

# College of Education

FRANCES K. KOCHAN, *Dean*  
ANDREW M. WEAVER, *Acting Associate Dean*  
SUSAN K. VILLAUME, *Interim Associate Dean*

THE COLLEGE OF EDUCATION prepares competent, committed, and reflective professionals to help build a better future for individuals, our state, our nation, and our world. Teaching and non-teaching programs are offered in the college's five academic departments: Counselor Education, Counseling Psychology, and School Psychology; Curriculum and Teaching; Educational Foundations, Leadership, and Technology; Health and Human Performance; and Rehabilitation and Special Education. Information about the college's undergraduate and graduate programs is available in this bulletin, on the college Web site (<http://education.auburn.edu>), and from departments.

**Admission to the college.** Freshman eligibility is determined by the Office of Enrollment Services and is outlined elsewhere in this bulletin. Transferring into a teacher education program requires a minimum 2.5 grade-point average on all college coursework attempted, on all coursework attempted at Auburn, and on all coursework attempted in the intended program. Transfers from other institutions must apply through the Office of Enrollment Services. On-campus students may request a transfer into the college by contacting Professional Education Services, 3464 Haley Center.

College of Education students are charged a fee for professional liability insurance.

## Undergraduate Teacher Education Programs

The college's teacher education programs are designed to ensure that program graduates have the knowledge, skills, and dispositions to help all students learn. These programs maintain selective admission, retention, and graduation requirements and are in compliance with the Alabama State Board of Education's rules for teacher education.

**Accreditation and Approvals.** Auburn University's College of Education is accredited by the National Council for Accreditation of Teacher Education (NCATE). All programs preparing teachers and other professional school personnel are approved by the Alabama State Board of Education, the National Association of State Directors of Teacher Education and Certification (NASDTEC), and the Interstate Reciprocity Compact (IRC).

**Admission to Teacher Education.** Students must submit a formal written application for admission to Teacher Education after completing at least 45 semester hours in the program, usually at the end of the sophomore year. To be eligible for admission to Teacher Education, the following criteria must be met:

- minimum 2.5 grade-point average on (a) all college coursework attempted and all coursework attempted (b) at Auburn, (c) in the program, (d) in professional studies, and (e) in the teaching field;
- satisfactory performance in the pre-teaching experience;
- a passing score on each of the Alabama Prospective Teacher Testing Program's basic skills assessments (Applied Mathematics, Reading for Information, and Writing assessments);
- fingerprints, release forms, and processing fee for state required background check; and
- satisfactory completion of a professional interview.

Students who fail to meet these criteria upon initial application may submit new evidence in an effort to satisfy admission to Teacher Education requirements.

Meeting the above criteria at a minimum level does not guarantee admission into Teacher Education. Applicants in Early Childhood Education and Elementary Education who meet the first four criteria listed above are ranked by grade-point average from 4.0 downward on all college coursework attempted. The top 17 candidates for Early Childhood Education are forwarded each semester, including summer, to total 51 per year. The top 50 candidates for Elementary Education are forwarded in the fall semester and 25 in the spring semester, to total 75 per year. The selected candidates are eligible to proceed to the professional interview for admission to Teacher Education. Students who apply and are not selected for admission to Teacher Education in one of these two majors will be counseled as to their options in education but may not continue to pursue that major.

**Admission to Internship.** Students must submit a formal written application for admission to internship one year in advance. Criteria that must be met prior to beginning the internship are listed below:

- admission to Teacher Education;
- satisfactory completion of all courses on the program checklist designated as prerequisites for internship;
- minimum 2.5 grade-point average on (a) all college coursework attempted as well as all coursework attempted (b) at Auburn, (c) in the program, (d) in professional studies, and (e) in the teaching field;
- a grade of C or better in all professional studies courses;
- a passing score on the appropriate Alabama Prospective Teacher Testing Program's Praxis II subject assessment;
- documentation of clear background check; and
- demonstrated potential for teaching with departmental approval.

Students who fail to meet these criteria may submit new evidence in an effort to satisfy admission to internship requirements.

**Graduation.** To be eligible for graduation, students must meet the following criteria:

- completion of all courses on the program checklist;
- minimum 2.5 grade-point average on (a) all college coursework attempted as well as all coursework attempted (b) at Auburn, (c) in the program, (d) in professional studies, and (e) in the teaching field;
- a grade of C or better in all professional studies courses; and
- satisfactory performance in internship including satisfactory completion of required internship assessments.

**Certification.** The associate dean for academic affairs has been designated as the teacher certification officer for Auburn University. To obtain certification in the State of Alabama, program graduates must submit a completed certification application with required processing fee to Professional Education Services, 3464 Haley Center:

Program graduates who delay obtaining Alabama certification may be subject to changes made in teacher certification requirements between the time of graduation and the time of the certification request. Students seeking certification in other states should contact those state certification offices to obtain their application forms and requirements.

**Assurance of Competence.** The College of Education guarantees the success of graduates who receive initial professional certification through the college and who are employed within their area(s) of specialization. The college will provide remediation at no cost to an individual who was recommended for certification by the College of Education and whose job performance within two years after program completion is deemed unsatisfactory by a local education agency based on performance evaluations established by the Alabama State Board of Education.

**Field Experiences.** Students in teacher education programs participate in sequential learning opportunities in public school and community settings throughout their programs.

The pre-teaching experience is a prerequisite for admission to Teacher Education. This five-day experience is intended to provide the opportunity for students to observe the school as a total organization and increase their awareness of the teaching profession. The primary focus is observation and reflection.

Additional field experiences are conducted concurrently with enrollment in professional education courses. These pre-internship experiences provide students with multiple opportunities to work with diverse learners in schools and communities.

Internship is the culminating field-based experience and spans a full semester. This experience immerses interns in the learning community and provides them with intensive and extensive opportunities to develop and demonstrate competence in the professional roles for which they are preparing.

**Dual Objectives Programs.** Students in other schools and colleges of the university who wish to complete requirements for graduation in an academic department and also to complete the degree requirements of a teacher education program may pursue a dual objectives program. Students should inquire in their dean's office to determine if their college/school participates in dual objectives programs.

Students electing to pursue a dual objectives program will have an advisor in the academic department in which they are enrolled and an advisor in the College of Education. Advising students concerning the curriculum of the academic department, including the major and other requirements, will be the responsibility of the advisor in that department. The responsibility for advising students on matters concerning the teacher education program will be that of the advisor in the College of Education. The semester course schedule of the students will be approved by both advisers. Information describing dual objectives programs is available in the Professional Education Services Office of the College of Education, 3464 Haley Center, and in the dean's office where the students are enrolled.

Students enrolled in the College of Education who desire to complete certification requirements in more than one teaching field are required to complete all coursework for each program, including an internship in each area of specialization.

**Program Options.** The following table shows undergraduate teacher education program options available in the College of Education. All Secondary Education (6-12) and Music Education (P-12) programs meet the university requirements for an academic major.

Department and Program	Grade Levels				
	P3	K-6	4-8*	6-12	P-12
<b>Curriculum &amp; Teaching</b>					
Agriscience Education				X	
Business and Marketing				X	
Chemistry				X	
Early Childhood	X				
Elementary		X			
English Lang. Arts/English			*	X	
French			*	X	
General Science/Biology			*	X	
General Social Science/History			*	X	
Geography			*	X	
German			*	X	
Mathematics			*	X	
Music, Instrumental					X
Music, Instrumental and Vocal					X
Music, Vocal					X
Physics				X	
Spanish			*	X	
<b>Health &amp; Human Performance</b>					
Physical Education					X
<b>Rehabilitation &amp; Special Education</b>					
Collaborative Teacher		X			X
Early Childhood Special Education (birth through 8 years)					X

\* Students completing these Secondary Education (6-12) programs may complete additional coursework to add a Middle School (4-8) teaching endorsement.

### Undergraduate Non-teaching Programs

The college offers four baccalaureate non-teaching programs. Educational Foundations, Leadership, and Technology offers a program in Adult Education. Health and Human Performance offers programs in Exercise Science and Health Promotion. Rehabilitation and Special Education offers a program in Rehabilitation Services Education.

#### Graduate Programs

All departments in the college offer graduate programs in education-related professions. Programs lead to master's, specialist, and doctoral degrees. Non-traditional graduate programs include the following:

- Alternative master's certification programs offer qualified students who hold non-teaching baccalaureate degrees a route to initial teacher certification while simultaneously earning a master's degree.
- Students with a master's degree in education may apply for a non-degree program that leads to sixth-year certification.

### Learning Resources Center

The Learning Resources Center (LRC), located in 3410 Haley Center, is a service component for the College of Education and the College of Liberal Arts. The LRC provides instructional technology services which include videotapes, computer software, audio recordings, transparencies, kits, and books and periodicals for the education profession. Two computer classrooms, a Micro-Center, and the college computer network are managed by the LRC. LRC personnel assist faculty and students with the production, selection, and utilization of newer instructional and informational technologies. Audio-visual equipment services are provided for classes taught in Haley Center.

### Minors

#### ADULT EDUCATION MINOR

15 semester hours in minor

Courses required			Cr. Hr.
ADED	4600	Nature of Adult Education	3
ADED	4620	Comm. Concepts, Programs and Resources	3
ADED	4660	Teaching in the Non-School Setting	3
ADED	4970	Special Topics in AE	3
Adult Education advisor-approved elective			3

#### EXERCISE SCIENCE MINOR

16 semester hours in minor

Courses required			Cr. Hr.
HLHP	3020	Sci. Found in HLHP	4
HLHP	3620	Biomechanics	4
HLHP	3650	Motor Learning & Performance	4
HLHP	3680	Physiology of Exercise	4

#### OFFICE SYSTEMS MANAGEMENT MINOR

15 semester hours in minor

Courses required			Cr. Hr.
CTCT	1200	Keyboarding & Formatting	3
CTCT	2200	Document Processing	3
CTCT	3000	Leadership Skills for Pers./Org. Dev	3
CTCT	3200	Records Management	2
CTCT	3240	Information Processing I	3
CTCT	3250	Information Processing II	3
CTCT	4200	Managing Office Systems	3
CTCT	4940	Directed Field Experience in Bus. Ed	3
CTCT	4970	Special Topics in Bus. & Office Ed	1-3

#### SPORT COACHING MINOR

16 semester hours in minor

Courses required			Cr. Hr.
HLHP	3020	Sci. Found in Health & Human Perf	4
HLHP	3820	Principles of Sport Coaching	3
HLHP	4620	Exercise & Sport Psychology	3
HLHP	4970	Seminar Special Topics	4
HLHP	4910	Practicum	2

**Non-degree Program.** The Physical Activity and Wellness Program is a non-degree program that requires 8 hours (4 courses), including PHED 1100, Wellness, and 3 courses (each one from a different category of physical activity). Categories include cardio-respiratory fitness (PHED 1200), fitness and conditioning (PHED 1300), team sports (PHED 1400), individual sports (PHED 1500), performance activities (PHED 1600), and aquatic skills (PHED 1700). Students who complete the 8-hour program may apply for a Physical Activity and Wellness Certificate, issued by the Department of Health and Human Performance. Students may also elect to take individual courses, without completing the 8-hour program. Of course, students may elect to take more than 4 courses, if they desire to use the program to ensure a regular physical activity program.

### Departmental Curricula for Undergraduate Programs

Curriculum models appear below by department for all undergraduate programs. Teaching programs are presented first followed by non-teaching programs. Program checklists are available from Professional Education Services, 3464 Haley Center.
