Housing and Residence Life

Auburn University offers on-campus housing accommodations for undergraduate students in three residential communities consisting of a total of 30 residence halls. The University does not have on-campus housing accommodations for graduate students. All residence halls are air-conditioned and are equipped with wireless Internet service. The halls are convenient to academic buildings, dining venues, recreational areas, laundry facilities, mailrooms, and the library.

The Hill and Quad communities are comprised of residence halls which are primarily configured in a suite arrangement, where two students share a room that is connected by a bathroom to another room shared by two students. There are a limited number of single rooms available. The Village Community residence halls are configured in "super suites," where four students each have their own bedroom and share two bathrooms and a common area containing a kitchenette. There are a limited number of three bedroom and two bedroom, one bath units as well. For more details, including rental rates, please visit the Housing website at www.auburn.edu/housing.

Housing for students with disabilities is available in all residential areas. Four residence halls in the Quad and one in the Village house Honors students. Students who are or will be members of the Honors College must specifically request an Honors hall on their housing application if they wish to be considered for reassignment to one of these halls. Students can also participate in a Living and Learning Community (LLC) related to their major or to a particular theme. Information about LLCs can be found on the Housing website.

Admission to Auburn University does not automatically include a room reservation, and first-year students are not guaranteed housing. Students may apply for University Housing after they are accepted to the University and they have submitted the confirmation deposit. Priority for housing requests is generally based upon the date the application is received. A \$50 non-refundable application fee and a \$250 refundable pre-payment are required with the housing application.

Residential Staff

The residence halls are staffed with full-time professional and graduate and undergraduate-level staff. The staff undergoes an extensive training program and is responsible for offering cultural, recreational and educational activities. They also enforce University Housing regulations.

Residence Life Involvement

Living on campus provides an "open door" to involvement in campus life. Through participation in Hall Council, RHA (Residence Hall Association) and other residence life activities, students encounter opportunities that can contribute to their personal and academic growth. All they need do is take advantage of all that residence life has to offer.

Off-Campus Housing

Housing accommodations, such as apartments, duplexes, mobile homes, fraternity houses and privately owned dormitories are available in the greater Auburn-Opelika community. The university neither inspects nor approves any off-campus housing. A listing of off-campus housing facilities can be obtained at various on-campus locations including the Housing office. Off-campus housing information can be found on the AU Housing website: www.auburn.edu/housing.

Required Participation Dining Plan

In Fall 2008, Auburn University implemented a required on-campus descending balance or debit dining program. This program is being phased in to all Auburn University main campus undergraduates over a four-year period. Once a student's incoming class participates in the program, the student is required to participate for every subsequent semester the student is enrolled at Auburn University. The required participation dining program enables its participating students to purchase meals, food, and dining services utilizing their student ID card, the Tiger Card, at all on-campus dining venues up to the dollar level of their required

contributions. Presently, students residing in on-campus residence halls will be required to participate at a minimum level of \$995 per semester. All other participants will be required to participate at a minimum level of \$300. Each participating student's University account will be assessed the appropriate level at the same time tuition and fees are posted for the upcoming semester.

TigerCard/Tiger Club Accounts

A Tiger Club Account provides a convenient means of making purchases on campus and at selected off-campus locations using the student's TigerCard. It can be used at bookstores, dining facilities, laundry and vending locations, copy centers, and other student services. The TigerCard is the students' official ID card. It is used at the Library, for door access on campus and may be required for other campus functions.

In order to make purchases using an AU TigerCard, an AU student first must establish a Tiger Club Account and deposit funds into that Account. Purchases will be debited from the available funds in the student's account. Cash withdrawals are not permitted and refunds may be made only on a closed account. Refunds will be transferred to the Office of Student Financial Services and applied to any debt owed Auburn University. The Office of Student Financial Services will refund any remaining balance to the student.

Applications for a Tiger Club Account must be made electronically at www.auburn.edu/tigercard. Itemized statements are available for viewing online.
