Auburn University’s fees have remained somewhat lower than those charged by similar institutions in the Southeast and in other sections of the country. As institutional costs have risen, the Board of Trustees has authorized small increases in fees from time to time. Every effort is made, however, to hold fees and charges at a minimum.

The following fees and charges are in effect at this time. However, since the catalog must be published well in advance of the next school year, it is not always possible to anticipate changes. Thus the fee schedule may have to be revised. Every effort will be made to publicize changes as far in advance as possible.

### Basic Charges (revised June 2012)

The following is a schedule of the tuition structure effective fall 2012. If you need more details, please call the Student Financial Services Office at (334) 844-4634.

** Additional credit hour tuition eliminated

*** Same as Registration fee

† The $200 proration fee is a quality fee implemented due to the fact that Auburn University’s state appropriations have been reduced (prorated). In order to provide the same services that our students have become accustomed to, this fee has been added instead of a permanent tuition increase. When state appropriations return to a level that will allow us to return to a level that is comparable to the tuition charged by other institutions, this fee will be eliminated.

Graduate students’ tuition and registration fee are waived, provided they are on a one-quarter time or greater appointment and are being paid according to the approved salary structure as a Graduate Assistant or Teaching Assistant. Their appointment date must be effective as of the first class day of the spring semester, the fifth class day of summer semester, or September 1 for the fall semester.

Professional Fees, Program Fees, and Program Fees, Differential Tuition are not waived. Graduate students that have their tuition and registration fee waived pay the GGRA/GRTA enrollment fee each semester.

a.) The university tuition and registration fee is used to meet part of the cost of instruction, physical training and development, laboratory materials and supplies for student use, maintenance, operation and expansion of the physical plant, Library and Student Activities. The Student Activities portion of the fee supports such activities as intercollegiate athletics, exhibits, GLOMERATA, intramural sports, PLAINSMAIN, religious life, social affairs, student government, student union activities and operations, TIGER CUB, and WEGL Radio Station.

b.) Students participating in the Study Abroad/Exchange Program will pay the Auburn Abroad Fee, and any course work resulting in AU credit or grades will be assessed in accordance with the university fee structure.

c.) Not charged to faculty and staff

d.) A student who is a candidate for a degree in a term in which no credit work is taken is responsible for that particular charge. Any questions concerning a charge should be directed to the department responsible for that particular charge.

e.) Additional music fees are to be paid for each Performance Course of individual instruction. Instruction is available in either half-hour or hour lessons.

### Other Fees and Charges

#### Late Payment Charges

All students, regardless of classification, must clear tuition, fees and other university obligations by the deadlines set by the university, or be liable for late payment charges. Late payment charges will be assessed following each due date at 1.5 percent of the unpaid balance.

### Resignations and Refunds

Students officially resigning prior to the start of a term will not be held liable for fees (other than non-refundable fees). Students resigning during the first 15 class days of the fall and spring semesters and the first 5 class days of the summer term and/or session will be charged a $100 Resignation Fee.

The liability for fees will not be excused for resignations effective after the 15th class day of fall and spring semesters and the 5th class day of summer term and/or session except in cases of resignation caused by personal illness (physicians statement required) or call into military service (copy of activation orders required, excluding temporary training assignments). A pro-rata reduction will be made in cases of personal illness and a full reduction for military service activation. Students having made prior payment will be refunded the amount paid less their liability after the resignation. Students suspended for disciplinary reasons are not eligible for refunds or reductions in liability. Resigning students receiving refunds will first have their refunds applied to any outstanding obligations and to any scholarship, grant or loan which they had received for the term.

Students reducing course loads on or prior to the 15th day of classes of fall and spring semesters and the 5th class day of summer term and/or session may be eligible for a partial refund or reduction in liability of tuition and fees. To be eligible, the adjustment must be completed on or before the 15th day of classes of fall and spring semesters and the 5th class day of summer term and/or session. In such cases, fees will be reassessed based on the adjusted schedule.

Students who believe that extenuating circumstances warrant an exception to the refund policy must submit an appeal in writing to the Director, Office of Student Financial Services, Martin Hall. Acceptance or rejection of the appeal will be mailed within 10 business days.

Any Federal Title IV financial aid recipients who resign will be liable for any unearned funds received as determined by the Federal Return of Funds Policy. These amounts will be charged back to the student’s university account.

### Payment of University Obligations

The Auburn University Billing/Receivable System will bill students the majority of their charges due AU. Among the charges included within this system are those for tuition/fees, Tiger Club, housing and parking. Other charges will be included in the system as deemed appropriate. Any questions concerning a charge should be directed to the department responsible for that particular charge.

AU Billing/Receivable statements will be processed at approximate monthly intervals corresponding to the university’s semester schedule. The first installment for tuition and fees will be billed and due prior to the beginning of each semester. The final installment will be billed...
approximately one week prior to the beginning of the semester and due on the bill due date. Additional charges will be billed as incurred. All charges appearing on a billing statement must be cleared by the due date for that statement or late payment charges will be assessed. Late payment charges may be waived for tuition resulting from university registration and housing charges when financial aid is processed through the university and evidence of such aid is recorded on the statement.

AU Billing/Receive statements will be delivered via E-Bill (the university’s electronic billing system.) Students are notified through TigerMail when a new billing statement has been processed, and any other Authorized Users added by the students, through Tigeri, are sent e-mails to their specified e-mail addresses.

Students are expected to meet all financial obligations when they fall due. The university reserves the right to deny admission, dis-enroll, prevent participation in graduation and withhold transcripts, cap, gown and diploma of any student who fails to meet promptly their financial obligations to the university. It is each students responsibility to be informed of all payment due dates, deadlines, and other requirements by referring to official sources of university information such as this catalog, official calendar of events, announcements printed in the Plainsman, or that disseminated by other means from time to time. Students owing charges for prior terms will not be allowed to register for future terms until all charges are paid.

University registration or other requests for class assignment create a liability for the payment of tuition and fees resulting from assigned classes. Such liability can only be excused when students withdraw or resign in accordance with university procedures.

Checks: Checks given in payment of any university obligation are accepted subject to final collection. If the bank on which the check is drawn does not honor the demand for payment and returns the check unpaid, the student will pay a returned check fee of $25 and any applicable late payment charges. If payment is not cleared promptly, the student’s registration may be canceled. The university has the right but not the obligation to redeposit any insufficient check without notice to the student or maker.

Collection costs or charges along with all attorney fees necessary for the collection of any debt to the university will be charged to and paid by the debtor.

Veterans: All veterans (Chapters 30 and 32), reservists and guard members (Chapter 106) and veterans’ dependents (Chapter 35) are responsible for paying fees and charges on the same basis as other students. Veterans under the Vocational Rehabilitation program (Chapter 31) and students receiving the Alabama GI Bill should make arrangements for their tuition, fees and books to be paid prior to their first payment due date.

Foreign Students Under Contract: A special administration management/program fee will be negotiated for foreign students who come to the university under a contractual arrangement that requires special administrative and programming arrangements beyond those of the regular academic program of the university.

Alabama and Non-Alabama Student Policy

Students enrolled prior to June 1, 1996 should consult with the Office of the Registrar for changes in residency status.

Policy for Students Enrolled for the First Time June 1, 1996, and Thereafter

For the purpose of assessing fees, applicants shall be classified as Alabama or non-Alabama students. Non-Alabama students are required to pay a non-resident tuition fee.

An Alabama student is a person which shall be a citizen of the United States, or a resident alien, and who shall have resided and had habitation, home and permanent abode in the State of Alabama for at least 12 months immediately preceding current registration. In applying this regulation, “applicant” shall mean a person applying for admission to the institution, if applicant is married or 19 years of age, and financially independent. Otherwise, it shall mean parents, parent or legal guardian of his/her person. If the parents are divorced, residence will be determined by the residency of the parent to whom the court has granted custody.

A person who establishes a guardianship for purpose of avoiding non-Alabama fees will be subject to non-resident tuition.

No person who moves to Alabama for the primary purpose of attending college shall be considered to have demonstrated intent to establish domicile in the State of Alabama, and will generally not be considered eligible for classification as a resident student. Clear and convincing evidence to the contrary must be presented to overcome this presumption.

In determining Alabama student status for purposes of assessing fees, the burden of proof is on the applicant.

Additional Persons Eligible for Resident Tuition

1. Military personnel on active duty stationed in Alabama, their spouses and dependent children (as defined by Internal Revenue Codes), as well as military personnel whose “Home of Record” is Alabama, who have continuously filed Alabama income tax returns for the duration of their service, and their spouses and dependent children.

2. Non-resident undergraduate students who have been awarded full athletic or other similar performance tuition scholarships by Auburn University and graduate students appointed on assistantships of at least 1/4-time.

3. Full-time employees of a state of Alabama agency or institution, their spouses and dependent children.

4. Spouse and dependent children of a non-resident, provided the nonresident has been employed in Alabama full-time for at least 12 consecutive months prior to registration, has filed an Alabama Income Tax Return for the tax year prior to the year in which the student is admitted, and did not claim a credit on the Alabama return for income taxes paid to another state.

5. Non-resident students with junior or senior standing selected for programs included in the Southern Regional Education Board Academic Common Market, provided the student does not change to another program not included, is enrolled in 12 hours per term and earns a 3.0 each term. In such cases of change, reduction in course load or failure to meet the GPA, the student will be classified as a non-resident for tuition purposes. See section on Academic Common Market for application process.

6. Persons whose spouses by legal marriage are bona fide Alabama residents.

7. Spouses and dependent children of persons who establish domicile within the State of Alabama, provided that the person who establishes domicile is employed full-time in a permanent position in Alabama.

8. Non-resident persons enrolled in programs of Auburn University not funded by tax revenues of the state of Alabama.

9. Students enrolled in the College of Veterinary Medicine professional DVM program admitted under contract with the Southern Regional Education Board.

Initial Determination of Eligibility

To be initially classified as eligible for resident tuition, students must demonstrate that they or their parent, guardian or spouse qualify for one of the eligibility categories prior to the first day of class. A signed statement is required that qualification for the eligibility category claimed has been met prior to registration.

Transfer Students

In the case of new transfer students, classification as a resident by the previous institution does not guarantee that status at Auburn University. Enrollment by a non-resident student at a college or university within the state of Alabama for more than 9 hours in any term during the period when the student is attempting to establish residency will normally exclude that student from consideration. That student will be considered to be in the state for the purpose of education.

Change in Eligibility for Resident Tuition

Students determined to be eligible for resident tuition will maintain that eligibility upon re-enrollment within 12 months of their most recent enrollment, unless there is evidence that the student subsequently has abandoned resident status (e.g., registering to vote in another state.) Students failing to re-enroll within 12 months must establish eligibility upon re-enrollment.

Students initially classified as ineligible for resident tuition will retain that classification for tuition purposes until they provide clear and convincing evidence that they have established permanent domicile in Alabama. The burden of proof of change in eligibility rests on those requesting change. Evidence relevant to an initial determination of eligibility is also relevant to establishing a change in eligibility.

Non-resident students who carry an academic load considered normal (10 or more hours per term) for students at Auburn University will be presumed to be in the State of Alabama primarily for the purpose of gaining an education and, thus, have not demonstrated the intent to establish a
true domicile in Alabama. Clear and convincing proof may overcome this presumption, but again, the burden of proof rests on those requesting change in eligibility. Any change in resident tuition eligibility occurring during an academic term will not become effective until the registration for the succeeding term.

The following types of evidence may contain data to support the establishment of twelve 12-month residency in the State of Alabama. In all cases, the person must be at least 19 years of age or married, and financially independent. Otherwise, the person’s residency will be based on that of the parent or guardian.

1. Ownership of rental or residential property in the State of Alabama and continuous occupation thereof on an extended term of not less than twelve consecutive months.
2. Full-time permanent employment in the State of Alabama.
3. Possession of State of Alabama License(s) required to do business or practice a profession in Alabama.
4. Legal marriage to a bona fide Alabama resident.
5. Registration to vote in the State of Alabama.
6. Filing of Alabama resident income tax return.
7. Holding a current Alabama drivers license.
8. Registration of vehicle in Alabama, and payment of property taxes, thereon.

9. Evidence of local banking activity within the State of Alabama for 12 consecutive months prior to making application for residency change.

The Office of the Registrar at Auburn University and the Office of the Registrar at AUM shall have the responsibility for determining whether a student shall be classified as an Alabama or non-Alabama student. The decision of the Office of the Registrar shall be subject to review by the Residency Committee (at Auburn) or the Chancellor (at AUM) or the designated representative of each, upon written request of the applicant.

Procedures for Appeal of Residency Decision

The following outlines the process by which students may appeal the initial decision of residency for tuition purposes by the Office of the Registrar.

Students must submit a letter to the Office of the Registrar, addressed to the Residency Committee, requesting residency reclassification and outlining the circumstances that have changed since the initial residency decision.

Along with the letter, students should submit whatever evidence they feel is relevant to their appeal. Examples of the types of evidence that may contain information relevant to reclassification can be found in the Auburn University Residency Guidelines in the this Bulletin.

The letter of request for appeal and the supporting evidence must be received no later than two business days before the committee meets.

The Office of the Registrar will prepare all materials for presentation to the committee regarding each individual appeal.

The committee will vote on the merits of each appeal and as it relates to the written guidelines as adopted by the state of Alabama and the Auburn University Board of Trustees.

The Residency Appeals Committee Chair will send a letter to students informing them of the final decision and reason.

All proceedings and votes will be recorded and filed in the Office of the Registrar.

The students may submit further appeals to the senior associate provost if desired.

Academic Common Market

The Academic Common Market is an agreement among 14 Southern Regional Education Board states (Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Oklahoma, South Carolina, Tennessee, Texas, Virginia and West Virginia). According to the agreement, if one of these states does not offer a particular degree program in its state-supported universities, a resident of that state may enroll in that degree program at a university in one of the other states without having to pay out-of-state tuition. Each state specifies which programs offered at out-of-state universities it will allow its residents to attend as common market students. The states of Florida, North Carolina and Texas do not participate in the Academic Common Market. To be eligible for consideration for the Common Market at Auburn, students must be enrolled in degree programs agreed to by their home states, be classified as a junior or senior at Auburn, have a 3.0 GPA for all college-level course work attempted, including transfer work, and be certified as a resident of one of the other states. Auburn students who enter as common market students and do not complete 12 hours per term, do not maintain a 3.0 or who later change to a degree program not certified as eligible by their home states, lose the waiver of out-of-state tuition. Since out-of-state residence is a requirement for being a common market student, students may not use the time spent as common market students to qualify them as residents of Alabama. For additional information about the Academic Common Market, contact the Provost Office, 129 Quad Center, (334) 844-4900. Application materials are due by March 15 for the following year. If space remains, applications for spring semester received by October 15 will be considered.

Financial Aid

The Office of Student Financial Services at Auburn University provides financial assistance to students who need aid to attend the university. Students seeking assistance are required to file an application for Federal Student Financial Aid annually. Applications for aid should be completed in January or February of the year prior to the academic year in which the student will need assistance. Application materials and a brochure describing available aid programs may be obtained from the Office of Student Financial Services, 203 Martin Hall, and on the Web at www.auburn.edu/finaid.

Financial aid includes scholarships, grants, loans and part-time employment.

Grants. Federal Pell Grants are provided to undergraduate students who demonstrate exceptional need. Federal Supplemental Educational Opportunity Grants are available, in limited number, to undergraduates with the greatest financial need.

Loans. Federal Perkins Loans, Federal Subsidized and Unsubsidized Loans, and Institutional Loans provide long-term, low interest loans to students. Some loans require demonstrated financial need. The Health Professions Loan Program makes available long-term loans for students in Pharmacy and Veterinary Medicine.

Work. The Federal Work-Study Program provides part-time employment for students who demonstrate financial need.

Graduate Assistantships. Graduate students may be eligible for teaching and research assistantships and traineeships. Information is available from the department of the student's major field.

Scholarships

December 1 is the Freshman Scholarship priority deadline. Incoming freshmen who apply for admission with all admission materials postmarked by this date receive automatic consideration for Freshman and General Scholarships. A separate application is not required for consideration.

To receive consideration for need-based scholarships, students must complete the Free Application for Federal Student Aid (FAFSA) each year, available online beginning January 1. The FAFSA must be received by Auburn by March 1.

Freshman Scholarships

National Scholars Presidential Scholarships are awarded to National Merit Finalists and National Achievement Finalists. National Presidential Scholars receive tuition for four years for Alabama residents or $60,000 over four years at $15,000 per year for non-residents, a $1,000 technology allowance in the first fall semester, a $2,500 enrichment experience stipend available for one semester after the second year, and an invitation to participate in the Honors College. National Presidential Scholars also receive an on-campus housing allowance for four years and an annual stipend based on eligibility as determined by the National Merit Scholarship Corporation and financial need as demonstrated through completion of the FAFSA. National Merit and Achievement Finalists must have a minimum 3.5 high school GPA. National Merit Finalists should contact National Merit Scholarship Corporation to name Auburn University as their first choice institution by May 1. National Achievement Finalists should mail or fax a copy of their notification letter to the Office of University Scholarships by May 1.

Spirit of Auburn Scholarships are automatically awarded to Alabama residents with a minimum 28 ACT or 1250 SAT score and a 3.5 high school GPA at three levels beginning in October. Students must have the minimum test score and high school GPA required for consideration at each level. Presidential Scholars receive tuition for four years, a $1,000 technology allowance in the first fall semester and an invitation to participate in the Honors College. Founders Scholars receive tuition for four years. University Scholars receive $10,000 over four years at $2,500 per year.
Academic Scholarships are awarded among non-residents with a minimum 29 ACT score or 1290 SAT score and a 3.5 high school GPA at three levels in December. Students must have the minimum test score and high school GPA required for consideration at each level. Academic Scholarships are awarded competitively, and the minimum test score and GPA required for consideration at any level does not guarantee a scholarship will be awarded at that level. Presidential Scholars receive $60,000 over four years at $15,000 per year, a $1,000 technology allowance in the first fall semester, and an invitation to participate in the Honors College. Heritage Scholars receive $40,000 over four years at $10,000 per year. Charter Scholars receive $20,000 over four years at $5,000 per year.

Auburn Spirit Foundation and Auburn Spirit Foundation Legacy Scholarships are awarded among students with a minimum 26 ACT score or 1170 SAT score, a 3.5 high school GPA, and have not been previously recognized with a Freshman Scholarship with a minimum 26 ACT score or 1170 SAT score, a 3.5 high school GPA, and high school GPA required for consideration at each level. Academic Scholarships are awarded competitively in January at $6,000 over four years or $1,500 per year.

Achievement Scholarships are awarded among Alabama residents with a minimum 26 ACT score or 1170 SAT score, a 3.5 high school GPA, and have not been previously recognized with a Freshman Scholarship of equal or greater value. Achievement Scholarships are awarded competitively in January at $6,000 over four years or $1,500 per year.

General Scholarships
Criteria for General Scholarships vary and may include but not be limited to geographic location, academic achievement, and financial need. Eligible students are automatically considered for all General Scholarships for which they meet the criteria.

Departmental Scholarships
Each of Auburn’s 12 colleges and schools awards scholarships separate from the scholarships awarded at the University level. Criteria for Departmental Scholarships vary and may include academic major but not be limited to geographic location, academic achievement, and/or financial need. A separate application may be required for consideration. Students should contact the college or school in which they plan to major for Departmental Scholarship opportunities and requirements.

External Scholarships
External Scholarships are awarded by individuals or organizations external to Auburn University. Checks should be mailed to the Office of University Scholarships for deposit into the student’s university billing account. Students are encouraged to pursue as many External Scholarship opportunities as possible. Although Auburn University does not limit these scholarships by number or amount, scholarships received may affect the amount of federal financial aid for which students are eligible.
