Housing and Residence Life

Auburn University offers a variety of on-campus housing accommodations for students. There are 23 residence halls and 348 apartments to house single undergraduate students and 157 apartments for graduate students and students with families. All facilities are air-conditioned and convenient to academic buildings, libraries, cafeterias, laundries, mail rooms and recreational areas.

Single Undergraduate Housing

The residence halls, with the exception of Noble Hall, located on W. Magnolia Ave., are clustered in two communities. Ten residence halls comprise the Quad community and 12 are located in the Hill community. The Quad houses men and women in single-sex and coed arrangements while the Hill houses women only. Each Quad and Hill residence hall contains suites consisting of two double rooms (two rooms with two students sharing each room) with connecting bath. A limited number of single rooms with private or semi-private bath are also available. Rental rates for the Hill and Quad residence halls are as follows: Quad - \$1,045 (double) and \$1,275 (single) per student per semester. Hill - \$1,025 (double) and \$1,255 (single) per student per semester.

Noble Hall offers a coed housing arrangement consisting of single rooms with a central bath(s) on each floor. A common lobby area joins men's and women's wing. Rent is \$950 per semester.

The Extension (CDV Extension Apartments) provides accommodations for men and women in two-bedroom, two-person (same sex) apartments. Rent is \$1,200 per student.

The Village (CDV) houses men and women in one- (single occupancy) and two-bedroom (double occupancy) apartments. Semester rent is \$1,050-\$1,115 for a one-bedroom unit and \$985 per student for a two-bedroom unit.

All single undergraduate housing units (rooms and apartments) are furnished with beds, desks, chairs and chest of drawers. Most residence halls have community kitchens and all have common lobby/lounging areas. The apartments also contain living and/or dining furniture and kitchens are furnished with stove, oven and refrigerator (a limited number contain microwave ovens). Students bring their own linens and other furnishings to personalize their rooms or apartments. All utilities except telephone (and electricity in the one-bedroom Village apartments) are included in the rent. Basic cable service is also included in the rent. Telephone and data connection (direct internet access) jacks are located in each room/apartment and, for a monthly fee, either service can be activated through the University's Division of Telecommunications and ETV.

Housing for students with disabilities is available in the Quad, Hill and Extension communities. Four residence halls in the Quad house Honors students (intermingled with non-Honors students) and an Honors Center is located in one of these halls. Students accepted into the Honors College must specifically request the Honors halls on the housing application if they wish to be considered for assignment to one of these halls.

Families and Graduate Students

In addition to housing single undergraduates, the Village also accommodates graduate students and students with families. Offering the same one- and two-bedroom arrangements, rental rates are as follows: one-bedroom (semester rent) - \$1,050 unfurnished; \$1,095 furnished. Two-bedroom (monthly rent) - \$315 - \$325 unfurnished; \$325 - \$335 furnished. Rates include all utilities (including basic cable service) except telephone and electricity (heat is included in the rent).

All University Housing rental rates listed above are subject to change. Any rate increase will be announced prior to the cancellation date for the semester the Housing agreement is to begin. Rent for apartments in the Village and Extension includes holidays and semester breaks. The residence halls do not remain open during Thanksgiving, Spring and semester breaks.

Admission to Auburn University does not automatically include a room or apartment reservation in University Housing.

Students may apply for University Housing once they are accepted to the University and priority for housing is generally based upon the date the application is received (entering Summer applicants have priority over entering Fall applicants). A \$100 refundable deposit and a \$15 non-refundable application fee is required with the application.

Residential Staff

The residence halls and the Extension are staffed with graduate-level Hall Directors and undergraduate Resident Assistants (RAs). The staff undergoes an extensive training program and are responsible for offering cultural, recreational and educational activities. They also enforce University Housing regulations. The Village is staffed with an Apartments Manager and desk assistants who provide services for those residents.

Residence Life Involvement

Living on campus provides an "open door" to involvement in campus life. Through participation in Hall Council, RHA (Residence Hall Association) and other residence life activities, students encounter opportunities that can contribute to their personal and academic growth. All they need do is take advantage of all that residence life has to offer.

Off-Campus Housing

Housing accommodations, such as apartments, duplexes, mobile homes, fraternity houses and privately-owned dormitories are available in the greater Auburn-Opelika community. The University neither inspects nor approves any off-campus housing. A listing of off-campus housing facilities can be obtained at various on-campus locations including the Housing and Residence Life office.

Auburn University Dining Services

Sodexo Marriott Services and Auburn University are in partnership to deliver the best possible dining services to students, faculty, staff and visitors to the AU campus.

AU Dining has more than seven dining locations on campus. **War Eagle Food Court** in Foy Student Union offers Godfather's Pizza, Chick-Fil-A, Sub Connection, and a variety of other options including salads and home-style cooking. **Terrell Dining Hall** is located in the center of the Hill dorms and not only serves three hot meals daily at Charleston Market, but also Chick-Fil-A, Godfather's Pizza, Freshens Ice Cream, and Sub Connection. **Lupton Deli**, located in Lupton Hall in the Quad, offers signature sandwiches and some convenience store items. **Village Kitchen**, located in the CDV Extension apartment village, is a convenience store that offers speciality sandwiches and other fast food items. **Sewell Dining Hall** is available for the residents of Sewell Hall and any other students who wish to purchase a meal plan. Sewell serves a buffet-style breakfast, lunch and dinner. **Haley's Frozen Refreshment Center**, located on the first floor of Haley Center, not only serves signature deli sandwiches but also frozen fruit smoothies. **Stack's Café** is the newest addition to the library and is open to students who want a cup of Starbucks coffee or cappuccino while studying. Stack's Café also serves deli sandwiches and delicious bakery items. All of these dining facilities offer a variety of foods for students living on or off campus.

All dining locations accept cash, Visa, Mastercard, or the Auburn TigerCard. TigerCard accounts are available in either the declining balance plan which allows the student to pay in advance and budget spending throughout the term, or the charge plan which acts as a credit card. The TigerCard office is located in downstairs Foy Student Union. The Auburn Dining administrative offices are located at 151 S. Donahue Drive. In addition to campus dining serves, Sodexo Marriott also has a catering department on campus, Creative Gourmet. For more information about the catering services, call (334) 844-1234.

Tiger Card/Tiger Club Accounts

A Tiger Club Account provides a convenient means of making purchases on campus and at selected off-campus locations using the student's TigerCard (ID card). It can be used at bookstores, dining facilities, laundry and vending locations, the Campus Mall, copy centers, and other student services. As members of Tiger Club Accounts, students can choose between a descending balance plan or an ascending balance plan.

The ascending balance plan is billed monthly through the Bursar's Office. Students who are under 19 years of age must have parental approval in order to have an ascending account. Students who have an ascending balance account need to be aware that charges can accumulate rapidly and all charges must be paid on a monthly basis. However, students soon learn that, with common sense and discretion, having an ascending account can be both convenient and educational.

The declining balance account allows the student to make a deposit in advance and budget the amount through the semester. Additional deposits can be made as needed by cash, check, or debit/credit cards (VISA/MasterCard only).

Itemized statements are available for viewing and printing on OASIS - Online Auburn Student Information System - on the World Wide Web. There is a membership fee charged for each semester the student uses the account - excluding summer sessions. Additional information regarding Tiger Club Accounts may be obtained by contacting the TigerCard/Tiger Club Accounts Office, located in the Foy Union Building, Auburn University, AL 36849. Telephone: (334) 844-1220 or 1-877-345-2058.

Each undergraduate academic program offered by a school or college is presented in a curriculum model with required and elective courses listed in a possible semester-by-semester sequence. These models are provided as guides to help students and advisers plan the individual student's course of study. **Students should realize, however, that it may not be possible to schedule every course in the year and semester as presented.** Careful planning with the help of an academic adviser is usually necessary if students are to complete their programs in a timely manner and meet all course pre-requisites.
