

Name: Owen Parrish

Ballot #: 1

Year: 03

Major: Civil Engineering

Qualifications:

SGA Assistant Vice President of Facilities

SGA Senator At-Large

SGA Director of The Big Event

SGA Freshman Forum

Social Fraternity Rush Chairman

Platform:

Teddy Roosevelt once said, “The government is us; we are the government, you and I.” His words ring true today, nationally and here at Auburn.

We are our Student Government Association, and the SGA President must promote the best interests of students. Here are some reasons for you to be Goin’ Owen:

I’m Goin’ Owen because of EXPERIENCE

- Because he is tired of Haley Center too and has served as the student voice on the Central Classroom Facility
- Because he worked to create a bike share program that allows me free access to an array of bikes around campus, and because he helped secure over \$200,000 in funding for this project
- Because he has brought 20 new Weagle Water locations to buildings of my choice
- Because he planned the installation of 22 benches at Tiger Transit stops for my convenience

However, experience is only one small piece of the puzzle, and the past serves only as a gateway to an even brighter future.

I’m Goin’ Owen to enhance campus DINING

- To implement all-you-can-eat options with better variety and value across campus, beginning with a brand new dining facility to replace Terrell Hall
- To spend my Tiger Card money at football games
- To stop by a new Caribou Coffee and Outtakes before my class in Lowder
- To enjoy pay-by-the-ounce frozen yogurt in The Village

- To have a Tiger Delivery service bring food to me anywhere on campus

I'm Goin' Owen to fix PARKING and TRANSPORTATION

- To get rides to on-campus drop off zones before my classes
- To ride security shuttles, even on Saturdays after football games
- To park my car in the West Magnolia parking deck, a new location for R/O
- To re-engineer Tiger Transit and Toomers Ten routes to get me around Auburn more efficiently

I'm Goin' Owen to improve ACADEMICS

- To enjoy a Fall Break and a full week of Thanksgiving
- To post course evaluations on AU HeAUrd That and read those of my classmates to help me choose the best courses
- To call a Registration Help Hotline when I have trouble finding the right classes
- To have dead days before finals each semester

I'm Goin' Owen to make STUDENT LIFE better

- To visit my friends in their dorms until 2:00 am
- To receive a Student Initiative Grant that could fund my new ideas, even if I've never been active in SGA
- To discuss important topics with Owen for at least one hour per week on the concourse, and connect with my SGA

I urge you to take part in SGA and work for the advancement of Auburn through voting. On February 14th I hope that you choose experience, vision, and passion for the student interest to solve pivotal issues, enhance your college experience, and help Auburn become the best that it can be.

Vote Owen Parrish, ballot position 1, for SGA President.
