

Auburn University Marching Band

Dear Prospective Drum Line Member,

Thank you for your interest in the 2014 Auburn Drum Line! The Auburn University Marching Band has a proud tradition of excellent performances and great school spirit, and we

are excited to have you become a part of that tradition.

The AUMB is looking for fine players who are dedicated, responsible, and hard working. During the course of the audition process we will ask you to do things that may be new or may seem different from the way you've learned them previously – please be flexible and keep an open mind. You will find that there are multiple ways to play, and many of them can be considered “correct.” We simply ask that you do your best to learn our way, so that we can do things as a team. Many people ask what is required to make the line - the answer is to have a great attitude, work hard, and always do your best.

During the course of the first weekend you will play individually, with the section you're auditioning for, and with the line as a whole. We typically have more people audition than we have instruments for. For this reason we ask that you have a first choice and a second choice of instruments to audition on. We will do our best to honor first requests, but the main priority is to place people where we can utilize their strengths.

Included in this packet are audition exercises and music. Please learn this music before coming to camp; we will use it to teach technique, drumming concepts, etc. Regardless of how easy or hard the music looks, you should emphasize accurate playing. This means correct heights, correct pitches, accurate note placement, exact diddle interpretation, steady tempo (practice with a metronome), sound quality, and consistency. Also, those auditioning for snare, quads, bass, or cymbals must be ready to mark time correctly to the exercises/music.

We're glad you're interested in the Auburn Drumline, and are looking forward to seeing you at the audition!

Sincerely,

Dr. Rosener

Here's a list, by instrument, of what you should expect to be ready for:

Snare

- Rudiments – you can play them in the context of exercises you already know, or separately
- Sight-reading
- Prepare all the exercises and music in the snare packet marking time

Quads

- Rudiments – you can play them in the context of exercises you already know, or separately. You can play them on one drum, or around if you like.
- Sight-reading
- Prepare all the exercises and music in the quad packet marking time

Bass

- Rudiments
- Sight-reading
- Prepare all the exercises and music in the bass packet marking time. Learn the part of the drum you're auditioning for. Drum #1 (smallest) is above the staff, #2 is the note below that, etc. Notes on the middle line are unisons.

Cymbals

- Rudiments
- Sight-reading
- Prepare all the exercises and music in the cymbal packet marking time. If you are unfamiliar with cymbal technique or how to produce the sounds listed, just learn the rhythms (clapping works pretty well) while marking time.

Keyboards

- Major and minor scales
- Sight-reading
- Prepare all the music in the keyboard packet. Prepare both the 2 and 4 mallet versions if you are able. If you don't play 4 mallets, just learn the 2 mallet part.

Everyone planning to attend the audition in June should fill out the intent form on the AU Band website. The intent forms will let us know how many people to expect at the camp.

We're looking forward to meeting you! The Auburn Drum Line is a great performing ensemble, but we are also good friends. We want this activity to be fun as well as educational. So come ready to work hard and have a great time!
