 11, 2011  
**PSSR:** 11-0411-03

**Date of Auburn University Homecoming Game**

**WHEREAS,** the student attendance of the homecoming game would predictably be lower the weekend before Thanksgiving break due to inconvenience; and

**WHEREAS,** in order to make Homecoming Week truly about the alumni, the game should not be the weekend before Thanksgiving break, because the Auburn Athletics' schedule should not interfere with families' Thanksgiving plans; and

**WHEREAS,** the cold weather during a late November game will further reduce attendance; and

**WHEREAS,** it is unfair to the women involved in Homecoming Court and their loved ones to have fewer students, alumni and fans in attendance because of a date that could devalue this unique Auburn experience; and

**WHEREAS,** campaigns take weeks of preparation, a homecoming game date this late will negatively impact the process of the Student Government Association's spring elections schedule and campaign planning.

**THEREFORE,**

**LET IT BE**

**RESOLVED,** that the Auburn University Student Government Association encourages the Auburn University Athletic Department to choose an earlier date for the homecoming game that will be of convenience to the administration, faculty, students and fans of Auburn University.
