

# Lobby Board

## 2011-2012 Application

Auburn University's Lobby Board is a subsidiary of the SGA Cabinet and is led by the Director and Assistant Director of Legislative Relations under the External Affairs Group. Members of the AU Lobby Board work alongside student leaders from Alabama's other public universities and under the direction of the Alabama Higher Education Partnership in Montgomery. Lobby Board's main focus is developing student relationships with Auburn administrators and Alabama legislators while serving and promoting the Auburn student body both on campus and throughout the state. Lobby Board meets bi-monthly on Thursday nights at 6 in the Auburn University Student Center.

Lobby Board will make routine trips to the State House in the interest of higher education to advocate the needs of students and address how state legislation can affect those needs. This group of students will also coordinate Auburn's participation in the Higher Education Day rally in March 2012. Other events include hearing guest political speakers and hosting a legislative panel this fall. We anticipate an exciting year for Lobby Board and in Alabama politics, and we appreciate your interest in being a part of this group.
