Housing and Residence Life

Auburn University offers a variety of on-campus housing accommodations for students. There are 22 residence halls and 348 apartments to house single undergraduate students and 157 apartments for graduate students and students with families. All facilities are air-conditioned and convenient to academic buildings, libraries, cafeterias, laundries, mail-rooms and recreational areas.

Single Undergraduate Housing

The residence halls, with the exception of Noble Hall, located on W. Magnolia Ave., are clustered in two communities. Ten residence halls comprise the Quad community and 12 are located in the Hill community. The Quad houses men and women in single-sex and coed arrangements while the Hill with the exception of one coed hall houses women only. Each Quad and Hill residence hall contains suites consisting of two double rooms (two rooms with two students sharing each room) with connecting bath. A limited number of single rooms with private or semi-private bath are also available. Rental rates for the Hill and Quad residence halls are as follows: Quad - \$1,250 (double) and \$1,575 (single) per student per semester. Hill - \$1,205 (double) and \$1,530 (single) per student per semester.

The Extension (CDV Extension Apartments) provides accommodations for men and women in two-bedroom, two-person (same sex) apartments. Rent is \$1,470 per student.

The Village (CDV) houses men and women in one- (single occupancy) and two-bedroom (double occupancy) apartments. Semester rent is \$1,205-\$1,270 for a one-bedroom unit and \$1,175 per student for a two-bedroom unit.

All single undergraduate housing units (rooms and apartments) are furnished with beds, desks, chairs and chest of drawers. Most residence halls have community kitchens and all have common lobby/lounging areas. The apartments also contain living and/or dining furniture and kitchens are furnished with stove, oven and refrigerator (a limited number contain microwave ovens). Students bring their own linens and other furnishings to personalize their rooms or apartments. All utilities except telephone (and electricity in the one-bedroom Village apartments) are included in the rent. Basic cable service is also included in the rent. Telephone and data connection (direct internet access) jacks are located in each room/apartment and, for a monthly fee, either service can be activated through the university's Division of Telecommunications and ETV.

Housing for students with disabilities is available in the Quad, Hill and Extension communities. Four residence halls in the Quad house Honors students (intermingled with non-Honors students), and an Honors Center is located in one of these halls. Students accepted into the Honors College must specifically request the Honors halls on the housing application if they wish to be considered for assignment to one of these halls.

Families and Graduate Students

In addition to housing single undergraduates, the Village also accommodates graduate students and students with families. Offering the same one- and two-bedroom arrangements, rental rates are as follows: one-bedroom (semester rent) - \$1,205 unfurnished; \$1,260 - \$1,270 furnished. Two-bedroom (monthly rent) - \$335 - \$340 unfurnished; \$345 - \$350 furnished. Rates include all utilities (including basic cable service) except telephone and electricity (heat is included in the rent).

All University Housing rental rates listed above are subject to change. Any rate increase will be announced prior to the cancellation date for the semester the Housing agreement is to begin. Rent for apartments in the Village and Extension includes holidays and semester breaks. The residence halls do not remain open during Thanksgiving, spring and semester breaks.

Admission to Auburn University does not automatically include a room or apartment reservation in University Housing. Students may apply for University Housing when they are accepted to the university and when they have submitted the Admission prepayment. Priority for housing is generally based upon the date the housing application is received (entering Summer applicants have priority over entering Fall applicants). A \$100 refundable deposit and a \$20 non-refundable application fee are required with the application.

Residential Staff

The residence halls and the Extension are staffed with graduate-level Hall Directors and undergraduate Resident Assistants (RAs). The staff undergoes an extensive training program and is responsible for offering cultural, recreational and educational activities. They also enforce University Housing regulations. The Village is staffed with an Apartments Manager and community assistants who provide services for those residents.

Residence Life Involvement

Living on campus provides an "open door" to involvement in campus life. Through participation in Hall Council, RHA (Residence Hall Association) and other residence life activities, students encounter opportunities that can contribute to their personal and academic growth. All they need do is take advantage of all that residence life has to offer.

Off-Campus Housing

Housing accommodations, such as apartments, duplexes, mobile homes, fraternity houses and privately owned dormitories are available in the greater Auburn-Opelika community. The university neither inspects nor approves any off-campus housing. A listing of off-campus housing facilities can be obtained at various on-campus locations including the Housing and Residence Life office.

All dining locations accept Dining Dollars, cash, Visa, MasterCard, or the TigerCard. TigerCard accounts are available in either the declining balance plan, or the ascending balance plan. The TigerCard office is located in downstairs Foy Student Union. The Auburn Dining administrative offices are located at 151 S. Donahue Drive. Tiger Card/Tiger Club Accounts

A Tiger Club Account provides a convenient means of making purchases on campus and at selected off-campus locations using the student's TigerCard (ID card). It can be used at bookstores, dining facilities, laundry and vending locations, the Campus Mall, copy centers, and other student services. As members of Tiger Club Accounts, students can choose an ascending or descending balance plan.

The ascending balance plan is billed monthly through the Bursar's Office. Students who are under 19 years of age must have parental approval in order to have an ascending account. Students who have an ascending balance account need to be aware that charges can accumulate rapidly and all charges must be paid on a monthly basis. However, students soon learn that, with common sense and discretion, having an ascending account can be both convenient and educational.

The declining balance account allows the student to make a deposit in advance and budget the amount through the semester. Additional deposits can be made as needed by cash, check, or debit/credit cards (VISA/MasterCard only).

Itemized statements are available for viewing and printing on OASIS - Online Auburn Student Information System - on the World Wide Web. There is a membership fee charged for each semester the student uses the account - excluding summer sessions. Additional information regarding Tiger Club Accounts may be obtained by contacting the TigerCard/Tiger Club Accounts Office, located in the Foy Union Building, Auburn University, AL 36849. Telephone: (334) 844-1220 or 1-877-345-2058. Website: www.auburn.edu/tigerclub
